nine millions of dollars. It not this a goody fleet, and an enterprize worthy of the Commercial Emporium of the New World!

The relitins from Vermont look well, and the Legislature sound Whig to the core, and the Whig Governor probably elected by the people. The result is better than was anticipated, and promises gloriously for November, when the field is taken in earneast by the heavy troops.

Money grows a little scarcer, and brokers are calting in short loans made at 6 per cent, to relet at about 7 per cent, and five days notices. Best auctioneers paper sells at 10 per cent—rised one per cent, and ordinary paper 14611 per cent a month. Operators in Breadstuffs are now pressing the banks for loans, and stingether, the demand for money on all sides has increased. Stocks are rather doll at the close, and fancies cheaper, though sound kinds maintain previous figures. Treastry Notes 1031. The Secratary of the Treastry is to the public loan for the present, as the-subtreasury has now two millions of coin, and will have much more soon. The Washington's carge will regive 3250,000, and the packets a round sum besides. There has been an advance of 1c. in augar, with large sales, but other than this, groceries are without change.
