If A cough should never be neglected. It may appear inding and uneverby the attention at first, but it in the property of the body will be symphateucally affected, and a confirmed Consamption and premature death will be the nevitable result. A little care would save many a life, and the timely use of a proper remedy might have arrested many a consamption. But many persons have an invincible repugnance to taking any medicine, and rather than the case the remedy may not be a pleasant one, would suffer and languish for a long une, before they would resort to the aid of medicine. B A Fahnestock & Co's Cough Balsam has a great advantage an this respect over many other Cough preparations, as its pleasant tasts permits it to be used without inconvenience. But its value as a Balsam consists in the speediness of its cure. We have known some of the most desperation coughs, some of which had been running on for a considerable length of time, pred almost immediately, wholesale and retail, by Prepared and for the Manage of the property o
