Da. TOWNEND—I verily believe that your Sarasperilis has boon the means, thouse be that your Sarasperilis has boon the means, thouse be that your Sarasperilis has been to mean the same of saving the same way to be the same work and the same that the same way to be the same work and the same that the same tha

Female Medicine. Fernale PRODUCTION.

Dr. Townson's Saraparille is a oversign and speedy cure for incipiont Consumption, Barrenness, Prolessa iters, or Palling of the Womb, Costiveness, Pleas, Localization, or Whites, obstructed or difficult Mentrustransport in Committee of the Committee of the Saraparila Continues of Uring, or insvibuting discharge increed, and for the general prostration of the system—
to matter whether the result of inherent cause or causes, readend by irregularity, illness or accident. Nothing and he more surprising than its invigorating effects with human frame. Persons all weathern and headtime from lating in a case has one reading in the life.

are been blessed with fine, healthy offspring.

To Hiother's and Married Ludies.

This Extract of Saraparilla has been expressly prepared in reference to famile compliants. No female too has reason to suppose the is appreaching that crucial period, "The term of life," should aegiest to ide it, as it is a certain preventive for any of the numerous and hornibe diseases to which females are subject at this time of life. This period may be delicated for seneral years by using this medicine. Nor it leas valuable for those who are approaching wo nanhood, as it is calculated to assist nature, by quick-time the blood and surgiciaring the system. Indeed, thus medicine is invaluable for all the delicate diseases to which women are subject.

It heares the whole system, renews permanently the lody, not so far stimulating as to produce subsequent relaxation, which to the case of most medicine taken for relaxation, which to the case of most medicine taken for relaxation, which to the case of most medicine taken for relaxation, which to the case of most medicine taken for relaxation, which to the case of most medicine taken for medication of the medicine and due-sate. By using a few bottles of from the control of the produce of the

Grent Blessing to Mothers and Children Great Blessing to Mothers and Children. It is the state and most offectual medicine for purifying the system, and relieving the suffering attention of the system, and relieving the suffering attendant upon child birth ever discovered. It strengthens both the mother and child presents pain and disease, increases and enriches the find disease who have used it think it winderpensable. It is highly useful both before upon children and controlled the following controlled the suffering to the following the suffering to the first propositions. The result is the suffering to the first proposition of the first proposition of the first proposition of the first proposition. The great beauty of this medicine is, it is always such and the most delicate used most successfully, very few cases require any other medicine, in some a little Caster Oh, or Magnosa, is useful. Exercise in the open at, and light food with the medicine, will always sanze a safe and easy confirmment.

this medicine, will always ensure a safe and easy confinement.

incathly circulation, there is no beauty. If the lady is fair as driven snow, if she paint, and use commented and the blood is thick, cold and impore, she is not beauty that he had been on ry-tiow, and there is pars and active blood, it gives a rich bloom to the checks, and a brilliancy to their eyes that is faccinating.

This is why the gouthern, and especially the Spanith ladies, are so much defined. Ladies is the north who take but little exercise, or are confined in close rooms, or have spoiled their complaints by the application had been according to the special property of the special content of the complaints of the special content of the special cont

mother and child. Be careful to get the genuine.

Scrofalm Curred.

This certificate conclusively proves that this Barasparilla has perfect control over the most obvinate discase of the Blood. Three persons curred in one heave is suppressedented. But Townsenson—Base Br: I have the pleasure to inform you that three of my children have been curred of the Scrofale by the use of your asselient medicina. They were afflicted very severely with bad Soras; have taken only fore bottles; it took them away, for which I feel myself under great obligation.
