rday, that some further difficulty had arise: to only one mill, and we trust the good sense of the have assured us that they cannot, and the fact that castern mills are obliged to stop at twelve hours at day, shows they cannot. The operatives, then, in saking the twelve hour wages for the ten hours work, require of the proprietors an impossibilit. We hope, therefore, for their own sakes, that the constantives will be content with the winter that the constantives will be content with the winter that the constantives will be content with the winter that the constantive will be content with the winter that the content with the winter that the world of the Millenium. Why don't these Sophomores work and the weather—there will be no cry to have a day to have a day to have a same need no night ponce—no watchmen to cry the hour and the weather—there will be no cry to have a day the hours and the weather—there will be no cry to have a day the hour and the weather—there will be no cry to hours—no Misyor's Court—no gan light,—in fine, no nothing after dark. Surely this would be the Millenium. Why don't these Sophomores work proposed to the weather—there will be no cry to hours—no Misyor's Court—no gan light,—in fine, no nothing after dark. Surely this would be the Millenium. Why don't these Sophomores work proposed to the mine the content of the proposed to the mine the content of the proposed to operatives will be content with the victory they have tremity as to deprive both themselves and the proprietors of the benefits which a mutual and friends
ly understanding will give.

DELICIOUS GRAPES -- Mr. Wm. Martin, who is truly distinguished in his profession as a horticular these modern philosophers make themselves and truly distinguished in his profession as a horticular the world what they should be by a similar of the finest grapes we have such as the same of the finest grapes we have such as the same of the finest grapes we have such as the same of the finest grapes we have such as the same of the finest grapes we have such as the same of the finest grapes we have such as the same of the finest grapes we have such as the same of of the finest grapes we have seen this season. They were of the Cataba and Isabella varieties.-

Aronogy.—Yesterday morning, our carrier for the city, took suddenly ill as he was commencing this last route. This is the reason why some of our biblishst route. This is the reason why some of our biblishst route. This is the reason why some of our biblishst route. This is the reason why some of our biblishst route. The Albany Journal is crowded with these demonstrations, showing, for us to a youd such accidents, our subscribers will be found to the white party is fully accessed, and that New York.

Ject of free soil, F and the renunciation of the Subman paper. We commend it to the especies their best-tream citizens, who can attein best-tream of the soil, F and the renunciation of the Gerest their best-tream of the soil of the subman and the soil of the subman at the soil of t flati, giao, yan orthein nave somes n go for firth soil. We would rema-position taken in the followin Equalities, an ardent Tay the position of the Whir and proves that the "

We would remay in Usas, and the Whir of party, both North and agree in opposing the further south of Mason & Dixon's line that to say as much about slavery. What I, then, is there for Whigs to desert and go over to Van Buren, who does not ind go over to Van Buren, who does not indige over t south of Mason & Dixon's line that south of biason of bixon's line that are to say as much about alavery. What accement, then, is there for Whiga to desert their flag, and go over to Van Buren, who does not promise more than the Whig party have always contended for, and will carry out, if General Tay-

ger. Why we suppose the sovereigns "What next?" Why we suppose the sovereigns a will soon undertake to say what kind of a newspaper we shall publish—how many inches wide—how many columns there shall be, and what kind of type shall be used. Moreover, they will a determine the quantity and quality of editorial there shall be in each number. The subjects and the ideas will all be made ready to our hand. will prevent any further extension of the ideas will all be made ready to our hands, by Gen. Taylor at Monterey. Rather than sacrif remainder will prevent any further extension of the ideas will all oe made ready to our hands, by Gen. Taylor at Monterey. Rather than sacrithe trouble. Looking only to the interests of the own, happy souls, will have nothing to do but face one life unnecessarily, he sanctioned a capitul operatives—for they are the greatest sufferers in the down. This will be glorious. What lation. For this humane act, Gen. Cass, the sanctioned are controlled to the lation. elevation—what independence—what e life of case. Nor is this all. These wondrous wise the end—we anouth regret any jurtuer unmenty which would deprive them of the firmits of their mile for them will vote that every man shall be just so tall, and an taller—just so wide and no wider—every ten hours at the old twelve hours wages, would only result in the final stopping of the mills for the season. If there is any truth in man, the proprietors cannot run their mills ten hours a day and give the old wages, without losing money. They have assured us that they cannot, and the fact that

racers and street fighters, and all sorts and si-zes of bad things? Why don't they vote every by a vote could make their asses horses, why can't means! We do hope they will give us some prac-tical good or else hold their tongues, and mind their own business. We are tired of their splutter.

They were of the Cataba and Isabella varieties.

The bunches were targe, and the grapes sweet and of a delightful flavor. We are gratified to the production of fine fruit around this city, and that our market will soon be behind none in the country in the richness and variety of its productions.

