MEDICAL.

TO THE PROFESSORS AND MEMBERS OF THE MEDICAL SOCIETIES,
AND TO EVERY
Mother, Wife and Daughter
IN THE UNITED STATES.—The subscriber respectfully calls your attention to Dr BARRETT'S GUARDIAN, expressly intended for the preservation of the health of both sexes—whether it arises from Incipient Phthisis, or early consumption, Debility of the Lungs, Bronchial Affections, Asthma, Pleurisy, Deranged and Disordered state of the Liver, Spleen, or Kidneys, Diseased Spine, Cholic, Dyspepsia, Palpitation of the Heart, Loss of Muscular or Nervous Power, &c. &c.

DR. C. B. BARRETT'S GUARDIAN comes to the immediate relief of Females suffering from Irregularities, and all other Uterine difficulties and diseases incidental to woman, whether occasioned by cold, wet feet, or any sumilar injudicious exposure, and all this without the use of medicine: as the most delicate and sensitive lady can at any moment apply it to herself without the possibility of incurring any risk or danger, or any unpleasant results arising from it, and with the certainty of obtaining immediate relief.

Dr. Barrett's Guardian is no catch-penny, or one of the many humbugs of the day; but it is an instrument made upon strictly scientific principles, in accordance with the laws of Electricity and Galvanism; and for neatness, durability and efficacy, infinitely surpasses everything of the kind ever before offered to the public for the relief of disease, and, in the language of one of the most enlightened men of the day, is pronounced to be "the greatest discovery of the age."

A period of no less than four years has been occupied by Dr. Barrett in bringing the Guardian to its present state of perfection—during which time it has been in the hands of some of the most eminent physicians of the North and South, as well as in the dwellings of numerous families, who have used it for all of the above purposes, with the most perfect success, and who have cheerfully given their unqualified approbation of its efficacy and value, as can be seen by referring to the Manual of Instructions accompanying it.

Dr. C. B. Barrett's Guardian is secured from imitations by a patent from the United States Patent Office, and he has likewise taken out a patent in England.

The Medico-Electro Galvanometer, in point of beauty, workmanship, durability and power, cannot be surpassed or even equalled, and the subscriber feels that he hazards nothing in the assertion that it will be found to possess more power and efficacy in the treatment and removal of diseases, by Galvanism and Electricity, than any other instrument either in the United States or Europe. The Medico-Electro Galvanometer is warranted in every respect, and with common ordinary care will last a life-time, and is by far the cheapest, because the best, instrument ever offered to the public. A manual accompanies them, giving the most ample instructions, of practical experience, so that it is readily intelligible to the mind of every one, while the new style of arrangement is such that a child may be entrusted with it.

Any information gratuitously given, and all communications cheerfully answered per mail, either in relation to the Electro-Galvanometer or Guardian.

Medical men are invited to call and examine Dr Barrett's Guardian, and test its efficacy.

OVER 5,000 PERSONS in Philadelphia alone, can testify to the wonderful efficacy of that powerful remedy,
THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA.
In Pulmonary Consumption, Chronic Bronchitis and Sore Throat, Asthma, Chronic Catarrh, Spitting of Blood, Pain in the Side and Breast, Difficulty of Breathing, Whooping Cough, Croup, Weak Nerves and Nervous Tremors, Palpitation of the Heart; also, Liver Complaint and Affection of the Kidneys.

This medicine, the invention of a man who gave the subject of Pulmonary, Bronchial and Pectoral diseases the most diligent examination, has now been before the public near four years. During this period it has performed some of the most remarkable cures on record of Pulmonary Consumption—secured the recommendation and use of physicians in their practice, and the warmest approval of thousands of persons in ordinary and severe Colds, Coughs, in Hoarseness, Spitting of Blood, &c.

ASTONISHING CURES.

About four years since I was attacked with Typhus Fever, which left me in a miserable state of health, in extreme debility with a general prostration of the system, with violent pains in the breast and loss of appetite, in consequence of which I was unable to attend to my usual business, or perform any kind of work. I applied to several physicians and used various remedies, but without any benefit, and had despaired of ever obtaining a recovery of my former health, when some time last June I was advised to try Thomson's Compound Syrup of Tar and Wood Naphtha, and incredible as it may appear, by the time I had taken three bottles the debility, pain and every sense of suffering were completely removed, and I was able to attend with restored health to my usual avocations.

