BISHOP HUGHES AND T. E IRISH. if Ireland to the views presented below, by Bisho ighes, of New York.

It is frue there is a marked and almost unac countable difference between the opinions and advice here expressed, and the sentiments be lately

of devastation and rum, the effects of which would extend to future and distant times. The harvest not abundant, hardly sufficient for the support of the population, was to be gathered in. Within it the bravest men that might have rallied to the standard of their couptry would have been left in a short period desiting of food; the British troops themselves could fire and destroy the ripening hidds, as they have frequently done before.

The destruction of whatever remnant of prosperity may still be found in the country would be complete, and the yoke of oppression would be thus

were in the injustment purpose of foreign that its and does maked it and the state of the properties of the control of the propertie

Saiss Baignt.-Every true Whig will read with

presource it a scale-cous lie. Gen. Taylor only owns about sixty players, and it is asserted ou good authority, that he makes no purchases, except to prevent the separation of these related to each other. This story about his purchasing slaves, was started some time in June or July. Only at that time the amount was \$10,000—it has wonderfully magnified since ther—and General Taylor was written to on the subject, and in his reply, dated on many would naturally nutribute to them.

The fever, ever attendant upon a Presidential orth, are worthy of respect both on account of the Whig party, it has measurably aided the Cass he sound sense which characterizes them, and the

The following is Gen. Taylor's letter to the In-dependent Taylor party, in Baltimore, written soon after the adjournment of the Philadelphiu Conven-

after the adjournment of the Philadelphia Convention, and just made public:

Batrox Rotors, L.A., June 19, 1545.

Gentlemen:—I have the honor to acknowledge the receipt of your polite communication of the 12th inst., calling my attention to certain statements relating to my position before the country, as a candidate for the Presidency, which are represented to the delegation from that State, and requesting to the state of the delegation from that State, and requesting to the construction of the delegation from the state of the delegat

MR. STEPHENS IN GEORGIA. The Whigs of Georgia held a great mass meet-ing at Atlanta last week, and among those present was Mr. Stephens, who was recently wounded in a rencountre with Judge Cone. The correspon-

ing tends paper, says: for, rose up before them. A pallor even greated; that remarkable mea; remarkable in being the idot, before which his party falls down in simost adoration. Vest is the influence that he wields, and fearful the responsibility which lests upon his shoulder. Never have I seen such wild excitement prevade a multitude, as when his almost feminine voice was heard. Whenever a banner with his name was met, all others were forgotine, and the welkin rung with repeated shouts of Stephens. The chief meet of his party seemed to regard him as the soul of the meeting. The Georgia Chronicle, states that when Judge Berrien who addressed the meeting, resumed his sent, some one called for Stephens, and immediately, like efectiveity, his name seemed to thrill the immense mass from centre to circumference, and all, crowded nearer and nearer to the stand, with

ount of the above meeting says:

We have hardly words to expression at learning that Mr. Stephens, the