Around - Yesterday morning, our carrier for that state are almost filled with accounts of large and enthusiastic Taylor and Fillmore meetings own business. We are tired of their splutter.

Matel's Littlefield, or that no demonstrations are made for Taylor and fillmore are demonstrated and the city of the state are almost filled with accounts of large that state are almost filled with accounts of large that state are almost filled with accounts of large that state are almost filled with accounts of large that state are almost filled with accounts of large that state are almost filled with accounts of large that the results white the plant of the city of New York, and the demonstrations are must not do mean strained for Taylor and Fillmore meetings in the city of New York, and the demonstrations and the demonstrations are must not different that the regular Whig party is not at work, and the demonstrations are made for Taylor and the city of New York, and the demonstrations are must not different that the regular Whig party is not at work, and the demonstrations are must not different that the regular Whig party is not at work, and the demonstrations are must not different that the regular Whig party is not at work, and the demonstrations are must not different that the regular Whig party is not at work, and the demonstrations are must not different that the regular Whig party is not at work, and the demonstrations are must not different that the regular Whig party is not at work, and the demonstrations are must not different that the regular Whig party is not at work, and the demonstrations are must not different that the confer a favor upon us by calling for their papers, when they do not arrive.)

search for the company of the compan

promise more than the Whig party have niways contended for, and will carry out, if General Taylor is elected? Let the Whig party but remain farm and united, and a glorious triamph will crown their efforts: when, on the other hand, if only a few foil to do their duty, it insures the election of the few foil to do their duty, it insures the election of the few foil to do their duty, it insures the election of the few foil to do their duty, it insures the election of the few foil to do their duty, it insures the election of the few foil to do their duty, it insures the election of the few foil to do their duty, it insures the election of the few foil to do their duty, it insures the election of the few foil and free labor, because we know that it is a predominent feeling with the Germans here and everywhere. It is natural that it should be so compared to allow the few foil and free labor, because we hand, and the few foil and free labor, because who have, after the foil and the few foil and free labor, because who have, after the foil and free labor, because we have a few foil to few foil to few foil to do their duty, it is soon account and the few foil and free labor, because who have, after the foil and free labor, because who have, after the few foil and free labor, because who have, after the few foil and free labor, because who have, after the few foil and free labor, because who have, after the few foil and free labor, because who have, after the few foil and free labor, because who have, after the few foil and free labor, because who have, after the few foil and free labor, because who have, after the few foil and free labor, because foil and free labor, foil

Burny previous to the publication of Cars' letter to Robert Wilson, Esq?—

we eee eee The letter to Wilson has done me up. I did not suppose it possible. I at the time this letter was written had two nephrous in Mexico under General Taylor. The wretch, according to his letter to Bob, was willing the two boys should be butchered, the was kept up, and thousands of others butchered, rather than vote for the Wilmot proviso. He says it will be death to the war, and to the democratic party.

The inference drawn by the writer of this letter The inference drawn by the writer of this letter s irresistible. Lawis Cass preferred rather to sacrifice thousands of lives than to do an act which would lead to the termination of the war

guinary-minded nominee of the Locofoco party roted to censure the Old Hero. Our Book Table,

"Orators of the American Revolution," by E. L. Magoon, New York: published by Baker and Seribner. This work is, as the author remarks in his preface, "an attempt to present the oratorical features of the American Revolution," which is accumplish-ed by graphic aketches of the lives, charactura, and public labors of the principal orators of that age of

public labors of the principal orange of the great and good men.

For sale by Elliott and English.

"Hunt's Merchant's Magazine," for September, is well filled with Commercial and Statistical In telligence.
"Gody's Lady's Book," for October, has arrive both early and welcome. It contains 72 pages of reading matter, from 35 contributors; and 25 en gravings. A famous Magazine, truly.

THE ELECTION IN MAINS for Governor, mer bers of Congress and Legislature, came off a Monday last. The following are the tickets pro-sented:—

THE "Boston Courier" says that the ambition individuals who have gone out from among the Whigs, in search of fame, may be able before long to realize the situation of the man who went out for event, and came home shore.

organ of a large German population, in that State, and will greatly affect the vote of Cass. The parameter of Franklin, Cole and Otage, and is the grant of in the State to break loose from the Loop parameter of the White principles of free soil; and standing, is an important remainded in the State of the White principles of free soil; and standing, is an important remainded in the state of the White principles of free soil; and standing, is an important remainded in the state of the White principles of free soil; and standing, is an important remainded in the state of the White principles of free soil; and standing, is an important remainded in the state of the White principles of free soil; and standing, is an important remainded in the state of the White principles of free soil; and standing, is an important remainded in the state of th
