the present incumbent of the gubernatornal cha who is daily insulting the mass of the People Pennsylvasia, by placing in office these who the People would reject with indignationy--wi is using the money of the People for the purpo of canvassing the State, and begging the peop for their votes,--and who can never obtain the sanction of the people to his acts,--is the same tra-who framed the infimmous Scharplatter law of 184 authorizing the issue of "Belief Nutes". who framed the infamous Shinplaster law authorizing the issue of "Relief Notes."

shing, and the outportings of a heart steeped in gall.<sup>n</sup> It is unnecessary to point out its malice and ney abroad, which should sustain labor at homeits falsehoods. They are too perceptible to the Did you ever hear of such madness, he exclaimed biological scapacity. But we notice it for the purpose of directing attention to the charge. In relation to "Relief Notes," which is to be cation recently— Democratic review as we up made, for want of something better, the prin cipal subject of comment during the campaign. And here we have a triumphant answer prepared to our hands by the North American, which we substitute in lieu of what we might say on the sub-

ject: Even before the nomination of Mr. Johnstor says the North American, as the Whig candidat for Governor of this state, the determination of the Loco preases was manifested to make the merit of the bill of May 4, 1641, entitled "An Act to pro-vide revenue to meet the demands on the Tree vide revenue to meet the demands on the Treasury, and for other purposes," commonly know, as the "Relief Bill," an active element in the Gu bernatorial Canvass. It will therefore be necessor ry to remind our rederer how it was passed. The bill was vetoed by Gov, Porter, but allerwards pas-sed by the constitutional majority of two-thirds u-both houses. The vote in the Senate was 17 to 5 The political Strength of that body was 18 Whig and 15 Locos; of the latter, Smith of Bucks, Head was of columpia Gibhons of Northampton Kinzabur. both houses. The vote in the Science and the Science and the Science of the latter, Smith of Bucks, Head, leg of columbia Gibbons of Northampton, Kingsbury of Wayne, Fleming of Lycoming, Case of Susquerang, and Miller of Cumberland, would not vote organise the bill and therefore dodged it. In the House, it was first negatived on the last day of the Science, it was first negatived on the last day of the Berssion, So yeas to 35 nays-two Uhirds not voting for it; but in the afternoon, Mr. Holeman of Venam, and and G. Gamble of Lycoming, both Democris, moved to reconsider this vote, and the bill the unased the House of 2 yeas to 25 nays. The political strength at the House was 51 Whigs, and 40 Locos; thirteen of the latter vote of for the bill, viz Hendrick B. Wright, and Cartright of Luzence, Gillis of Jefferson, Gamble of Lycoming, Weaver of Schulytkill, May of York, Holeman of Venamo, Horton of Northumberland, Boal of Centre, Church and Donglass of Crawford, Soyder of Columbia, and Luck of Susquehanna. It will be noted that the above genilemen were representitives of strong too conthe, and not confined to any particular stores of the State, though the bill evidently was of most interest to the 'improvement' councies. The fact that strong aid came from Mr. Johnston's political opponents in framing this bill, spinnt the voto of the then powerful, coursed and its cluzens mutually labored. Indeed the strongest argument in its favor came of the locokee side of the House. The special of the State and use for a state a lager of over seven years. Hendrick B. Wright, in particular from the Locokee of a of the House. The special of the May '1-with

Albeit unused to the melting mood, Drop't tears as fast as the Arabian trees Their medicinal gum,"

Their medicinal gum," as he recapitulated the sufficings of our "domestic creditors." Gamble, too, that close and cogent reasoner, one of the finest statemen ever sent to our Legislature by his party; Church, with his ju-dicial mind, since then placed on the bench; Hole man, of Venango, too, upon whom the bill operated as a miracle, and caused his out: speech of the session, made on this subject, to be the very *best*, in purgency, delivered by any member; Gills, the "unbending, unternifed democrat," now in, the Sensite—to say nothing of the others, labored with is energy and fidelity that never could have been exerted but in a good cause.--Nay more, these thirteen democrats, after having risen superior to party by their votes, were compelled to succumb to its power by placing on the Journal of the House, the reasons which influenced their votes. This occupies a page and a half of closely printed type of the Journal, but the perovation is sufficient to the introduction of the bill and is final pager despite the tyranny of party usage. This paper was understood to be from the pen of Mt. Wright, a ackloses thms:

