PROE WASHINGTON. Por In Pinsburgh Garetin. ence of the Pinaburge O Manna Educra Since I wrote you my list, I have been absent from home, and have not had TON. Jan. 10, 1849 ath of LL Co awa of the Dis, paymenter in the army, which occurred a to reading of your paper. But since I have re-Brownsville last evening, was received here to day It is reported that he died of cholera, contracted o ed I have glanced over the back nymbers, an Thave read with surprise the spice upinter, and and Goal, written by Kirdand and Morse. I feel to up the river from Memphis, Tenness that an answer from me to the above-article becomes, imperatively necessar If this rumor be co ion that the pes In the state and a state of the second with th eep over the whole land on the return of warm his disease in the eighth regiment of Infantry, which this, however, not reach you in time to be inserted I presume will be given to the public to-morrow in this week's paper, you will please do me th ideed, it has already been spread over th

been told by a favor of giving it a place in the columns of your ountry by the telegranh. I have the army, that this regiment had lost one next. I me ed the deposits of cannal and found upon Mr. Browh's farm, for the good of the ndred and thirty six men, after its arrival at Por public, but the owner of the banks knew nothing

Lavara in Texas, as which point they had debark of it, until it appeared in your columns; and as th it is considered that the strength of the deposits have been grossly misrepresented by Kirtland and Morse, it is just and proper that egiment is not greater than five hundred men, the Gen. Dix had proposed addressing the Senate to should lay the facts of the case bef Facts are stern realities, and when they speak day, on the bill for the admission of certain art

mis-representation is not to be seen, except mittee reported to-day again But to the article. Besides,' says Kirtland and

Mr. Douglass, bill for the admission of California as Morse, 'the cannel coal on Mr. Brown's farm, a state. They take the ground that it is both ins (Mr. Balm writes of) from personal examination, proves to be nothing more nor less than a fine vei of slate, ôce' Wonderful to tell. al. The committee say the Territory proposed to be included in the

in figurd that he abould take time to prepare a more was first opened, it was of such superso curited its politeness of an about the the committee had quality and it was in such great demand, that is author of the hill to attend its meetings. The Sen at overe much squared to hear Mr. Douglass asy and bothershoeing, the handward that is done of the hill to attend its meetings. The Sen at overe much squared to hear Mr. Douglass asy and bothershoeing, the handward to hear Mr. Douglass asy the invitation he was not admitted to the situage of the committee.

the end of which I presume the extra number were ordered to be printed. I say, I presume, for I did not sit out the debate. I abo totice that the committee say that though they cannot advise the passage of this bill, they are in favor time, as the greatest legger-the richest boon give to man. Even now, methinks, every child in tanght to lisp its praise-every oraior is eager t eulogize ii-every poet hastens to embain it verse-history will immorthize, its memory-an when there shall be that great up-heaving of th elements; it will be the first to open its subternan-ous covering, when it will ignite spontaneously and the's will all ethers glow, and then will th earth melt with ferrent heat. Again, say they, 'on no other route has the can i friend Grimes, firend Briwn, friend Grard, awk i from your slumbers, and dream no longer of moor tains of silver, and charitos of gold. The Arthue of Ball Koads and cannel coal, Jones Kirlland -Firhue Morse, have given their verdict again yon, and it is intervocable. Artise and go to 'tiling ime, as the greatest legacy-o man. Even now, met -the richest boon give thinks, every child f the immediate organization of separate ferritor ial governments in California and New Mexico. The House to-day took the back track comp ly upon the bill for the creation of a board of Com-missioners, for the adjudication of private claims against the government. They reconsidered 'all votes took the bill out of the hands of the standing committee, to which it had been referred for the purpose of getting it out of the way, referred it again to the committee of the whole, and

restored it to its place on the Calendar, as a specia order, so that the bill stands an excellent chance of becoming a law. The general appropriation bill was taken up Fitzioue Morse, have given their verdut agains yon, and it is irrevocable. Arise and go to 'ulling, I hope that my friend Mr. William Brown will not lat this decision rest too heavy upon his mind. 1 understand that he owns between. 700 and 1000 acres of land on Bull Creek, and this, by giving in to one of his sons who his capable of carrying on the 'ulling' business, will support him and his com-panion as long as they live. So mourn as more. nd a member moved to amend the first section which provides for the payment of the mileage and per diem of members, by inserting a proviso that the mileage should be reckon ied by the shortest mail route Mr. Stephens and others were in fa-vor of the usual mail route. A discussion aprung

the ulling' business, will support the ulling' business, will support ganion as long as they live. So mourn ao use With basis, yours, &c. HORACE BALM. up on this proposed amendment; which was prin d at Mr. Greeley, the whole bein PITTSBURGH MANUPACTURES. token of remem To the Editors of the Pittsburgh Gazette : brance." for his late expose of the pickings and

