"The term of life," should neglect to take it, as it is a certain preventive for any of the extremes and horrible diseases to which females are schoot at this time of life. This period may be deleved for secred years by using the medicine. Not it if the valuable for those who are approaching we reached, as it is calculated to saint nature, by quickening the blood and inversating the system. Indeed, this medicine is township for all the delicate disease to which women are subject.

It braces the whole system, renews permanently the nearly concepts, by removing the supporting the system. Indeed, in the state of the soll, not so far eliminating as to preduce subsequent relaxation, which is the case of most medicine takes for female weakness and disease. By using a few bottles of this melicine, many very and painful surject operations may be presented.

Grent Blessing to Mothers and Children. Great Blessing to Mothers and Children. Messra. Sand:—Gentlemen—Sympathy for the afflicted induces me to inform you of the remarkable cure effected by your Saraparilla in the case of my write. She was severely afflicted with the Scrofula on different parts of the body; the glands of the neek were greatly enlarged, and her limbs much swellen. After suffering over a year, and finding no relief from the remedies need, the discress attacked one leg, and done, but without any same first physician advised it should be laid open, which was done, but without any same first physician advised it should be laid open, which was sinduced to use Sanw: Saraparilla. The first bottle produced to use Sanw: Saraparilla. The first bottle produced to the same same she find used with bottles, to the astonishment and delight of her friends, she found her she had used with bottles, to the astonishment and delight of her friends, she found her health remains good, showing the disease was thoroughly eradicated from the system health greater streams of the same streams of the same streams are all knowing to thesis facts, and think Sanw's Saraparilla a great blessing to the age.
