**Jaynes' Expectorant.**
SALEM, Columbiana co., O., Apr. 24, 1841.
DR. D. JAYNES: DEAR SIR—I feel bound to you and the afflicted public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your Expectorant on myself. Having been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in the neighborhood without deriving any benefit, or the consolation of surviving but a few days or weeks at farthest—when the last gleam of hope was about to vanish, I had recommended to me your Expectorant—and blessed by that Being who does all things in the use of the means—and contrary to the expectations of my physicians and friends, I was in a few days raised from my bed, and was enabled by the use of a bottle, to attend to my business, enjoying since better health than I had for ten years previous.
Respectfully yours, &c., JAS. W. ESTILL.

**A Fine Set of Teeth for 25 Cents.**
WHITE TEETH, FOUL BREATH, HEALTHY GUMS.—Yellow and unhealthy teeth, after being once or twice cleaned with Jones' Amber Tooth Paste, have the appearance of the most beautiful ivory, and at the same time it is so perfectly innocent and exquisitely fine, that its constant daily use is highly advantageous, even to those teeth that are in a good condition, giving them a beautiful polish, and preventing a premature decay. Those already decayed it prevents from becoming worse—it also fastens such as are becoming loose, and by perseverance it will render the foulest teeth delicately white, and make the breath deliciously sweet. Sold by WM. JACKSON, 89 Liberty street. mar29

**B. A. FAHNESTOCK'S VERMIFUGE.**
A FEW weeks since, one of my children, aged about five years, was unwell for several days, and the illness increased so alarmingly that I feared death would be the result. Having heard of the good effects of Fahnestock's Vermifuge when administered to the children of my neighbors, and thinking my child might have worms, from some of the symptoms, I gave it one and a half teaspoonfuls of the Vermifuge, and to my great astonishment it almost immediately discharged between 250 and 300 large worms. Its health was soon restored, and it is now remarkably well. Previous to taking the Vermifuge, the worms would occasionally rise in its throat, and I often feared it would die from strangulation. JOSEPH LIPPENCOTT. WM C BARR
**LIPPENCOTT & BARR,**
(Late J S Strickler & Co.)
MANUFACTURERS of Phœnix fire proof safes, south side, second street, between Wood and Smithfield Pittsburgh. J S Strickler having deceased and the surviving partner Mr. Jos Lippencott, having associated himself with Mr. Wm C Barr, the business will hereafter be conducted under the style of Lippencott & Barr.
Trial of a safe in Cincinnati, O.—We, the undersigned were present at the testing of one of J S Strickler & Co's improved Phœnix fire-proof safes. The safe was placed in a furnace on the public landing, and subjected to the intense heat of a stone coal fire for more than three hours. In one hour and a half the safe came to a bright red heat, the door of the furnace was then closed, which caused an increased and steady heat for the balance of the time, until the cast iron wheels were partially melted off; the furnace was then thrown down and the safe cooled and opened. The money, papers and books which it contained were as perfect as when placed there, the binding only of the books being injured by the water in cooling the safe. We have no hesitation in recommending it to the public as a safe superior to any we have ever seen tested; and believe that it will stand any heat which might be produced, except a heat which would melt it to a solid mass.

LADIES ARE CAUTIONED AGAINST USING COMMON PREPARED CHALK.
THEY are not aware how frightfully injurious it is to the skin—how coarse, how rough, how sallow, yellow and unhealthy the skin appears after using prepared chalk! Besides it is injurious, containing a large quantity of lead!
We have prepared a beautiful vegetable article, which we call JONES' SPANISH LILY WHITE. It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white; at the same time acting as a cosmetic on the skin, making it soft and smooth.
Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analyzing Jones' Spanish Lily White, I find it possesses the most beautiful and natural, and at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying." Price, 25 cents a box. Sold by WM. JACKSON, 89 Liberty st. mar22

## MEDICAL.

OVER 5,000 PERSONS in Philadelphia alone, can testify to the wonderful efficacy of that powerful remedy,
THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA,
In Pulmonary Consumption, Chronic Bronchitis and Sore Throat, Asthma, Chronic Catarrh, Spitting of Blood, Pain in the Side and Breast, Difficulty of Breathing, Whooping Cough, Croup, Weak Nerves and Nervous Tremors, Palpitation of the Heart; also, Liver Complaint and Affection of the Kidneys.
This medicine, the invention of a man who gave the subject of Pulmonary, Bronchial and Pectoral diseases the most rigid examination, has now been before the public near four years. During this period it has performed some of the most remarkable cures on record of Pulmonary Consumption—secured the recommendation and use of physicians in their practice, and the warmest approval of thousands of persons in ordinary and severe Colds, Coughs, in Hoarseness, Spitting of Blood, &c.

