MEDIGAL DB. TOWNSEND'S SARSAPARILLA.

The Mender and Blassing of the Age.

The most extraordinary Medicine in the World!

This Extract is put up in Quart Buttles: it is retimes obscaper, pleasenter, and corrented reperior to any sold. It cures without conditing, purping, rickering

or debititising the
The great beauty and superiority of this Surangarilla
over all other medicines is, that while it evaluates the dissame, it in retrovates the both sure that the stray best
FRIRO AN DAY purifics the whole system, and
tiren income the person, but it creates saw, pure and rich
klood, a noware nonessawed by no other medicine. And in 10,000 cases of General Debility and want of Nervous Energy.
Dr. Towassof Sanaparilla invigorates the whole system persanally the effects of medicine or indiscribed committed in youth, or the excessive indulgance of the parious, and brought on a general physical prostruction of the recovery of the parious, and brought on a general physical prostruction of the nervous system, hastined, want of ambition,

tirely restored by one present of parille is far superior to any parille is far superior to any Invigorating Cordini, As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

SPITTING BLOOD.

New York, April 28, 1847.

Da. TOWNSEND—I verily believe that your Sursaplik has been the means, through Providence, of saving
by life. I have for saveral years had a bad Cough. It

this medicine, win and the alth.

Remarky and Health.

Cosmetics. Chilk, and a variety of preparations generally in use, when applied to the face of the skin, and of its beauty. They does not not the skin, and check the circulation deep, when nature is not the warded by disease or product, a when nature is not the warded by the skin and its superstanding the skin and the skin and the superstanding to the skin inflamed by the skin and its superstanding to the skin inflamed by the skin and its superstanding to the skin and its superstanding to the skin and the manner which palints the countenance in the most expansite beauty. It is that which palints the countenance in the most expansite beauty. It is that which palints the countenance in the most expansite beauty. It is that which palints the countenance in the most expansite beauty. It is that which palints the countenance in the most expansite beauty. It is that which imparts the indescribable indeed and flashes of forcellness that all darking the countenance in the most expansite beauty. It is that which imparts the indescribable indices and flashes of forcellness that all darking the countenance in the most expansite beauty. It is that which palints the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expansite beauty is the office of the countenance in the most expensite beauty is the office of the countenance in the most expensite beauty is the office of the countenance in the most expensite beauty is the office of the countenance in the most expensite beauty is the office of the countenance in the most expensite beauty is the office of the countenance in the most expensite beauty is the office of the countenance in the most expensite beauty is the office of the countenance in the most expensite beauty is the total total office of the countenance in the most first beauty is the counter of the countenance in the countenance in the countenance in the countenance in th

site bearty. It is bearty is the difference of sense and flashes of leveliners that all admire, but shades and flashes of levelines that all admire, but none can describe or seep. If there is not a free and healthy chreshation, there is no beauty. If the lady is fair as driven snow, if she paint, and use comerica, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rice bloom to the cheeks, and a brilliancy to their eyes that is fascination.

This is why the southern, and expected in the brilliancy to their eyes that is fascination.

This is why the southern, and expected in the borth who take why the southern, and expected in the borth who take have spoiled their complexion by the application of delectrious mixtures, if they wish to receive destrictly of step, heaven spoiled their complexion by the application of delectrious mixtures, if they wish to receive duration of delectrious mixtures, if they wish to receive duration of the submired their complexion, they should use Dr. Towneard's Barraparilla. Proventies of the submired their strainty of the submired their strainty is submired to the complexion, they should use Dr. Towneard's Sarraparilla, have inswirably called their stuff a greet Reasely for Yeard the high their stuff a greet Reasely for Yeard the high the one complexity of vomend's used to the complexity of vomend's us the only and best remedy for the numerous females complements of the polarimeter travely, if were fails of defecting a permanent care. If you have appeared to the polarimeter arrayl, if were fails of defecting a permanent care. If you have appeared to become mothers, with the prevents admirator, and strengthens both mother and child. Be careful to get the specimen of the polarimeter and thid. Be careful to get the specimen and provents pain or danger, and strengthens both mother and child. Be careful to get the specimen.

Sorteful Curred.

This certificate conclusively proves that this Saraparille has perfect control over the most obstinate diseases of the Biod. Three persons cured in one boase is unprecedented. Three Children.

Da. TOWNEND—Bear Sile: I have the pleasure to inform you that three of my children have been cured of the Serofula by the one of your accellent medicine. They were afficied very severely with bad Sora; have taken only four bottles; it took them away, for which I feel myreif under great obligation.

Yours, respectfully,

BAAC W. CRAIN, 106 Wooster-st.

Opinions of Physicians.

Or. Townsend is simed taily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undertipned, Physicians of the City of Albany, have in numerous cases presented Dr. Townsend's Barraperilla, and believe it to be one of the most valuable preparations in the market.

H. P. PLILING, M. D.

Albany, April 1, 1847.

P. E. ELMENDORP, M. D.

CAUTION.

Owing to the great success and immense sale of Dr.
Townsead's Barsaparilla, a number of men who were
formerly our Agenta, have commenced making Barsaparills Extracts, Elizaris, Bitters, Extracts of Yellow Bock,
Rc. They generally put it up in the same shaped botlier, and some of them have stole and copied our advect should be avoided.
