MEDICAL.

SANA, Columbiana co., O., Apr. 34, 1841.

Drand the safficied public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your Expectorate is myself. Having been afficied to inger out a snort but miser as every cough, hertic for several years with a severy cough, hertic for several years with a severy cough, hertic for several years with a severy cough. Including the inger out a snort but miser as veryly avaicated and having freso two of the most respectable physicians in the neighborhood without deriving any benefit, or the consolation of surviving but a few days or weeks at intrinsert—when the last gleans of hope was about to vanish, I had recommended to me your happen in the use of the means—and cumus was in a few days raised from any biguinant and was an a few days raised on my physicians and was enabled by the use of a bottle, to and blessed by that Being who done had per services.

Respectfully yours, &c.
