The Mankey Case-Judge Patton' nenced to mourn, when witness came to the door, asked him where had he got the liquor; the said he Exclusively for the Pittsburgh Gasette ARRIVEL, the little boy and Mrs. Zimmerke came out to the door together, and boh fell down; then Mrs. Zim-lee did not appear to be much intoxicated that merke gotup and was going to walk, but fell down nght. He had bad some luquor, I judged from his Charge. ALABAMA U. STATES' SENATOR. Louis McLane, Bennett, Brownsville Atlantic, Parkinson, Brownsville. The weather yesterday was cold and raw, and FITS!FITS! Vesterday morning the learned Judge charged PHILADELPHIA, Nov. 30, 1848. for out door business was rather umpleasant: in the Jury in this case. The court house was crowe Camden, Hendrickson, Beaver, Michigan No 2, Gilson, Beaver, Luke Erie, Sholes, Beaver, Beaver, Clark, Wellsville, Unrefine, Lashel, Beaver, again; there was another lady, but she does not By a Juror-Next morning he seemed to be By a Juror-Next morning he seemed to be THART'S VECENTABLE ETRACT IS THE ONLY REVEAU that can be read on not the permanent users of spannodic Contractions. It-tation of the Nervex, Nervous or Sick Headache, vervous Tremors, Neuralise Affections, Ganeral De-tity. Defeiency of Nervous and Physical Energy. Jaul Nervous Ibsorders, including the most dreading The Governor of Alabama has appo the way of general sales, however, a fair amount ed. After quoting a vast number of authorities Governor Fitspatrick, Senator of the U. States, in of business was done, with no material change in <text><text><text><text><text><text><text> defining the different causes of murder and man place of the Hon. Dixon H. Lewis, deceased. deceased, and took her over to the steps of witness' overy sensible; did not express any regret. I told inter packages from the importers, manufacturers and house; then she said that she was stabbed, shd had her in because of her refusing to let him have the blood. slaughter, and also defining the difference between FLOUR-The receipts yesterday were light, as DEATH OF A BALTIMORE MERCHANT. There were three counts in the indictment-track of the start manisughter, he said: There were three counts in the indictment-the first charging-voluntary manisughter, and descri-bed the mode of the desth, as having been brought about by the discharge of a pistol, loaded with that or there. Clipper No. 2, Crooks, Cin. Industry, ------, Cin BALTINORE, Nov. 30, 1548. Robert Gilmore, Esq., one of the oldest and mos infigential merchants of this city, died suddenly to day of asthma. NEW YORK CANALS. NEW YORK, NOT. 30. 1848. The Canal Commissioners of this State bave passed a resolution which closes navigation on the Canal from Buffalo to Albany, on the 9th of December, whether closed by ice or not. GOOD INTENT COTTON FACTORY BURNT. and from store at 15/2000 \$ bu. At dusk last evening, there were 5 leet 6 inche 1 PHILADELFHIA, Nov. 30, 1848. GROCERIES AND PROVISIONS—We find water in the channel, by pier mark, and failing. The Good Intent Factory, on the south side of no change from our yesterday's rates; markets rethe Schuylkill River, was destroyed by fire this maining very tirm. evening. The loss is heavy, but it is reported to be secured by insurance. PHILADELPHIA MARKET. PHILADELPHIA, Nov. 30, 1545. ----Market dull, and sales of prime brands at \$5 50 per bbl. Genia-Sales of 2500 bushels Wheat at 109 for Grain-Sales of 2000 Dusness w near at 109 for red, and 116/2117 for white. Corn-New white 55 offered, 56 asked, and old sheld at 56 cts per busel. Provisions—There is no activity in any article-Whiskey-Sales at 240 per gal. Groceries-The market is unchanged. NEW YORK MARKET. NEW YORK, Nov. 30, 1548. Flour-The market, with moderate business, i in favor of the buyer. Sales of 5500 barrels Gen esee at \$5 31@\$5 373. Corn Meal-Sales at \$3 06; per bbl. Grain-The market for Wheat has a downwar-tendency, with sales of prime white Wheat at 12 G127c, and western