Whig and Anti-Masonic Nemination work CANAL COMMISSIONER. FOR CANAL COMMISSIONER, NER MIDDLESWARTH,

OF UNION COUNTY. it a meeting of the Antimasonic Hotel, Pittsburgh, on Saturday, May Gh, call was agreed opon: The Antimason electors of each ward, borough and town theny county, are requested to convene a Lactors of takin are requested to use in said un-beny cod holding primary meetings in said un-largers of holding primary meetings in said un-spinse if one takk and a primary said to a said gates if over the said of the said of the said ion, at the said over the said of the said over the version of the said over the said of the said over the said over the said over the said over the composed as the said over the said over the said of the same said over the said over the said of the said over the same said over the said over the said over the said over the same said over the same said over the sa

day. be committee would earnestly urge upon the sain the committee would earnestly urge upon the sain the committee to an efficient organization, pro-shory to the coming election. DAN'L. M'CURDY, Chairman.

JOHN MAJOR, J. W. LIGHTHER, Secretaries. BORISHON, The Presidential Que

ess has adjourned over the pre

to await the action of the Baltin and the same thing will probably be done two reeks hence, upon the meeting of the convention t Philadelphis. Not only in Congress, but every lic attention is absorbed with this sub and, for the next five months, it is to be the question of the country. Who will be nom

for the next five month, it is to be the stion of the contry. Who will be non-the two great/parties is the anxious in-be moment—but the all absorbing quer-on follow, who shall be elected. Warm on the resort that— "Surgere capitals have disappeared in the "Surgere capitals have disappeared in the whose number almost was be given, have disappeared in the open market. The be public debt of real argues represented by public credit, and on intrinsic worth, but whis nuch credit com-manded in the open market. The be public debt of france, embracing, with the treasury bonds a standard bearer, should is eslected, it for the fail of onit is eslected. The be, if a good Whig, we shall mut-ing, with all the energy we can bring in the general good. The Whig Party, it men, we shall yink all personal diapp in the general good. The Whig Party, it men, we shall yink all personal diapp in the general good. The Whig Party, it men may do, we may not conjecture, it most in opposition to their princi-tiene of the past would indicate a dia they the argues and specter and the scall recursites. These scanting it area in state of the scall recursites would be reating when a suber of the principe, while and real is scale recursites into the past would indicate a dia they the dis contry. Foreign cap-tione while learning of words, breath, and they the dis coming. The debt of the unite States, yielding 6 per cent." We do not see any force in the conclusions of the London Naws. The debt of the unite States of the bodies and per cent." inned by the two great parties is the anxious in quiry for the moment;-but the all absorbing ques-tion will soon follow, who shall be elected. Warm This will good shows, who amay no elected. Warm as our attachments are to the great men devoted to the Whig cause, the sizernov is much the most interesting question. We have confidence that the delegates selected will at least be well assured that deleganes selected will at least be well assured that a good Whig is presented for the suffrages of the Poople; and freling assured of tha, wish to pre-pare our friends for the great battle for Principles, which is before them. We feel an earnest wish that the *der* standard bearer should be selected, but who earls have 1 and 1 but who ever he be, if a good Whig, we shall mus-ter for him, with all the energy we can bring the reward of victory. We may wishes, as to men, but as men we feel sure, will do likewise, and support the no ee in no stinted spirit. What third party me no party men may do, we may not conject xperience of the past would indicate a dis-the to throw their influence practically in the ce of those most in oppositions when, in 1844, the Abol y gave a rote which led to the election of Ja K. Polk. We hope 'a sober second thought' prevent any such wasting of words, breath and tes: but time will determ n of one idea, who ride one bo by, who forget that this Government is one of cor e, and that our justi sity; and to this fact, more than to any ther, do we owe the contentious spirit among mer who, on many things, think alike, and who see same results. Suppose, for example, the As on party, instead of their independent organi-

induced their later and induced to old organ subct would have been magical, and subct would have been magical, and subid have occupied a far more clavat, for the country. As it is, the buttle states handed by the White North States by 137,209 (6), leaving a balance of \$17, 69 in the states by 137,000 (6), leaving a balance of \$17, 69 in the states by 137,000 (6), leaving a balance of \$17, 69 in the states by 137,000 (6), leaving a balance by 137,000 (6), leaving a balance g to the old ores the two great parties, by a the North would have occupied a far before the country. As it is the battl

2.4
