If has been introduced vary generally through the
Importance but what contain soon-remarkable eviimportance but what contain soon-remarkable eviimportance but what contain soon-remarkable eviding to the forest soon of the foregoing
statements, and of the value and efficacy of this medicine, the proprietor will insert a few of the many shousand testimonials which have been presented to him by
men of the first respectability—men who have higher
views of moral responsibility—men who have higher
views of moral responsibility—and instituce, than to exvity to facts, because it will do another; a favor, and
themselves no injustice. Such testimony proves conclusively, that its surprising excellance is established
by its intrinsic merits, and the umpastionable authority of public opinion. The instantaneous rollef it affords, and the soothing indence diffused through the
whole frame by its see, renders it a most agreeable
remody for the sifficted.

creaing new and rice blood, proceedings of the other medicine.

One STEEL Co., April 35th, 1848.

Dr. Swayno—Dear Sir: I.verily believe your Compound Syrup of Wild Cherry has been the medical advantage of the caught as severe cold, which gradually grew worse, attended with a severe course to, still increasing until my case exhibited all the symptoms of Pulmonary Consumption. Every thing I tred seemed to have no effect, and my complaint increased so rapidly that friends as well as myself gave a pail hopes of my recovery. At this time I was recommended to my vent my rainable medicine: I did so with the most hap-

Dublin county, N. C.

Important Cattion—Read Read:

There is but one genuine preparation of Wild Cherry, and that is Dr. Swayars, the first ever offered to the public, which has been seld largely throughout the United States and some parts of Europe; and all preparations earlied by the name of Wild Cherry have been put out since this, under cover of one determinations, in order to give one of missake by a little observation. Each boule of the genuine from the falsaff of the properties of the service of Dr. Swayne's and as further security, the portrait of Dr. Swayne will be added hereafter, so as to distinguish the preparation from all others. Now, if it was not for the great curstive properties and known virtues of Dr. Swayne's Compound Sgrap of Wild Cherry, person.

DR. TOWNSEND'S SARSAPARILLA

SARSAPARILLA.

Frender and Elessing of the Age.
The most extraordinary Modelan in the World!
This Extract is yet by in Quart Buttles: it is gritten cleaner, pleasured, and near-neid aspected with the second property of the Sarvaparilla over all other modelans, purply, editing
ventilary purply, editing
re Advillating the Patient
The great beauty and superiority of this Sarvaparilla over all other modelans is, that while it endicates the disease, it twingers is not body. It is one of the very best case, it twingers is not body. It is one of the very best found a power possessed by no other modelans. And is found a power possessed by no other modelans. And is performed within the last two years, more than 10000 earns of severe cases of disease; at least 15000 were considered incurable. It has saved the lives of more from 1000 old-liftern during the two past seasons.

10,000 causes of General Debility and want of Newvous Rusery.

Dr. Townsmid Sarvaparilla invigorate the whole system permanently. To those who have lost their moscular searcy by the select of medicine or indiscreto its great of the property of the promoter of the permission, and brought on a gasewait of ophotors of the passions, and brought on a gasewait of protects.

system permanenty. To those wan have lost their meacular energy by the effects of medicine or indiscretion committed in youth, or the accessive induspance of the pursions, and brought on a general physical prostration of the narrow system, heatinde, want of smithion, familing sensations, premainers decay and decline, hastering towards that fatted discress, Commuption, can be estirely resumed by this pleasant remady. This Servarilla is far supermitted Cordinal, as it removes and sufferent system, they are the properties of the muscular system, in a stronger and sufferent to the muscular system, in an out-attractionary degree.

Cleans and trigger of the muscular system, in an out-attractionary degree.

Cleans and the Contraction Companying can be cared.