Your paper having always putsued a wise calings under this head. I have ever witnesse a scene of greater disorder and boyish fun in th have occasionally arisen in this city between the unpulaciturers and their operatives. I des more becoming to the nursery than a grave legis-lative assembly. Mr. Greeley asked for five or trough its medium, to call the attention of o citizens to one or two matters deeply affecting the ten minutes to reply to the gibes and flings at him

chizens to one or two matters deeply affecting the prosperity of our city. Whatwer prosperity Pittsburgh enjoys, is in a great degree owing to manufactures. These man-ufactares are carried on by the joint action of la-ber and cantila. Without labor, caulta is named before the vote was taken. The House assented <text><text><text><text><text><text><text><text><text><text><text><text><text><text><text> and we shall no doubt have a short, practical, sen bor and capital. Sum give way a moment 1 (Mr. Goddard d In many of the positions taken by the Senato Fairfield I perfectly agree, and my duty in run ive way a moment? (Mr: Godard did so.) In many of the positions taken by the Senator from Fainfaid I perfectly agree, and my duty is to my mind clear. I therefore an accordance with the con-isistiuton and the law, declars Sectury Ford Gover-nor of the State of Ohic. The Speaker than any misenced the state of the sect. While this announcement was being made which was done in the midst of a treemendous to-mult on the left side of the Hall. Mr. Archbold, shaking his fut, its hend and his fody at the Speaker, was proclaiming at the top of his voice-You're a perjured sciundrel-a perju-red scounderle, sift.

red scoundrel, sir! Mr. Whitman, advancing towards the speaker's seat, and anking highest stathat officer. Mr. Speak-er, Mr. Speaker, Mr. Strastras, I order yoo, sir, I command yor, sir, in the name of the scople to stop to come down from that deak! You have violated your eath are son and state.

supp in come down from the data to have yindized your oath, ary you are a miserable coward You're a perjured villan! He then turned to the Clork's deak and threateningly commanded them to make no entry of the Speaker's declaration. It is inpossible to describe the excitement and comfasion in which the whole of these proceedings were transitied. The left side of the bouse war weather is and while it the approve the centure

out their feet, and unling in the oppoar, the gestures, attitudes, exclamations and ejeculations of the parties, made a picture which can only be convey-ed by the skilling painter of men under the most

ed by the skill(il painter of men under the most oracited passions. During this scene, and while Messra. Whitmon, Archbold, and other Sentors were buring their anathemas and oalhs at the Speater, that officer announced that. The Convention having accomplianed the pur-pose for which it was convened, the Sentors will apw reture to their chamber. The Benutors then left the Hull. Mr. Moul-I move the Speaker call the House to order, now that we have got rid of these disc-dering Sentors.

aker. The House will come to order. Monfort, (fourishing his

Mr. Monfort, (flourishing his cane over the clerk esk.) Order, hell! order, hell ! Speaker, (rapping violently upon the desk.) Order

order. Mr. Monfort.—Order, HELL. The Speaker continued cryidg order, being for a moment restored, a motion fo was made and carried, and The House took a recess.

being for a moment restored, and The House took a recess.
 Ouz Manuracruzzza - We ask the candid and imprejudiced utention of every elizen of Pitz-burgh and vicinity, who feels any interest in the future growth and continued prosperity of this citizen of of Canad Casl. Bit there is a route run-ning for a wonty miler along aide a vein of the best future growth and continued prosperity of this citizen of Pitz-ning for a moment and the manness of the pitzen of the pitzen is the communication of 'Pitzeburgher,' in another column. He states nothing but the pisin, unver-ning for a moment exageration or coloring. There insert was a more quicked, reckless, ungen-eross course paramed towards is up interest, or tor-wards any set of men, thin towards the manne, by a certain clique and a certain newspaper filts citize in the welfare of the city, sind with the set in the welfare of the city, sind with the set moven when too late over the biasted prosperity Pitsburgh, as a manufacturing city.
