ASTONISHING CURES.

About four years since I was attacked with Typhes Fever, which left me in a miserable state of health, in extreme dobility with a general prostration of the system, with violent pains in the breast and loss of apportue, in consequence of which I was mable to attend to my small business, or perform any kind of work. I supplied to several physicians and used various of order to the state of the state ying, pain and every sense of suffering were ely removed, and I was able a sund with reality on years to was a suffering were action to my sund average and MARTIN CLAUDY.

Of Dickinson township, Cumberland co. the following testimony from a respectable of the Society of Friends, in Foughkeepsie, N. member of the Society of Friends, in Foughkeepsie, N. York.

VALUABLE TESTIMONY.

"This may certify that in the spring of 1946, my health was very feeble; I was afflicted with pain in the dide, with other slarning symptoms, and suffered much from great debility. At that time I parchased from Mosces Dame two bottles of Homeson's Compound Symp of Tar and Wood Napths, from which I experienced great benefit, my health being now good; and I cheerfally recommends the stricks to all persons who may be suffering with general debility, with symptoms of a decline.

Prepared only by Assaxt & Duzsos, at the N. E. Sormer of Fills and Sprice streets, Fhiles. GINSENG PANACEA! tion to this managed mie proprietor again to call atten

YONDERFUL PREPARATION.
The change be weather which marks our full and winter months, is always a frairful source of COLDS AND COUGH.
These, if neglected, are but the precursors of that fell destroyer. The question, then, how shall we nit the destroyer;

COSUMPTION.

The question, then, how shall we nit the destroyer in the budd how shall we get clear of our coughs and olded is of vital importance to the public.

We have from time to use published, who prove of this we have from time to use published, who prove of dearms of our best known of the published, who have experienced the man of the country—from the published of the Goopely, see, together with copions no stees from the OURNALS OF THE DAY, we have embodied in pamphlet form, and may be had graits of any of our agents throughout the country.

HUNDREDS OF BOTTLES

this condition, will always cincure a suffaund easy confinament.

Remarky name Health.

Commette, Chalk, and a variety of preparations generally in sac, when applied to the face, very sommodil it
of in beauty. They close the powered the shis, and
check the circulation, which when assume larget therein
and by disease more, beautified in own production; in
the 'human face Durine,' as well as in the girden; of
rich and delicately timed and variety and overs. A
free, active and healthy circulation of the finite, or the
coarriage of the para, rich blood to the extremities, is
that which spaints the commetance in the more carquitic beauty. It is that which imparts the indescribable
shades and fashes of loveliness that all admire, but
some can describe. This beauty is the offspring of safurre—onto of posselar or sears. If there is not a free and
healthy circulation, there is no beauty. If the ladig in
fair as driven more, if she paint and use commetica,
late as the same of the paint and use commetica. have been used in this city.

THOUSANDS AND TENS OF THOUSANDS
THOUSANDS AND TENS of THOUSANDS heatity circulation, there is no beauty. If the laiff in hir as driven snow, if he paint, and mac commerce, and the blood is thick, celd and impure, the is not beau-tiful. If a be a horson or yallow, and there is pure and active blood, it gives a rich bloom to the check, and a brilliancy to their oyes that is finelinally. This is why the southers, and especially the Spar-ht laides, are so much similar. Ladies in the sorties who take but little curvelue, completion by the com-comes, the recorded matter and the sorties of the records, of the curvelue, completion by the appli-cation of the completion of the completion of the appli-cation of the completion of the property of the com-pletion of the completion of the partial gree and beautiful completions they should use Dr. Tow-scol's Surseparilla. Thousands who have tried it, are more than estinded, are delighted. Ladies of, every station, crowd our office daily. were failed EPPEAT A PERFECT CURE.

Why, then, need the afficited healints! Why reso the mis-rules nontrums, gotten up by un c own indicated as lor the assumed name of some ce dwatt d is deina, and puried into notirely by certificaty.

soms equally unknown! Whits a medicine of UNPARALIZED EFFICACY more than satisfied, are delighted. Ladles of every station, crowd our office dealty.

Restlice to the Laddies.

Those tent imitate br. Townend's Sarangarilla, have leavaisably called their stails a great Ressafe for Fernales, &c., &c., and have copied our bills and circulary which relates to the compilaint of summe, we'r for word-other man who put up madeline, have, this the great collection to families, recommended theirs, themephanism ricousty they did not. A number of these Sitterner, Fills, &c., are injurious to families, as they argravate discuss, and undermine the constitution. Dr. Townend's is the only and best remedy for the numerous famile compilates—it rarry, if ever fails of effecting a permanent curs. It can be taken by the most delicate femile, in any case, or by those opposing to become another, with the greatest advantages, as it properses the system and prevents pails or danger, and strengthens both mother and child. Be careful to get the genuine. In order that this invaluable medicine may be place within the reach of the poor as well the rich, we hav within the reach of the poor as well as the price of the part by rice of the part by rice of cough medicines. It is the sale by our agents in nearly every town and willing ever the west, who are prepared to give full information of the part by th Scrothin Cured.

This certificate conclusively proves that this Surga-arills has perfect control over the most obstinate dis-aves of the Blood. Three persons enced in one house three of the moon. I must person then in one some it unpreceding. Three Oblideres.

Dr. Towners D-Derr Sir: I have the blessure to inform you that three of my children have been cured of the Scrotches by the use of year strellent medicine. They were afficied way severely with bed Serue; have taken only four bottles; it took them sway, for which I feel myself under great obligation.

Yours, respectfully,
DAAC W. CRAIN, 105 Woosteret. Opinions of Physicians.
Or. Toward is shoot daily receiving orders from
Physicians in different parts of the Bulos.
This is to certify that we, the undersigned, Physicians of the City of Albany, here is numerous cases prescribed by Towards Bursparille, and believe it to be

od Dr. Townsend's Barasparilla, and believe it to be one of the most valuable preparations in the market, H. P. PULING, M. D. J. WILSON, M. D. R. B. BRIGGS, M. D. Albeny, April 1, 1847. P. E. ELMENDORF, M. D CAUTION.

Owing to the great success and immense sale of Dr. Townsendie Suraparilla, a number of most who were formerly our Agenta, have commenced making Suraparilla Extract, Elizira, Ritters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bible, and some of them have stole and copied our advertisements—they are only worthless imitations, and should be avoided. tiemenb—they are only wordless imitations, and should be avoided.

SCROPULA AND SCROPULOUS SWELL INGS.—Scrolink is all its multiplied forms whether in that of King's Evil, chairgements o the glands or bones, Goire, White Swellings, Chronar Rheumstim, Canser, diseases of the Skin or Spine, or of Palmonary Consumption, emanate from one and the same cause, which is a poisonide principle more or less inherent in the human system. Therefore, naises this principle can be destroyed, no radical care can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter ander what form the disease schoold manifest limel. This, therefore is the reason why JATRE'S ALTERATIVE is so universally successful is removing so many milignant diseases. It destroys the virus or principle from when those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the munitest fiber, removing every particle of disease from the system. Prepared and soid at No. 8 South Third Street, Philadelphia.

Soid at the Pekin Ten Store, No. 72 Fourth stree. Pittsburgh
