THE GOVERNOR'S ELECTION. We have been for some weeks carefully endeavoring to arrive at the true state of public sentiment in the different sections of the State, in rela-Into the Governor's election, and we have come to the deliberate conclusion that if the strong Whig counties come up to their majorities in 1844, we ahall elect our candidate by a handsome majority. We cannot tell all the reasons which have led us to this conclusion, but it has been well weighed, and it is deliberately expressed. The race is in the hands of the Whigs, if they choose to win it; but it counts is won, without an effort. If the old Whig sort is, or to see it is upport under an isolar.

cannot be won without an effort. If the old Whig
counties, such as Lancaster, Somerset, Allegheny,
Adams, &cc., will give as large a majority for Johnston, as for Markle, all is safe. And we think they
will. The right spirit is abroad, and if we work,

is oura.
In Lancaster county the best feeling prevails.—
Thaddens Stovens has taken the stump, and is do

years, during which he has been engaged in pointiles, he has never witnessed a more healty feeling and with the side of the solution, and solution of the union. tices, he has never witnessed a more healthy feeling in the Whig ranks, more harmony, and a firm er resolve to spare no pains to carry the State.

From Somerset county the news is truly refres ing. In no part of the State does the political feel-the following statement:

inroads into the camp of the enterny. In Arma-strong county, the Lococcos have usually about 550 majority. We have reliable assurances, that we may depend upon a amall majority for Johna-ton. This will annihilate one fourth of Shunk's majority over Markie. Westmoreland county will do better for the Whig cause than ever before-in our county nearly two years as minister to borne in New Haven on Saturday, in good health Colin M. Ingersoil remains in Russia as Secretary of Legation, and the new Minister, Hon. Mr. Eagly is now on his way thither. do better for the Whig cause than over before .-

Mr. Johnston is deservedly popular and well known in that county, and many of the Locofocos are dissatisfied with putting a man up for Governor whom they have just voted for for Canal Commissioner and who has done nothing to deserve the honor .-

In Fayette we shall do better than usual. The higs there fight with a determination which nothing can overcome.

We might go over the State, in this way, and gather up substantial reasons for encoulet us come to the own coun regement, but let us come to bue own coun-ty. What will we do here? Give three thousand which he had commanded, who would not cast hi yots ter "Old Rough and Ready." Does this look lik "the volunteers going for Cass " majority, says one.
