for these complaints, and will eure

Wiggrest Panacea in curing my child's distressing second.

From the Temperance Banner, Nov 3 1847.

Coron Favarry—We are not in the habit of puffing, who has taking patent medicines, but we feel disposed to reterminent florgan's Syrap to those who are sufficient with a cough. After having trade the usual remains to remove a constant and distressing, cough, that had for several days afflicted one of our children, with had for several days afflicted one of our children, with had for several days afflicted one of our children, with had for several days afflicted one of our children, with had for several days afflicted one of our children, with had for several days afflicted one of our children, with had for several days afflicted one of our children, with had been dependent on the control of the children o

MEDICAL. IIIIIIIIIII 

DR. TOWNSEND'S SARSAPARILLA.

Wonder and Blessing of the Age.
The most extraordinary Medicine in the World!
This Extract is put up in Quart Entitles: it is at times clacery, pleasanter, and surrounted experior to any sold. It cares without vonting, perging, sickening or distillating the Patient.

perior to sing sold. It cares solded venerity, perior, stekening endebtliating the period of the service of a sold literage the service of th

SPITTING BLOOD. SPITTING BLOOD.

New York, April 29, 1947.

Dr. Townseno—I vertly bellave that your Sarraparilla has been the means, through Providence of earing my life. I have for several years had a bad Cough. It because worse and worse. At least fraised large quantiles of blood, had hight Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used year Sarraparilla a short time, and there has a wonderfolt change been wrought in me. I am now able to walk all over the city. I raise no blood, and my couch has left me. You can well imagine that I am time-inful for these results.

Your obsidient servant,

WM. RUSSELL, 65 Catherino-st.

Will RUSSELL, 65 Catherino-st.

Founder Modelcine.

Dr. Townsend Sarasparella is a sovereign and speedy two for Incipient Consumption, Barrenness, Prolapuse Units, or Falling of the Womb, Costirusess, Piles, Livertriers, or Whites, obstructed or difficult Mentrustron, Incontinence of Urins, or involuntary discharge theoreof and for the general prostration of the system—no matter whether the result of fisherent causes or cause, produced by irregularity, illeass or socident. Nothing san be more suprising than its instynating effects out the human frame. Persons all weakness and lessified, from taking it, at once become robust and full of rivery under its influence. It immediately counteracts the carrelearness of the fennels frame, which is the great cause of Barrenness. It will not be expected of us, in cares of so delicate a nature, to subhit certificates of cures performed but we can assure the afficted, that itundreds of cases have been reported to as. Thousand of cases where families have been without chiffers, there used in the production of the invaluable medicine, have been blemed with fine, healthy offspring.

siter using a few bottles of this invaluable medicine, there been blessed with fine, healthy offapring.

To Hethers and Married Lindies.

This Extract of Saraparilla has been approach prepared in reference to female compliants. No female who has reason to suppose the is approaching that critical period. The term of tight, should angled the native of the state of the

the "human face Divine." as well as in the garden of treb and delicately inted and variagated flowers. A fire, active and healthy circulation of the dude, or the counting of the pore, rich blood to the sextremition that which paints the countenants the indescribable that which paints the countenants the indescribable that be sent. It is that forestines that all admire, but the beatty in the different paints the countenants and indescribable that is and father. This beauty is the offspring of seminant can fraged for the past, and are connected, and the blood is thick, cold and impure, she is a fire as dipres snow, if a he past, and are connected, and the blood is thick, cold and impure, she is the solid, if the be brown or yellow, and there is pare and active blood, it gives a rich bloom to the cheeks, and a brilliancy of their gree that is faccinating.

This is why the southern, and expectably the Spanish indice, are so much admired are confined in close that is the senting of the part of the control of the con

Scriber and child. Be careful to get the grauine.

Scrofals Cured.

This certificate conclusively proves that this Saraparulls has perfect control over the most obstinate disrange of the second of t

Opinions of Physicians.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Barasparatile, and bulleve it to be one of the most valuable preparations in the market one of the most valuable preparations in the market.
