account of their preferences for General Taylor,

This is not so. This question was not to our
knowledge sgittated. They were Whigs, and
knowledge sgittated. They were Whigs, and
bolts that Congress has power to first all alvery
entering upon free territory; that a would be
them, and the candidate for Governor, their presidential preferences, we presume, were not takes
the savery into territories, where it does not
man in the nation can be more averse to the astheir State will not vots for Case. They say that
the savery into territories, where it does not
have consideration.

the most aristocratic in Paris, was the line favor of the National Assembly. It was the in favor of the National Assembly. It was the burde Monchy who arrested Gen Courtais. The sword of Gen. Courtais was carried by the First Legion in triumph through the streets. The prisoners were sent at 5 octock on the 16th to Vincours were sent at 5 octock on the 16th to Vincours were sent at 5 octock on the 16th to Vincours.
