Advertisements not inserted for a spec field time will invariably be charged until ordered ou York Commercial, of the same date with the above, remarks as follows: The state of affairs is certainly very promising for an adjustment of the controversy on the terms of this bill. Upon comparing, the surprising fact that both the New England Whige so is the commit-tee concurred in the so called compromise, with the known views and feelings of the Northern members in the House, whose position should make them the most uncompromising opposed to any extension of alavery whatever, the conclusion is irresistible that it will pass both houses by very large majorities, and that the struggle will not be so serious after all. Indeed the result of a scrutiny founded on these considerations leaves as the only opponents of the bill Messrs. Dix and Niles, and the comparatively small number of Democrats, in MONDAY PACKET. i-compromise line. nelusion, Mr. C. entreated that the bill

under wlich some of its provisions will be admin-intered. Mr. Calhoun and Mr. Atchison were reluctant to concer in the appeal power to the Supreme Court. At one of the suing/of the Committee, bott Ser-ators refused to concur in any such provision; but at a subsequent session, finding their decision wholly irreconcilable with common custom and some fully the yielded to the appeal to the Supreme Court. The Southern men of the Calhoun school wooll have appointed certain judges, and allowed their action to have controlled all matters of interial action-The final jurisdiction² the selection of the selection of M. Marie, the late Minister of Public Works, to the optimed and of the press. The great suffy of the Bill, if there is safety in it, which I sometimes more than doub, is three fold: *First*. That Congress can alone at upon the

it, which I somptimes more than doubt, is three fold: First, That Congress can alone act upon the subject of Slavery in the Territories, and must thus approve or disapprove of all tars which are insti-luted for the government of the people. Secondly, The power of appeal from the Dutriet to the State Cours, and from the Judges to the Sa-preme Court of the U. S. What have previously asserted in regard to the action of the Cours upon the subject of alvery, T find abundisatly confirmed upon investigation. The opinion of Judge Bronzon, of New York, quoted in the Express of Thursday versing, is confirming in part, and I might refor you to a decision even in the Louisiana Courts to the effect that a lave taken out of the country, (from Louisianato France) was upon his return declared to be free by the Loui-iana Courts. The ground of the decision was that this freedom was incident to exparitation beyond the State. The slaves were made free by going to free territory with the voluntary consent of the master. There are very many decisions in har-mony with thm. lected, was use rinance number in the riormouse Government, as it was first formed in February, from which he retired in consequence of the stamp duty on newspapers having been abolished against his wish, soris to leave him unable to see his way. He was succeeded by M. Garnier Pages. The seizure of the rail roads is for the present abandoned, but M. Goudchaux maintains the right of the Government to take that step, if it be deem-ed neocarty.

the State. The surves voluntary consent of the green master. The surve of the Government to take that step, if it to use it. Survey with this and the survey many decisions in has of the Government to take that step, if it to use of the Government of the Government

An array of 30,000 men will be encamped near Parts, probably at St. Mayer, near Vincennes. From Spain, we learn the exportation of specie had been prohibited. The government did not be rented upon, whatever may be indugen with re-gard to progress. This state of things may probably last for two or three months, and if surprise should be felt at the idea of a political condution of any one kind being now tolerated in France for so long a time, it must be borne in mind that the movement party hink seriously of Cabrera's entrance into Calelonn travellers are allowed to take with them 620 eac the Motemoluris are rising at Bergara. he Motemolurts are rising at Bergara. Bremen, July 4.--Discount 3; per cent., Ham-urgh do. 2 per cent. The election of the Arch Duke John as Regent

formany, and the expected settlement of the lolstein question, had given an impulse to busi-eas, and caused a rise in the Funds of two per cent The Branch Bank of France, at Bordeaux, ha-declared a dividend, on their first yearly meeting of thirty frances per share, payable immediately. The operations of the National Bank of Discount Lyons, had only done business to the exten-00,000 for the three months of its existence. Our Book Table.

PIONEER HISTORY, being an account of the first examinations of the Ohio Valley, and the Early Settlement of the North West Territory. By S. F HILDERTH, Cincinnali; H. W. Derby & Co., Pub This large and handsome volume, on a subje

clined acceding to the proposition to extend the discussion had been allowed, its french, if it had any, would stand by and press it to a vote at the carliest possible moment.
Mr. Niles inquired of the genuleman from Dela, ware whether the bill affirmed the power of Congress to legislate for the Territories. He lake it question involved was proposed in the bill.
Mr. Clapton replied The bill neither affirmed the power of Congress to legislate for the Territories. It left that question to be decided by the proper constitutional power—the highest judical tribunal known to the constitution; and there, and we hall ever hear of un detail, were to denied the power of Congress to legislate for the Territories. It left that question involves a was the compromise.
Alter further debate, in which Mears. Niles, Claw, Balwin, and Hale participated, the question involves and and media area to gene and the state of size makes at unnecessary for ther carbon, Corsvin, Clayton, Phelps, West orkin, Baiwin, and Hale participated, the question involves a was disagreed to, by yeas 17, nays 37, at follow.
