York.

VALUABLE TESTIMONY.

"This may cetuly that in the spring of 1946, my health was very feeble; I was efficied with pain in the side, with other alarming symptoms, and suffered much from great debility. At that time I purchased from flosses Danne two bottles of Thonson's Compound Syrup of Tar and Wood Naphta, from which I experienced great benefit, my heartical on all persons whether the strength of the str TO THOSE SUFFRING WITH DISEA LUNGS.—The unprecedented success which then ded the use of the GINSENG PANACEA all the various forms which tritation of the lung names, has induced the proprietor again to call a control like. JOURNALS OF THE DAY, we have embodied in pamphiet form, and to gratis of any of our agents throughout the cohave been used in this city.

THOUSANDS AND TENS OF THOUSANDS
THOUSANDS the Linuted States and Canada, and we che throughout the United States and Canada, longe any man to point out a SINGLE INSTANCE n which, when taken according to direct fore the lungs had become fatally disorgate over falled to EFFECT A PERFECT CURE is to be had, whose vouchers are at home,—our neigh-bors,—many of whom it has SNATCHED FROM THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have only FIFTY OESTS, A MERCHANT OF THIS CITY, who had been afficient relative to it.

T. SALTER, Proprietor,
Broadway, Cincinnasi, Onio.

A MERCHANT OF THIS CITY, who had been afficied with the asthma for four years, had taken almost every its bid expended over two thousand done in ever believed in advertised medicines, but considered them all hambugs. At last he tried Dr. Taylor's Balsam of Liverwort, from 78 Beekman street, New York, and in six weeks was endrely cared, having taken only three bottles. This is only one of manicases where imaginary over using this medicine, who have exceeded in the end owe their recovery to the infairness of the end o

MEDICAL. TO THE PROFESSORS AND MEMBERS OF THE MEDICAL SOCIETIES,

Mother, Wife and Daughter

Nother, Wife and Daughter

I fully ealls your attention to Dr. Barrer's Granbranch, expressly intended for the preservation of the
health of both serves—whether it arese from Inciplent
Phthisis, or early consumption. Debliny of the LangeBrouchial Affections, Anthona, Pierrisy, Derranged and
broordered state of the Liver, Spheron, Progressly

Brought and Company of the Company of the
least, Loss of Nuscular Schwous Power, &c. &c.

DR. D. BARRIC Tenaies suffering from Irregularimended in the Company of the Company of the
least, Loss of Nuscular Schwous Power, &c. &c.

DR. D. BARRIC Tenaies suffering from Irregularidental to women, whether occasioned by cold, wet
feet, or any similar injudiculus exposure, and all this
without the use of medicine; as the most delicase and
sensitive lady can at any moment apply it to herself
without the possibility of incurring any risk or danger,
or any ampleasant results arising from it, and with the without the ase of measures, as the short was a becautery sensitive lady can div of home and the property of the courting any risk or danger, or any any of obtaining lumediate relief.

Dr. Harrett's Guardian is no catch-penny, or one of the many humbags of the day; but it is an inauroment made apon strictly scientific principles, in accordance with the laws of Electricity and Galwanism; and for neatness, durability and efficacy, infinitely surpasses everything of the kind ever before offered to the public for the relief of disease, and, in the language of one of the most enlightened one of the day, by protonneed to be "the greatest disease, and, in the language of one of the greatest disease, or the day, in protonneed to be "the greatest disease, or the day in protonneed to be "the greatest disease, or the state of perfection—during which time it has been in the hands of some of the most eminent physicians of the North and South, as well as in the dwellings of numerous families, who have used it for all of the above purposes, with the most perfect saccess, and who have cherfully given their unqualified approbation of its efficacy and value, as can be seen by referring to the Mannal of Igarructions accompany terred from innovators. Or, C. B. Barrett of the United States Parint (Micc. State of Galvanometer.

The Medico-Electro Galvanometer, in point of beau-SARSAPARILLA Worder and Elearing of the Age.

The most extraordinary Medicine in the World i
Phis Extract if put up in Quart Buttles: it is is
times cheaper, pleasunder, and marranted enperior to any sold. It cares without perior to say sold. It cares without constitute, propring, schemity, propring, schemity, and experient of this Barsaparilla over all other medicines to that while it eradicates the discrease, it invigences the body. It is one of the very best SFRING AND SUMMER REDICINESS.

Liver known; it not only purifies the whole system, and the street of the propring of the street of the wind and the street of the winderful success. It has performed within the last the color marchine, And in the bits the grand secret of its wonderful success. It has performed within the last two years more than 100,000 cares of severe cases of disease; at least 15,000 were to-makeded incurable. It has saved the time of more to-maked incurable. It has saved the time of more to-maked incurable. It has saved the time of more to-maked incurable. It has saved the time of more to-maked incurable. It has saved the time of more to-maked incurable. The strength of the passions, and brought on a general physical portation committed in youth, or the exceutive indigence of the passions, and brought on a general physical portation of the nervous system, insulinds, want of smitting, fainting separations, promature decay and decline, historical towards that fatal disease, Consumption, can be entirely exorted by this pleasant remody. This Streampers of the superior to any support of the superior o Medico-Electro Galvanometer, in point of sean-temanship, durability and power, cannot be sur-lor even equalied, and the subscriber feel that and anothing in the caser into that it will be found acts more power and efficacy in the treatment movel of diseases, by Galvanot and the treatment of Europe. The hopeic and with common ordi-ranted in ever the hopeic and with common ordi-are will be a fife-time, and it by far the cheap control of the common ordinate that the cheap control of the common ordinate that the cheap that the common ordinate the cheap of the cheap control of the common ordinate that the cheap that the cheap of the cheap of the cheap control of the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap that the cheap of the cheap of the cheap of the cheap that the cheap of the cheap of the cheap of the cheap that the cheap of the cheap of the cheap of the cheap that the cheap of the cheap of the cheap of the cheap of the cheap that the cheap of the cheap of the cheap of the cheap of the cheap that the cheap of the cheap of the cheap of the cheap of the cheap that the cheap of the cheap of the cheap of the cheap of the cheap that the cheap of the cheap of the cheap of the cheap of the cheap that the cheap of the cheap that the cheap of Any information gratitionally given, and all commu-nations chectally answered per mail, either in rela-tion to the Electro-Galvanometer or Guardian.