At that time I purchased from Moses Dunbar (one of Thomson's Compound Syrup of Tar and Wood Naphta, from which I experienced great benefit, my health being now good, and I cheerfully recommend the article to all persons who may be suffering with general debility, or any symptoms of a decline. SALTER'S
GINSENG PANACEA!
TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the
GINSENG PANACEA
in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this
WONDERFUL PREPARATION.
The changeable weather which marks our fall and winter months, is always a fruitful source of
COLDS AND COUGHS.
These, if neglected, are but the precursors of that fell destroyer,
CONSUMPTION.
The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

THE GREAT AND ONLY REMEDY
will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. To these we add the testimony of ten thousand others in all parts of the country—from
MEDICAL MEN OF THE FIRST STANDING,
Ministers of the Gospel, &c., together with copious notices from the
JOURNALS OF THE DAY,
we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.
HUNDREDS OF BOTTLES
have been sold in this city.
THOUSANDS AND TENS OF THOUSANDS throughout the United States and Canada, and we challenge any man to point out a
SINGLE INSTANCE
in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to
EFFECT A PERFECT CURE.
Why, then, need the afflicted hesitate? why resort to the miserable nostrums, gotten up by unprincipled individuals under the assumed name of some celebrated physician, and palmed off on notoriety by certificates of persons equally unknown? Whilst a medicine of
UNPARALLELED EFFICACY
is to be had, whose vouchers are at home,—our neighbors,—many of whom it has
SNATCHED FROM THE GRAVE.
In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at
ONLY FIFTY CENTS,
just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it.
Broadway, Cincinnati, Ohio.

A MERCHANT OF THIS CITY, who had been afflicted with the asthma for four years, had taken almost every thing His physicians constantly attended him, and he had expended over two thousand dollars. He never believed in advertised medicines, but considered them all humbugs. At last he tried Dr. Taylor's Balsam of Liverwort, from 73 Beekman street, New York, and in SIX weeks entirely cured him by using taken only three bottles. This is only one of many cases where imaginary objections to a patent medicine have prevented persons from using this invaluable; who have expended hundreds of dollars to their physicians in vain—and in the end owe their recovery to the infallible efficacy of this purely vegetable preparation. There is no mistake, that this medicine is superior to any remedy prescribed by medical advisers. This medicine has taken 20 years to mature, and is the surest remedy for diseases ever introduced to the public.

RHEUMATIC PAINS, COUGH, AND SHORTNESS OF BREATH CURED!—Suffering for a long time with these complains, I had given up all hope of being cured. I had consulted the botanic and homeopathic doctors in vain. I had used many articles advertised, but found no relief. In despair I had given up the use of all medicines. Hearing of the great virtue of Dr. Taylor's Balsam of Liverwort, and the great cures it had performed, induced me to try it, and to my great joy and astonishment, I was better daily. I continued its use, also his Pain Expeller. Coated Pills, until I am entirely cured. Dr Taylor's Balsam of Liverwort is the best medicine in the world for those complaints, and will cure any one afflicted.

ASTHMA CURED.—I have suffered from the Asthma a very long time, and have used every medicine I could obtain for its cure in vain, until I tried Dr. Taylor's Balsam of Liverwort. This medicine has afforded me the most manifest benefit, and is, in my opinion, a sure cure for this distressing disease; more especially, as I know of many cases among my friends, where it has been highly successful. Persons interested are invited to call at my residence for further information.

MORGAN'S COUGH SYRUP—It proved to be the great Panacea in curing my child's distressing cough.

From the Temperance Banner, Nov 3 1847.

COUGH SYRUP.—We are not in the habit of puffing much less taking patent medicines, but we feel disposed to recommend M Morgan's Syrup to those who are afflicted with a cough. After having tried the usual remedies to remove a constant and distressing cough, that had for several days afflicted one of our children, without success, we were induced to try Morgan's cough syrup, and by it relief was obtained in a few hours. It proved to be the panacea in this case at least.

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNES' EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

JAYNE'S HAIR TONIC.—After giving this article a trial, we unhesitatingly pronounce it to be what it professes—the best article, without any exception, in use, for the restoration and preservation of the human hair. MORGAN'S WORM KILLER is far superior to all other remedies for Worms.

June 14th, 1848.

This may certify that I gave to two of my children, three and five years old, one teaspoonful of Morgan's Worm Killer, to each of them. The youngest passed 36 large worms, the smallest could not be measured less than seven inches. The eldest passed a large number that we could not begin to count them. I have used all the popular remedies before the public for worms, but can say with a clear conscience, Morgan's Worm Killer is far superior to any now before the public.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best
SPRING AND SUMMER MEDICINES
Ever known; it not only purifies the whole system, and strengthens the person, but it *creates new, pure and rich blood*, a power possessed by no other medicine. And in the lies the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any
Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of blood, Soreness in the Chest, Acute Pain, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Scrofula Cured.

