CAPT. JOHN BERRON.

our price current and weekly review of the ma cake. The smelting works of the Pittsburgh and cake. The amening were to the the state of t form of ingots, for foundry purposes, and of rough cake, for the purpose of being rolled into sheets.

The ingets are sold throughout the west, being of the erection in this city of a rolling mill to many facture braziers' copper and brass is not only a de-sideratum, but it would pay well. When the growing wants of the mighty west are costi smelled here, it cannot certainly be long below men of enterprise will be found who will embrace flattering an opening to establish a flourishing the season just closed, sold ore to the amount of this, to give some idea of the extent of its busi capital in a copper rolling mill. Two other copper companies, mostly belonging to this city, the Nort ndry purposes, and that the company another important branch of manufacture has been established in Pittsburgh, which bids fair to become

in a state of entire suspension on account of the intense dread of the awful visitant. Boats were intense dread of the awful vinitant. Boats were unable to discharge freight there—nobody would raceive it and pay charges. At Cincinnati and Louisville, the slarm was very great. The Cincinnati Commercial of the 30th, states that the stanues George Washington, Diadem, and Schuje without trenching upon the rights and perogatives steamers George Washington, Diadem, and Schuyl-All the passengers left the stenmer Bay States passed the South America coming up, full of sick people, and only a small crew on board. The following is the extract of a letter from Louisville ving is the extract of a letter from Louisvil ed in the Cincinnati Commercial:-

published in the Cincinnat! Commercial:

The Cholera is without doubt raging to a fearful extent in New Orleans, where the mercury stood at 80 degrees, on the evening of the 27th. Every boat that comes up is crowded with Southerners who are flocking to the North to escape the abhorred pestulence, and every boat bringing up from three to eight dead bodies of unfortunate victims! The Memphis packet Stephens, reached here tonight at 9 o'clock, with over 300 passengers. She reports having passed the Wilkins, at Smithland with nine dead bodies on board—passengers that died during the trip.

A gentleman from Cincinnati informs us, the meh was the alarm of passengers coming up, that many of them forsook the bouts at Paducah and Smithland, preferring to undergo the fatigues

The effects of this alarm on husiness in Ne there for shipment, be must most disastro Our telegraphic despatches received last even-ing, show a fearful mortality in New Orleans. Its effects upon business, at this important season, last evening, said to have originated from a private he say to you!" asked his friend. is most likely a mistake.

Free Soil Convention in Ohio. The Journal says that one hundred and forty-three persons were present, of whom it judges that at least two thirds were outsiders. presented a highly respectable appearance. The

as the permanent omeers of the convention —

-Wm. P. Huffam, Eli T. Tappan, and The officers elect took their seats.

Mr. Speaker Randall moved that a Mr. Speaker Randall inoved that a committee of ave be appointed to select a central committee and also to take measures to increase the circulation of the central organ. The Chair appointer Brewster Randall, E. N. Sill, James Westwater Wm. P. Upham, and J. C. Vaughas, said committee.

occupied in speech making. The convention ad-journed sine die, on Friday afternoon, but the procoodings were not published in the Columbus

journed sine dis, on Friday afternoon, but the proceedings were not published in the Columbus Journal of Sarurday.

We were imposed upon, yesterday, by some one, is relation to the proceedings of a meeting in the Second Ward. 'We presumed we were publishing the proceedings of a regular Whig meeting; but it turns out we were mistaken, as the ticket contains the names of several Locofocos. We regret this the more, as the paper was issued on the gret this the more, as the paper was issued on the moring of the election of several of the officers; but as wegave the genuine ticket in another place, we trust there was no harm done.

Col. Primort.—A correspondent of the Buffalo Commercial thus speaks concerning Col. Fremont's going to California .—The writer has reason to be lieve that Col. Fremiont has gone to California to settle for life—and that he has sent round the new lieves that Col. Fremiont has gone to California to settle for life—and that he has sent round the new lieves that Col. Fremiont has gone to California to settle for life—and that he has sent round the new lieves that Col. Fremion in a new country, have also gone of the catact.

