" MEDICAL. TO THE PROFESSORS AND MEMBERS OF THE MEDICAL SOCIETIES,

AND TO EVENT

AND THE STATES,—The subscriber respectfully calls your attention to Dr. BERNEYLE GRAMMA, expressly intended for the present property of the state of th DH. C. H. HARMS Penales suffering from Irregularities, and all other relief of Secales suffering from Irregularities, and all other difficulties and diseases incidental to women, whether occusioned by cold, were feet, or any since in medicine; as the most delicene and without the years at any moment apply it to herself without the possibility of incurring any risk or danger, or any unpleasant results arising from it, and with the carsinty of obtaining immediato relief.

D. Barrett's Guardian is no extel-penny, or one of the many humburgs of the day, but it is an instrument made upon strictly actending principles, in accordance with the laws of Electricity and Galvanism; and for nestness, durability and efficacy, infinitely surpasses everything of the kind over before offered to the public for the relief of disease, and, in the lampage of one of the most enlightened men of the day, is pronounced to be 'the greatest discovery of the ago."

A period of no less than four years has been occupied by Br. Barrett in bringing which time it has been in the hands of all south, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as worst eminest physicians of the North and South, as some minest physicians of the North and South, as worst eminest physicians of the North and South, as some manners that the security of the above cheerfully given their unqualified approbation of lunderally physicians of the North and Cheer with the Westernity of the above cheerfully given their unqualified approbation of lunderally of the Parter of the Parter of the Parter of the North and South, as well as in the develoings of numerou and be had either with or without his Medico-Electro Galvanometer.

The Medico-Electro Galvanometer, in point of beanry, workmaship, durability and power, cannot be surpassed or even equalled, and the subscriber feels that
he intrards nothing in the assertion list it will be found
to possess more power and efficacy in the found
to possess more power and efficacy in the treatment
and removal of diseases, by Galvaniam and Electricty, than any other instrument, either in the UnitedStates or Entrope. The Medico-Electro Galvanometer
is warranted in overy respect, and with common ord
mary care will had a litchine, and is by far the cheapest, because the best, instrument ever offered to many
because the best, instrument ever offered to
ample instructions, of practical experience, and with
the server of a surrangement is such that a child may
have passed with it. he e w' 'dty' of Bringcanen bearing and all commu-cations in the bearing practice of the second section of the second section of the section O signs, can entify to the wondarful efficacy of that powerful remedy GMPOUND SYRUP OF TAR AND TROMIFSON'S GMPOUND SYRUP OF TAR AND TROMIFSON'S GMPOUND APRITHA, In Palmentary Censumption, Chronic Bronchitis and Bors Threat, Asthma, Chronic Catarrh, Spitting of Blood, Pain in the Side and Breast, Difficulty of Breathing, Whooping Cough, Crup, Weak Nerves and Nervous Tremors, Palpitation of the Heart; also, Liver Complaint and Affection of the Sidneys. This medicine, the invention of a man who gave the subject of Pulmonary, Henchail and Pectoral diseases the most rigid examination, has now been before the public near four years. During this period it has pecformed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record for the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record formed some of the most retarrisable cures on record for the most retarrisable cure of the most re and severe Colds, Cougns, in Hostreness, spaining or Blood, &c. ASTONISHING CURES.

About four years since I was stacked with Typhus Fevre, which left me in a miserable state of heatit, in arterness deality with a general prostration of the system, with violent pains in the breast and loss of appetitus, in congacquence of which I was unable to attend to many numbusness, or perform any kind of work. I may left the system of the work of the system MARTIN CLAUDY, York. VALUABLE TESTIMONY.
"This may certify that in the spring of 1848, m York. VALUABLE TESTIMONY.

"This may certify that in the spring of 1848, my health was very feeble; I was afflicted with pain in the slee, with other alarming symptoms, and saffered much from great deblity. At that time I purchased from Mosea Dame two bottles of Thomson's Compoundation of the state of t SALTER'S
