the inland waters of th

cago - about [Buffalo Adv.

The Empire State is the largest stamboat upon the ialand waters of the United States, and nearly equal in tomage to the first class ocean stammers --being 310 feet long, 60 feet in extreme breadth, 37 feet breadth of beam, and 15 feet hold, with a measurement of about 1800 tons. She is owned by Measrs. Hazard, Montesth & Sherman, of this city, and Measrs. Mosher & Hazard, of New York. Her bill was built on the St. Cair River, under the superintendence of Mr. B G Goodeell, who stands first in his profession, us a urval architect. Her model is the most perfect which sound judg-ment and experience is arength, speed, beau-ty of proportion, and capacity for freight and pas-sengers. It has been demonstrated that boats having a beavy drangit of water, are not the best calculated for anyight of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having a beavy drangit of water, are not the best having and safety as a sea vessel. The Em-jire State has been constructed upon a similar plan and when fully freighted will draw but eight feet water-about the same as those of 600 or 700 tons, huilt on the old pranciple. This feature of her model will conduce greatly to her speed, without an extraordinary exertion of the power of her en-sine, as the resistance from water is much leas. She will make the trip between this city and Chi-cagoo- about 1100 miles - within three daya-[Buffalo Adv. rn ifsogablie prints. i Any person sanding 25 cents enclosed in a letter, will reach we one copy of this book, by mail, or for co-pression of the sent for one dollar. BOOTOR YOURSELP! TOB 30 CENTS-15 means of the Pocket Ecu Injunction of the pocket Ecu Injunction of the pocket Ecu Injunction of the pocket Ecu ing private diseaser in every subpe and form, and mai-formation of the generative system, by W. YOUNG M. D. The line has now approved, the y. YOUNG ing from second diseasers incombents. Of the result of these Senatorial elections we learn that, in Montgomery county, William Lin-gan Gaither (Whig) is re elected; in Frince Geor-ge's, John D. Bawling is elected; heng a Whig gais; Anne Aarundel, Edward Hammond is elec-ted and in Carolian Thomas Turner, both Dam-ocrats, to sacceed grathemen of like politica. The other counties having to choose Senators are Charles, Somerset, and Calvert. In Somerset there was no opposition to John H. Done, (Whig) and there is no doubt that Charles county has re-elected John Mathews, islo a Whig. Calver rounty was last represented by a Democrat, and it is uncertain which party has now obtained the victorr. The candidates are Alarander Somer-ville (Whig) and Daniel Kent (Democrati.) The Senate last year consisted of thirteen Whigs and eight Democrats. If the Democratic endi-date has been successful in Calvert county, it will now stand fourteen Wug and seven Democrat.
