this medicine is unvitable for all the delicate diseato which woman are subject.

It braces the whole system, renews permanently the
result of the woman are subject to the properties of the
body, not so far stimulating as to produce subsequent
relaxation, which is the case of most medicines taken for
female, weakness and disease. By using a few bottles of
this medicine, mays extract and painful surgical operations may be prevented. member of the Society of Friends, in Toughteepre, N. York.

VALUABLE TESTIMONY

"This may certify that in the spring of 1846, my health was very feeble; I was affined with pain in the side, with other standard and surprise and suffered much from great debility. At that tume I purchased from Moses Dame two bodies of Thomson's Compound Systems of the standard standard from the standard sta this medicine, many acrees and painted completed open and the medicine, many between defected medicine for parifying the system and relief the medicine for parifying the cystem, and relieving the ordering strengthen both the mother and child, prevents pain and disease, the remains and child, prevents pain and disease, the remains and cariches the food, these who have used it are more and cariches the food, these who have used it are more and cariches the food, these who have used it are all the confinement, as in prevents of the disease, the remains a confinement of the prevents of the second in spon childbirth—in Contiveness, Piles, Cramps, Swelling of the Feet, Desponderoy, Hearthern, Vomittes, Paus in the Back and Loim, Palse Pains, Hemorrhage and its recluding the screen of the prevents of the medicine is to always and, and the most delients use a most reaccessfully, were few most require any other medicine, in some a little Conter Oil, or Magnesia, is sufficient. Exercise in the open air, and light food with the solicited of the second of the most little of the most little of the second of the secon SALTER'S GINSENG PANACEA! TO THOSE SUFFERING WITH DISEASEI LUNGS.—The unprecedented success which has tended the use of the GNSENG PANACEA all the virus forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this sumes, has induced the proprietor again to call attention to this
WONDERFUL PREPARATION.
The changable weather which marks our fall and winter months, is always a fruitful source of
WOOLDS AND COUGHS.
Thase, if neglected, are but the precursors of that fell destroyer. Arose, if neglected, are but the precursors of that fel destroyer,

COSUMPTION.

The question, then, how shall we nip the destroyer in the buff how shall we get clear of our coughs and oldst is of viasi importance to the public will be found in the Ginsong Panacca. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its currative powers. These, with minas of test timouy from all parts of the courty of read that the proof of the Courty for the Courty JOURNALS OF THE DAY. we have embodied in pamphlet form, and may be had gratin of any of our agents throughout the country. HUNDREDS OF BOTTLES have been used in this city.

THOUSANDS AND TENS OF THOUSANDS ever failed to the personne fatally disorganize the perfect A PERFECT CURE.
Why, then, need the afflicted hesitate? Why, then, need the afflicted hesitate! why is the mis-rable nostrums, gotten up by using a mala when the mershelp note that the marked particular and particular and particular and particular and particular and particular and unknown! Whilst a medicine of some equally unknown! Whilst a medicine of some equally unknown! Whilst a medicine of some equally unknown! ELEED EFFICACY is to be had, whose vouchers are at home,—our home,—our work of whom it was INPARALLELED EFFICACY
is to be had, whose vonchers are at home,—our neigh
bors,—many of whom it has
SNATCHED FROM THE GRAVE.
In order that this invaluable medicine may be place
within the reach of the poor as well the rich, we have
put the price at

Benuty and Health.

Gometics, Chilk, and a variety of preparations graceistic nearly to the face, very soon spotl it of its beauty. They close the porce of the skin and heck the circulation, which when nature is not thurst-cley disease or powder, or the skin inflamed by the skiller used in snape, beautifies its own production is skiller used in snape, beautifies its own production of control of the skin shaller used in snape, beautifies its own production of the skiller used and health circuits its not a most exquisite of the pure, rich blood to the extremines, is that which paint the countenance in the most exquisite beauty. It is that which happara the indesemble standes and fashes of loveliness, that all admire, but since and dashes of loveliness that all admire, but since and dashes of loveliness that all admire, but since and fashes of loveliness that all admire, but since and dashes of loveliness that all admire, but some cast describe. This beauty is the offspring of asters—out of prosider or sees. If there is not a five and levilley directation, there is no beauty. If the lady is fair as driven anney, if the print, and our cometics, the standard of the production of the print and our cometics. ters—not of possible or seep. If there is not a tree and twelthy circulation, there is no beauty. If the lady is fair as driven snow, if she paint, and use connection, the control of the ther and child. Be careful to get the genuine.

This certificate conclusively proves that this Sarasillia ban perfect control over the most obstinate discres of the Blood. Three persons evered is one bousin-precedented.

Three Children.

It Towns-Dear Bir: I have the pleasure to
the the strength of the property of the contraction to that by the flar children have been curred

SPITTING BLOOD.

OP. TOWERSEM.—I welly bolizes that your Suraparilla has been the means, through Providence, of saving
my life. I have for several years had a bad Cough. It
became sorie and worse. At least I resided large quantitier of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have
ouly used your Saraparilla a short time, and there has
a wonderful change beas wrought its me. I am now able
to walk all over the city. I raise no blood, and my
cough has left me. You can well imagine that I are
received for these results.

Your obedient servant.