This idea is semiently characteristic; and if it could anywhere be moulded into a law at the present dey, it would be in France without doubt, a window for his wile, who will probably leave in the bottom of the Court of the San Joaquin, in time to make a comfortable shome for his wile, who will probably leave in the stone of the carefully picked party," are mechanics. steamer, from New York, on the 1st of April As

FROM WARRISOTON. Potrespondence of the Pumburghiassens \
Wassenstrom, Date 30, 1848.
This day brings the end of the fourth week of he session. No great amount of business has been disposed of, yet the mouth has been well employ-ed, the Committees have been steamly and mith-

duly hi work, and have already prepared more bills for the action of the House than there is any probability of its acting upon. First among these bills are divined for the annual appropriations, from amittee of Ways and Means, which must be passed of course. The rest of these were re-

The whole of Friday was consumed in the House in debating a private bill, involving a very suportant principle. It was a bill for paying to the heirs of one Pacheco, of Florids, one thousand dolars, being the alleged value of a slave named the agency of the officers of the Army. The slave was hired by Capt. Casey, a Quarter Master, as a guide and interpreter to Major Dade, in that mem orable and fatal expedition through the Hammocki which had such an awful termination in 1835.-

whom he claimed as his servant, captured in battle and as he considered a lawful prize of war. With and as he considered a tawin prize of ownership between the white and red claimants to the colored chaitel, Gen. Jessop decided that Lewis was a dangerous character, and he said if he had time, he would have hanged him, but not having time to do so, holds Lowis in suspense, then sends him west of the Mississippi with the Seminole Indians
Pacheoo deemed this a forcible taking of his slave
and brings a claim for the value of him.
Gen. Wilson opposed the claim on the groun

He made a long, learned and entertaining speech is support of this position.

Mr. Burt; of S. C., chairman of the Con

who reported the bill, replied at length to the argument, and said that the plair question to be decided was, are slaves preperty? If the House decides that they are not, then they might escape the liability to pay for slaves taken or employed in the cides that they are not, then they might escape the liability to pay for slaves taken or employed in the service of the government, under any circumstances. If they were property, as the laws and the constitution of the United States as well as the slave states say they are, then here was a clear the slave states say they are, then here was a clear the slave states any they are, then here was a clear the slave states say they are the slave states say they are the slave states say they are the slave states as well as a work state of the Cherokee National Council.

A Van Baren twitting to the Detroit Aderica say was a clear the slave states and the slave states table. It failed, ayes 66, nays 85. Mr. Giddings then took the floor, and in the midst of his speech the House adjourned. So that the matter is not ended, and may very likely consume half a dozen more days appropriated to the consideration of pri

wate bills.

Gen. Taylor is not now expected before th ot only permanent, but very extensive.

Thu Chotaga.—The alarm in the ports down the ver in relation to the Cholers, is most intense. All ecounts represent business at New Orleans to be

the first of the month.

Parties are standing still, and are nar-owly the task of government, the duties and responsi-bilities of which, this generation of Whigs has not known. On the other hand the democrats are surveying the ground, and without too intently and sadly contemplating the scene of past disasters are looking round for the ways and means to avert

what they cannot but consider the now probable result of an eight year's minority. And firstly, they

"Why," answered the ambitious individual, "I

said, get out of the way fellow." Mr. Stuart will probably no sooner be in the way than he will be ordered to get out of it, I am happy to say that on Monday, holds his last official lovee. His name might have carned the personal antipathy of his political oppo ly prostituted the patronage attached to his place for the advancement of his own sectional and in-

gone through his four years career, without having ty prostituted ind patronage attached to his own sectional and intensely selfish faction. Perhaps when he goes out of office he may receive fewer evidences of men's contempt than Mr. Tyler did, but he will bear with him the executation of a multitude which will be Journal.