Dr. TOWNSEND.—I verily believe that your Sarsaparilla has been the means through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Gravel, Pain in the Kidneys, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or cause produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and debility from taking it, at once become robust and full of energy under its influence. It immediately counteracts the oppressiveness of the female frame, which is the great cause of Barrenness. It will not be expected of us in case of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that thousands of cases have been performed in this country of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life,*" should neglect to take it, as it is a certain preventive for one of the most numerous and horrible diseases to which females are subject at this time of life. This period may *be delayed for several years by using this medicine*, and at all times it is valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies, by restoring the nervous power of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it a indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in rectifying the secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open air, and light food with the medicine, will always ensure a safe and easy confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face very soon spoil it of its beauty. They close the pores of the skin, and check its perspiration, which, when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in soaps, beautifies its own production in the "human face Divine," as well as in the tender and rich and delicately tinted and variegated flowers. A free, active and healthy circulation of the fluids, or the coursing of the pure, rich blood to the extremities, is that which makes the countenance to have a genuine beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature—not of *powder or soap*. If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if the paint, and powder conceal and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies are so much admired. Ladies in the north who take but little exercise, confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain elasticity of step, brilliancy of eye, and beautiful complexions, they should use Dr Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station, crowd our office daily

Notice to the Ladies.

Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff a *great Remedy for Fy nadice, &c. &c.*, and have copied our bills and circulars which relates to the complaints of women, word for word —other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in curing all complaints incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they greatly weaken, impair and undermine the constitution. Dr. Townsend's is the only and best remedy for the numerous female complaints—and positively, *it never fails* effecting a permanent cure. It can be taken by the most delicate female, in any case, or by those expecting to become mothers, with the greatest advantages, as it prepares the system and prevents pain, sickness and debility, during both mother and child. Be careful to get the genuine.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children.

DR. TOWNSEND—Dear Sir; I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad Sores; have taken only four bottles, which them away, for which I feel myself under great obligation.

Yours, respectfully,

Opinions of Physicians.

Dr Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr Townsend's Sarsaparilla, and have found it to be one of the most valuable preparations in the market.

CAUTION.

Owing to the great success and immense sale of Dr Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements—they are only worthless imitations, and should be avoided.

Principal Office, 126 FULTON Street, Sun Building, N. Y.; Redding & Co, 8 State street, Boston; Dyott & Sons, 132 North Second street, Philadelphia. S. S. Hance, Druggist, Baltimore; P. M. Cohen, Charleston; Wright & Co, 151 Chartres Street, N. O. Remember the name Pearl Street, Albany; and by all the principal Druggists and Merchants generally throughout the United States, West Indies and the Canadas.

N. B.—Persons inquiring for this medicine, should not be induced to take any other. Druggists put up Sarsaparillas, and of course prefer selling their own. Do not be deceived by any one who may inquire for Dr Townsend's, and take no other. Remember the name the "Townsend's Sarsaparilla," sold by the sole agents R. E. SELLERS, General Wholesale & Retail Agent No. 57 Wood street, and D. M CURRY, Allegheny city. jy26

PEACE! PEACE!!
NOT IN MEXICO,
BUT IN EVERY MOTHER'S HOMESTEAD

The Infant Panacea has been fully tested and tried, the last twelve months, by numerous persons, and found to possess all the extraordinary virtues, and to produce all the astonishing effects as set forth on the bill of directions. Inarrhœa, Vomiting, Cholic, Griping, Pains, Sickness and Diseases arising from Teething, acting immediately without disturbing any of the functions of the body; producing the happiest and most pleasant transition from violent pain to a tranquil and joyous state of feeling in the little sufferer.

SPITTING BLOOD.

New York, April 28 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 65 Catherine-st.

Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Gravel, Pain in the Kidneys, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or cause produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and debility from taking it, at once become robust and full of energy under its influence. It immediately counteracts the oppressiveness of the female frame, which is the great cause of Barrenness. It will not be expected of us in case of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that thousands of cases have been performed in this country of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life,*" should neglect to take it, as it is a certain preventive for one of the most numerous and horrible diseases to which females are subject at this time of life. This period may *be delayed for several years by using this medicine*, and at all times it is val