reds, via New Orleans, at 11 Corn-Sales of 13,000 bushels prime white an yellow at 67c for white, and 71.072c for yellow. ales at 62 cts per bushel. Ryc-Sales at 62 cts per bannet. Barley at 61 cts per bu. Provisions—The sales of provisions are only to the regular trade demand. Sales of Mess Pork at 12 256312 563 and Prime 59 12469 20. Prime Beef-Sales of 365 ctsks at \$6. Cotton—Market in favor of the buyer—a de-cline of 1c is quoted to day. Whitter—Sales at 244 cts. Rye Stocks-Sales U. S. Treasury Notes at 1051 Nuw Couvergrent - We were shown yesterday a counterfeit \$1 bill Allegheny sorth, which although base in many respects, is well calculated to deceive. It is dated Aug. 11, 1545, letter D. No 3242. The signatures are written in good legible hand, but bear very little resemblance to the organization of the stress of BALTIMORE MARKET By a Juror-Never as w prisoner drunk; but frequently from his conversation a person would suppose he drank some, could not say whether he was drunk or not that evening; had those wild looks even when they were joing together, it is looks even when they were joing together, it is a well in regard to the vegetable as the animal kingdom.
The exhibition will be continued to-night, and so charged and varied as to make it instresting even to those with sumed at last evening. amilied with all despair no longer, for there is hope-MESSRS THOMAS & MLLPS, 100 Main street, Cin-eranasi, Ohio, Agents for Doctor Harts Vegetable Extract for the cure of Splippic First Gendemen-I is almost impossible for language a express with what hear field sainfaction I address the ... few lines to you much the purpose of informing you... if where the second second second second second by the end of the second second second second second second field with beileptic Fits and with more severely at the of Dr Hart's Yegenbale Extra been severely at field with beileptic Fits and with more severely at the opinion was, be could not be cured.
In one of his parotyperma be fell nucl broke her arm, i called in Dr. Mullord, a very excellent physican second be out when of Eptilepsy, as Epileptic Fits way re almost incursile, and employing physicans in his case would be only throwing money away.
I called upon Dr. Pulter, he informed me that the disease would be only throwing money away.
I called assumed a chronic form, and it would take a lang time to cure him if the could be cured at at...
He became worse and worse, and I began to turk BALTIMORE, Nov. 30, 1648. Flour-There is no marked change from yester day, but if any thing duller, and business in favor of the buyer. Sales Howard Street at \$5 06; cts possible for the death of the deceased, on that count. Or suppose the wound blueded the deceas-ed, and he ran into the water, not knowing whith-er he went-why this would be a very nice and difficult question, and it would not be very easy to say hiw far the common weath could urge this second count. But in supposing such a case, he was no evidence on the subject. The common-wealth were bound to make out every point of their charge, and sustain it by the most saturfactory proof. LADIES DRESS GOODS in all their variety. Country Merchanit and Merchani Tailors are invi-ted to examine his stock, in Wholesale Rooms, second story. Fail Dry Goods. and City Mills at \$5 121 per bbl. Grain-Sales of 3,500 bushels of prime white d red Wheat at 112@115e for white; and 108c er bashel for red Corn-Sales of 15,000 bushels of prime yellow Fail Dry Goods. Shacklett & White. No 90 Wood Stratter, INVITES the attenues of Westorn Merchants to their large and fresh stock of coming. Could not say that they over quarreled, they were always good. HOUSES. LOTS. FARMS. &c. at 52c; for yellow and w Dats-Sales at 30 cts. per bu. Provisions-The sales of Provisions are only t ilar trade. The inquiry for Pork, howeve but little is doing. key—Sales at 24 j cts per gallon. An Ordinance ating to the duties of the Mayor, and for othe purpose. Sec. 1.