We learn that the ship Sweden, which is to sail on the 5th of pext month for California, has two hundred passengers engaged, and will probably take out three hundred. The price of passage is \$150, making \$45,000 passage money.—Boston Journal. heard till he is fogottap-

TAX ON BACHELLORS—The Washington Globe has the following notice of the proposition which has been made in the French Assembly, to lay a tax upon celibacy—upon contumacious

It is proposed that bachelors shall be taxed upon arriving at the age of twenty-five years, and that the tax shall be equal in amount to all the other taxes paid by the impracticable repudiator of marimony on account of real or personal estate, or for licenses, or for anything else. At the age of thirty-sive there is again an augmentation of the tax, which goes on angmenting periodically, until the edibitars prives a fully then, if he is a back-leve will it remains astainary to the end of his

bome for his wife, who will probably leave in the steamer, from New York, on the 1st of April. As mong the "carefully picked party," are mechanics, and in a particular, an excellent engineer, and a millwright.

Pressyrvania Lugislatures—We failed to receive last evening, a telegraphic despatch from Harrisborg, as we expected. We learned, however, from a private despatch that the Horse did even, from a private despatch that the Horse did even from the comparative case of supporting a law, in the comparative case of supporting a law, in

months of the election, yesterday, at the time we closed our forms, the result has been quite grantly into the What; The returns above that selection is a large working majority in the city, even for small correspondent of the security in the city, even for small corresponding to the What; The returns above that we have a large working majority in the city, even for small corresponding majority in the city, even for small corresponding to the What; The returns above that we have a large working majority in the city, even for small corresponding majority. A gratieman whom the darsting prospects early induced to start for the diggings by the Charges route has just returned, after getting as far as Panana, fluding there two thousand persons entitled to precedence in the vessels from thence; and it is computed there are 6000 there now, eager for a chance to San Francisco.—Not. Int.

chance to San Francisco.—Not. Int.

The Commissioners of Philadelphia county have made an appropriation of \$4,500 for the purchase of the site of the Fenn treaty. Some years ago the Penn Society erected a Monument, as they supposed, upon the spot where the famous Treaty Elm stood, but the real location is about fifty feet distant. The ground is now covered by hage piles of boards from an adjacent saw mill, and but for this timely appropriation it would inevitably have been built over. Within a few years back this portion of the suburb of Kensington has become crowded with factories, mills, and ship yards, and even the monument has not more than a dozen square feet of ground appropriated to it.

A GIFT FOR MR. MORRE.—Was entered at the

A GIFT FOR Ms. MOREE.—Was entered at the Boston Custom House, yesterday, a gold brooch, studded with diamonds—a present from the Sultan of Turksy to Mr. Morso in honor of the electric telegraph. The duties amounted to \$120. A great number of valuable pictures in the pub-lic collections of Paris have been destroyed during the revolution.

A new and splendid theatre is about to be erected in Liverpool. "The Haunted Man and the Ghost's Bargain," the title of Dickens' new Christmas atory.

the title of Dickens new Consumas scory.

General Stirling Price, the Liberty (Mo.)Tribune stys, will be a candidate for the seat in the U. S. Senate at present occapied by Mr. Atchison.—But Mr. Atchison, whose term expres on next March, has written home that if the majority of the party want to re-elect him, he will serve; if not he will decline—or words to that effect.

To show the favor with which the ragged schools recently started in London, are regarded by the lower orders, the following incident is mentioned: Pacheoo deemed this a foreible taking of his alave and brings a claim for the value of him, Gen. Wilson opposed the claim on the ground that the man was not and could not be property in at far as the general government was concerned.

and hollidays, and built another free of cost."

Captain Dutch, the famous Cherokee Warrior, died on the 14th ultimo, at his residence in the Nation. His name was a terror to the Osage, upon whom he waged ferocious war twenty years ago, because, for some unexplained cause, they put his Osage wife to death. The report of a gun in their vicenity would fill them with fear, and they would fly to their arms, crying 'Dutch' Dutch' Putch' At the time of his death, he was a member of the Cherokee National Council.

gress and rresidential Electors will be elected by a plurality vote.

South Casolina does some things so handsomely as to extort respect. Her Legislature has just appropriated \$50,000 for a monument to those of the Palmetto Regiment killed in battle in Mexico.

Dz. Farady is said to have proved that chrystalization is in a remarkable manner dependent upon magnetism.

Mr. Layard has lately left England to continue researches on the site of ancient Ninevah.
