PITTSBURGH BOARD OF TRADE
COMMITTEE FOR AUGUST.
JAS. MARSHALL, 4TH WARD. GEO. WEYMAN

Office of the Pittsburgh Gazette,
Tuesday Morning, August 22, 1848.

In reviewing yesterday's transactions in the market, we have few, if any important changes to notice. The market was generally very quiet, and sales were confined, mainly, to the regular trade demand.

The weather for several days has been cool and pleasant, and rain in the line which bare fall, on the river is gradually rising again with nearly two feet water in channel.

FLOUR.—The receipts continue light, and sales, either from first hands or from store, have been very limited. We quote sales on the wharf of 100 bbls at $4 87, and of 50 bbls at $4 92. In store, lots of Anchor's brands, Limited sales are effected from store at $5 00 a bbl, with occasional small sales of choice brands at $5 06 a bbl.

GRAIN—Receipts have been light, and very little is doing to the market. Of wheat small sales have occurred from store at 60c a 5c. Of Rye we hear of no sales. Barley is held at 50c a 55, but sales have been very light at that rate. Sales of corn at 35c, and of oats at 27c a 28c from store.

Sales of loaf sugar at 8 3-4c a 9c. Sales of N O molasses at 27 a 28c as to quality. Rio coffee cost 9c, sold at 9½ a 10c as to quality.

PROVISIONS—The market is without change. Best city cured bacon, from smoke house at, for shoulders, 4c; sides 5½ and hams at 6c a 6½. Sales of pickle western at, for shoulders, 4c; sides 4½c, and hams at 6c a 6½.

For St Louis—It will be seen, by advertisement that the fine steamer New England, Capt McClure, will leave for St Louis on Thursday next. A fine opportunity is there offered to all who may be going that way.

Spirit of the Domestic Market.

The market is extremely active to day in the trade to the country than it has been for some time previous. The weather has been unusually warm, but this evening we had a fine shower of rain. The river is receding fast and freights are enhanced.

FEVER AND AGUE, AND BILIOUS COMPLAINTS.—Although long known as a specific for the above and kindred complaints of "Hepatic derangement," the proprietors of Dr. M'Lane's Liver Pills were not prepared for the following gratifying evidence of its speedy and curative powers in Ague and Fever, and Bilious complaints:

"MADISONBURG, Nov. 29, 1847.

"Messrs. Kidd & Co.—About one year I was laboring under a severe attack of Fever and Ague, which baffled by the use of M'Lane's Liver Pills I was soon restored to perfect health. I believe them to be the best medicine for the purpose now in use, and have never been afflicted a day since. Yours, &c. JAMES SHARPE?

Salt Rheum, Scurvy, Old Sores, Erysipelas Barber's Itch, Chaps, Sore Hands, Sore Breasts, Pimples.

James' Soap is used by many physicians in this city in curing the above, and we would not conscientiously sell quires we knew it to be the case.

As a cosmetic, the true Jones' Soap is perhaps the only article ever known that removed impurities and clearing and whitening the skin, making it beautifully smooth and white as an infant's. Sold by WM. JACKSON, 99 Liberty street.

Worms, by their irritation, augment the secretion of mucous or slime in the stomach in which, if so, they involve themselves, and it is said they feed upon it and dispersed of it they die. The celebrated Vermifuge prepared by H. FARNESTOCK, Pittsburgh, Pa., is admirably adapted in its operation, first to remove the processing mucus, and secondly, to expel the worms. Relief is helpless and cannot be long thus denied. This a remedy in which every confidence can be placed, and that it has answered the purpose is manifest from the hundreds of certificates given in its favor.

Don't have a foul Breath—If you have, use a two shilling bottle of Jones' Amber Tooth Paste. This will make your breath sweet, white your teeth, & be sold at 99 Liberty st.

Battle of Silevenamon!

GREAT SLAUGHTER OF TROOPS!

MEAGHER AND DILLON WOUNDED!!!

The English General, Gen. McDonald Killed!

Troops Fraternizing with the People!

Correspondence of the Pittsburgh Gazette.

PHILADELPHIA, Aug. 22, 12 M.

The following important and exciting intelligence from Ireland, is contained in the New York Tribune, of this (Monday) morning.

It comes from their Secret Correspondent in Dublin.

DUBLIN, Aug. 8, 1848.

The Patriotic newspapers here dare not publish the truth concerning the Battle of Silevenamon.

From all we can learn, the people have achieved a great victory.

Gen. O'Donnel, Commander of the Government forces was killed.

It is confidently stated, that six thousand British troops have been killed and wounded.

The road for three miles is covered with the dead.

The third (Buffs) Regiment of Infantry, turned and fought with the People.

The people of Dublin have gone in thousands and are going in thousands to assist the country.

Mr. John B. Dillon was wounded in both legs—Mr. Meagher was wounded in both arms.

It is generally expected that the people of Dublin will rise and attack the Jails.

The Third Regiment at Athlone fought with the People.

O'Brien has 60,000 men around him.

GREAT IRISH MEETING!

Philadelphia, Aug. 21, 4 o'clock, P. M.

The exciting and soul stirring news in the New York Tribune, of this morning, has caused the most extravagant feeling amongst our citizens.—The Chinese Museum is filled to overflowing.—The largest meeting ever held is now in session.—A large sum of money collected—speeches made, and resolutions adopted sympathising with the Irish People in their fearful struggle for liberty.

Correspondence of the Pittsburgh Gazette.

PHILADELPHIA, Aug. 21, 1848.

The sales of to day are unimportant. Flour is held at Saturday's prices. Grain—We have no change to note. The Foreign News, as is always the case, unsettles every thing for a few days.

The excitement in regard to the Irish news, is great, I believe, than that experienced in this city at the news of the French Revolution. Demonstration after demonstration is held, and the strongest feeling of sympathy pervades our whole community.

Correspondence of the Pittsburgh Gazette.

NEW YORK, Aug 21, 1848.

Our markets are inactive. The Irish news occupies the entire attention of the public.

Monday next being a day on which quotations can be relied upon, we forbear giving figures—Saturday's prices will be a correct and sure guide for transactions. Flour, if any thing, is easier.

Destructive Gale.—The large, heaving factory on the corner of Penn street and Sixth street was demolished by the gale this morning. The fact is still rising as our paper is going to press. Some sixty or seventy persons are thrown out of employment by this calamity. The factory had but lately commenced operations, after having been idle for several months.—Louisville Journal, Aug. 19.
