FIRST BALLOT. -Butler, 10-Quinman, 2-Mason, 5-King, 8 genore Ballor. -Butler, 18-Quinman, 7-Mason, 5. The role was afterwards made unanimous-Some other incidents of the Congention we shall

Butter, 16—Quintanna, 7—Mason, 5.
The yrote was afterwards made unanimous-some other incidents of the Congention we shall indice to morrow.
The proceedings in the Congention we shall indice to morrow.
The proceedings in the Congention, on Tuesday, inthe proceedings in the Congention, on Tuesday, we save used the solution of the Maximum of the Maxima Congress has a second the solution of the whole matter to morrow.
Some of the Southern members became very per-amptory in the end, and, headed by Mr. Yanoy, the solution of the whole matter to morrow.
Some of the Southern members became very per-amptory in the end, and, headed by Mr. Yanoy, thereation.
Another bons of contention was whether, in the end, the Pennylvania Delegates had cast their rotes for Cass. One of the delegates asid he had not. Mr. MCandless, who cass the vice of the Sato, was not present to decide the matter, and the Southern solution was whether the Pennylvania Delegates in the rotes of the south were and the result. The following correst as were the known whether the south of the south the amount of the South rotes of the south for the south rote of the south were ware with and present to decide the matter, and the Gonvention left the matter as they found it— many therefore, who cass the vice of the south of the south rote of the South were the south of the south rote of the South were the south of the south rote of the South were the count of the south rote or quarter, unit and the following are incidents of the Baltimore matter and Paretes, to you a way by which every main of the present in a description of the South rote or you a way by which every and ware were ontimely end there are incorporated in Santa Patricio's compary. The following the back they were about the control of Queretaro, War and were incorporated in Santa Patricio's compary.

Lose on this Picture, Mr. James C. Smith, a Baraburner, alNew York, ascended the rostrum and doivered a speech of an bours length in defence of the Baraburners-tion is a length in defence of the Baraburners-tion that, so far from such being the fact, they re-tion that, so far from such being the fact, they re-tion that, so far from such being the fact, they re-sarded the political about the their grantest face. While he and his colleagues were ready to risk these which the people of the South held of desr, they desired to attract to all free territory which may be southed her innights promulgated by Mr. Jelferson in 1757, and he trained that be-prove they stand by the originities of Mr. Jefferson

yield their miscourse the people of the South held of the States which the people of the South held wich may be sequred the principles promugated by Mr. Jefferson in 1757, and he trusted that be-route they stood by the principles of Mr. Jefferson cause they stood by the principles of Mr. Jefferson they were not to be excluded from a Convention of the assembled Pencourser to Barnborners were ( antible to their seats not only as Democrats, but is control they were appointed according to the an f beat mass of that party in New. York. He said that may in the constitution which carried constrained the trust of the constitution which as any into free territory. They were uncompeo-als ary into free territory. They were uncompeo-distray into free territory. They were uncompeo-minants were to be tolerated, in those States and remained the first New York Y He wared the Com-resting and Florida had resolved that they would be done used in New York Y as these tends the property with New York Y are states and in the trust for york? I the wared the Com-mendiated in New York Y as these trusted the Democratic party and be dislanded. Yinginat Democratic party and the dislanded is said as and properties, why not char States assume the other property, why not char States assume the other property, why may chark states assume the other states in Plance and the dislanded is and by North wasined by convention attempted to carry out the grant would not assist it.