ASTONISHING CURES.
About four years since I was attacked with Typhus Fever, which left me in a miserable state of health, in extreme debility with a general prostration of the system, with violent pains in the breast and loss of appetite, in consequence of which I was unable to attend to my usual business, or perform any kind of work. I applied to several physicians and used various remedies, but without any benefit, and had despaired of ever obtaining a recovery of my former health. But sometime last June I was advised to try Thomson's Compound Syrup of Tar and Wood Naptha, and incredible as it may appear, by the time I had taken three bottles the debility, pain and every sense of suffering were completely removed, and I was able to attend with restored health to my usual avocations.
MARTIN CLAUDY,
Of Dickinson township, Cumberland co.
Read the following testimony from a respectable member of the Society of Friends, in Poughkeepsie, N. York.

VALUABLE TESTIMONY.
"This may certify that in the spring of 1846, my health was very feeble; I was afflicted with pain in the side, with other alarming symptoms, and suffered much from great debility. At that time I purchased from Moses Dame two bottles of Thomson's Compound Syrup of Tar and Wood Naptha, from which I experienced great benefit, my health being now good; and I cheerfully recommend the article to all persons who may be suffering with general debility, with symptoms of a decline. ARAHAM WILTSIE.

Catarrh, or common cold, which, if neglected, will terminate in Consumption, is effectually relieved and cured by Dr. Sweetser's Panacea.

Inflammation of the Tonsils or Sore Throat.—This disease often leads to serious consequences from neglect, such as ulceration of the throat. On the first symptoms, Dr. Sweetser's Panacea should be procured and used freely.
Coughs and Colds find a sovereign remedy in Dr. Sweetser's Panacea.
Pneumonia Notha.—A very fatal disease, resulting from a violent cough and cold on a debilitated or broken down constitution; aged persons are subject to it.—Dr. Sweetser's Panacea should be used on the first symptoms, which are a cough or cold.

**FALL AND SPRING MEDICINES.**
FOR invigorating the system and purifying all impurities, as a preventive precaution, DR. TAYLOR'S BALSAM OF LIVERWORT is the greatest vegetable purifier that is known. Beware of dangerous compounds that are known to contain mercury. One bottle of this possesses purifying virtues equal to a dozen bottles of common Sarsaparilla compounds, besides the prevention of consumption.
The Balsam of Liverwort will ward off that fatal disease. We know a lady who was evidently on the verge of the grave with pain in the side and chest—cough, which would come on in fits, lasting several minutes—which would have brought on quick consumption, but for the use of this Balsam, which undoubtedly saved her life. She was cured by two bottles. Try it, if you want your cough and other diseases of the lungs cured.
GREAT CURE OF CONSUMPTION.
For seven years I was afflicted with Consumption, and it seemed impossible for anything to cure me. I had all the most aggravating symptoms, as bitter sweats, raising blood, violent and distressing cough, pain in the side and chest, debility and want of appetite. I truly believe I could not have lived but for the use of Dr. Taylor's Balsam of Liverwort, which cured me of this dreadful disease. I am now almost in a blessing of God, which has saved my life by restoring me to health. ALEX. SMITH,
Sexton of Rev. Mr. Mathew's church, Chrystie st.
Extract of a letter from our New London Agent, C. CLARK. "Those who have taken your Balsam of Liverwort, speak well of it. I find nothing so good for my wife; she sometimes has very severe pains and weak turns—I give her a teaspoonful, which relieves her immediately—I have great faith in its virtues, and would not be without it in my house," &c. &c. No one can doubt the superior excellence of this medicine. Be careful and buy only at 73 Beekman st, N. Y., or of our especial agent, as counterfeits and imitations are issued in every direction.
Sold in Pittsburgh by J D Morgan, 93 Wood st; J Townsend, 45 Market st; H Smyzer, cor Market and 3d sts; Henderson & Co, 5 Liberty st. Price reduced to $1,50 per bottle. je6