The second s

The odition of a daily newspaper: "They who enjoy a newspaper: "They who enjoy a newspaper: "They who enjoy a newspaper; who find in the diversified abundance of its information; its various departments, that must be daily supplied from the passing records of many lands and nations; its world of paragraphs, news, and miscellancous se-lections; that which they are lost, as it were, un-leas they have it, can form but a limited idea of the pains taken for their entertainment. It is a task of the day to read some hundred newspapers from all quarters of the constry, to take adequate note, as the weary eye runs up and down their intermina-ble columns, what aball be taken; to digrest and abbreviate pieces of useless length, to dimensions which preserve the kernel, while the chaff goes by; in fine to make a daily journal, which shell fulfi dearre in others, and satisfy tastic in all partice. provider and recipients. *los labor*, *lie gous rat.* The very case with which it seems to be done, and this is half the charm of a newspaper to intelli-stanctum, charmed to the deak's duil wood,' and supervision. The journalist seats himself in his sanctum, charmed to inde dask's duil wood,' and supervision is never ending still beginning for no soomer is your number of to-day completed, reader, than gathering for the moreow must begin." permanent policy of this country. War was the next subject alluded to. Mr. H said that aggressive wars-wars of conquest, wer incompatible with the maintenance of popular lit erty. No nation which had fostered the war spir.t and remained free-none ever could. What ad-vantage had the Roman citizens derived from her wars of conquest? What had any American citi zen profited by the conquest of Mexico? Then, said Mr. F., is it not strange, it may be asked, that you should support Taylor-a man of war? Stu-pid folly! to say that those who oppose wars of conquest should not support General Taylor, who is himself an opponent of such wars—who oppos-ed the Mexican war, and had been persecuted for that opposition! He (Mr. F.) was delighted with the reply of General Taylor to those who condemn-ed him for accepting the terms of capitulation at Monterey—that he did so, because he would not, for a punctilio, contribute to the further effusion of For Mr. Taylor's views on the tariff question, he

blood. For Mr. Taylor's views on the tariff question, he looked to the fact that the General lived in Löniai. ana—a State deeply interested in the protective policy—and he had been informed by a gentleman well acquainted with General Taylor, and in whom asys.—"On Friday Hon.Wm. H. Seward, being in this glate on professional business, consented to had declared himself in favor of protection. It might be a mis-statement, but he believed that the General had sud so. If the General Taylor, he might believe otherwise. True, General Taylor, and may we not hve in union with slave-holders? We will only add, that it gave unboanded satiafac-tion to all, except a few disturbed Van Buren He (Mr. F.) considered the position of those who declare their determination not to vote for a slave

holder, wholly untenable. They must tear up the A Whig writes to the editor of the Albany Even Constitution first. He would not vote for an advoeste of slavery extension. Even the Whigs of the but if I was I would risk all I am worth upon th ing Journal from Ohio: "I am not a betting man South were not all advocates of that policy. Gen. issue in Obio, in favor of Gen. Tartan." Much o Taylor had spoken of Slavery as an evil; but what-Taylor and spoked of carbon an analysis and an available of the eloquent labors of Senator Coswin. During the list war, be drove a U. S. baggage team; and when lingness to leave it to the decision of the people's ever the wagon run into a rut, he would place hi representatives and if they were in favor of fre representatives—and and interpose the veto. Let the people, then, return the proper representatives to carry out their wishes, and all would be right. [At this point we were compelled to leave, in conse-thoughtlessly run into the Van Buren rut, and "the Wagon Boy" is lifting them out. No man in the Wagon Boy" is lifting them out. and the second second

Preserve our Union as it is The home of Liberty. Hurrah &c. Union can do so more effectually than himself; and if, as we will not doubt, Cass is whipped in Obio. one who did good service in this way in 1840 and 44. We hope to hear from him ng an aborty, as Tom Corwin will have essentially contributed to ement of the campaign. A SPLEMED SCHEME OF SWINDLING in soldier U. S. STOCKE AND U. S. TREASURY NOTES
