PHILIADELFILA, Nov. 4, 1848.

A letter from the Hon. David Wilmot, to Dr. Elder, editor of the Republic, the Free Seil paper, in this city, has just been received, dated Towanda, October 30, 1848, indignantly denying that he had descrited Mr. Van Buren, and was supporting Gen.

Caus. He says, also—'I have made more than twenty five speeches to public meetings in the district, pending my election, in all of which I avowed my opposition to Cass, and my support of Van Buren. My most earnest and active efforts shall not be wanting, between this and the skection, as this is now the centre of the combined operations of the whole Cass party of the State. Men and money will not be wanting. I had hoped that I had done and suffered enough in this cause to shield me from dishnonrable mapicions. In haste. DAVID WILMOST.