HOWE'S HYGEIAN HOARHOUND & LIVERWORT Cough Candy is offered to the public as a pleasant and effective remedy for coughs, colds, hoarseness, Asthma, Phthisic, Whooping Cough, Influenza, Croup, Sore Throat, Bronchitis, and general affections of the Chest and Lungs. In such cases it is known to have afforded decided and permanent relief, and from its rapid sale and great success as a remedy for the above diseases where it has been used, it promises to become one of the most useful and popular medicines. It is offered also, as a pleasant relief to the consumptive, and an assistant to vocalists and public speakers generally.
The name of the preparation indicates its leading ingredient, and it will be found to be by no means unpleasant to the taste, and may be used by children and adults with entire impunity. The materials used in the preparation are of the best quality, and it may be relied on that every article is pure and genuine. Families would no doubt promote their comfort and health by keeping a supply, especially in the season of colds.
This valuable Cough Candy is considered a great safeguard by Mothers; being superior to all the patent Balsams in Juniata creation, as children were never known to cry when this article was offered, except for more. A trial of this article will convince any person of its excellence, and the proprietors therefore deny any person in the United States to produce a cheaper, more pleasant, or effective remedy.

**Scratch! Scratch!!**
TETTER, ITCH, SALT, RHEUM, &c.—Who would for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.
'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, (for decency sake,) when in company. Let it be remembered that Dr LEIDY'S TETTER and ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured by Dr. Leidy's Tetter and Itch ointment, unless the whole system is impregnated by the diseased humors which will be completely carried off from the system by Dr Leidy's blood pills, and the surface of the skin healed by the ointment. Price of ointment 25 cents.

B. A. FAHNESTOCK'S Pneumonic or Cough Balsam has a great advantage over many other cough preparations, as its pleasant taste permits it to be used without inconvenience. But its value as a Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running on for a considerable length of time, yield almost immediately to its power.
In such weather as we have had during the past winter, every one is liable to take cold, unless great precautions are used.
Wet feet and undue exposure to the inclemency of the weather often lays the foundation of a hacking cough, which needs a quick remedy to prevent serious results.
We have numerous certificates of cures which it has performed, many of which are from persons in this city and the neighborhood, and they are a sufficient reference without saying another word in its favor.

**Dr. W. P. Inland's Premium Plaster.**
DR. W. P. INLAND, of the Medical College of Philadelphia, now offers to the public his Indian Vegetable Premium Plaster, the qualities of which, after long and tried experience, has been satisfactorily established. To all women who may be afflicted with Prolapsus Uteria or Fallen Womb, he recommends his plaster, guaranteeing a sure and speedy cure in the short space of from two to three weeks, if applied with care and rest—discarding all the countless instruments and expensive bandages so long in use. This he feels conscientious in stating, inasmuch as he has not failed in one case out of three hundred and fifty-three patients.
Also for Rheumatism and Weak Breast or Back, attended with pain, there is nothing to excel this Plaster in affording relief or effecting a cure. For sale by

NEVER permit any one to palm off upon you the various worthless mixtures prepared by men who, ignorant of the virtues of medicines, and unacquainted with the principles of compounding them, seek only to fill their pockets with unlawful gain. B. A. Fahnestock's Vermifuge has for many years been known to the public as a destroyer of worms, and as such, has always maintained the highest reputation, and has been considered by the people as the only medicine that will certainly expel worms. If they exist in the system, they are brought out without fail. None are genuine, unless the name of B. A. Fahnestock, Pittsburgh, Pa., is on the wrappers. my31

TENIA, OR TAPE WORMS, frequently infest the intestines of the adult. They are often of enormous size and length, causing great pain and tenderness in the stomach. The general health becomes deranged, the system enfeebled, and the symptoms are continually aggravating, until relief or death terminates the sufferings. B A Fahnestock's Vermifuge, prepared at Pittsburgh, Pa., is the best remedy in this case. The worm, after being destroyed, will be discharged in detached portions, and a speedy relief will be obtained. my11
