JAYNE'S CARMINATIVE BALSAM Rheumatism, Unner, discuss of the Skule or Spine, or of Palmoary Consumption, emusato from one and the same cause, which is a poisonous' principle more or less inherent in the human system. Theree fore, unleas this principle can be desiroyed, no radi-cal cure can be effected, but if the principle upon which the discuse depends, is . rémoved, a cure must of necessity follow, no matter under what form the discuss should manilest itsell. . This, therefore is the reason why JAYEP'S ATTRATIVE is so uni-versally successful in temoving so many malignant discusse. It destroys the viros or principle from which the discusse have their origin, by datering into the circulation, and with the blood is conveyed to the minutest libre, removing every particle of discusse from the system.
