The editor of the American, after nearly a we nost votrue statement in relation to Mr. Hampton's vote, which we exposed in our paper of last 8 The reader will recollect that the American stated that Mr. Hampton was "disgrat fully behind his ticket" in every district in the ernor." We denied the positions of the American in toto, and gave the evidence on which our denionly 60 votes behind the average of the Legislative flicers, and only 1190 behind the average

Ar. Hampton as far as his influence went, and having started on false premises, has resolved to stick to them, although by so doing, he manifestati all the world the bodness of his heart and the in this-he had paserted, that Mr. H. was behind candidate for Congress"—"the ticket they both uitled to claim it as 'kis richt.' " He ther eds to compare Mr. Hampton's vote with the vote for Governor, and then exultingly excla Mr. Hampton run behind "his ticket."

The rank injustice, not to say meanness, of su ent must be apparent to every reader. By ning, it might be said, that ev ery Whig elected in the county, "ran diagracefull wehind his steles!" The same mode of argument would apply to all, and it worth anything against Mr. Hampton is worth just as much against th

not receive the Native and Free Soil vote which Gov. Johnston received? If so, then Messrs. Nixa on and Scott, and the other Whig officers elecre equally disgraced. The weakness and wick-

tiele, that Mr. Hampton was "1600 behind the Whig that we were correct, we give the following totals

eather show that the editor of the American has

in his defence compares Mr. Johnston's majority over Longstreth, with Mr. Hampton's over Black and in this way makes out his 1600! But his as section was not that Mr. Johnston's majorities were 1600 greater than Mr. Hampton's but that Mr That this declaration was false, w have given the figures to prove. But the declara-799 as given for Congress—this deducted from his whole vote, leaves 8057, as his Whig vote. Nor let in compare again:
Total for Gov. Johnston......
Less Native and Free Soil vote...

Gov. Johnston's whole Whig vote..... Thus it is seen that Mr. Hampton was only 39

unjust deductions, that the American editor is stri- ment. If any thing is to be done to prevent the sing to inflict injury upon a gentleman whom the general and uncompensated cession of these lands, who is so in the country have chosen to represent their the common property of all the States, to the States Whigs of the county have chosen to represent their by such uninst attacks, his usefulness is destro ed, and the district proportionably injured. AGRICULTURAL SOCIETY.

We have been asked by several of our farm friends to urge the formation of an Agricult icty upon those engaged in agricu those interested in it. Two events which have escently occurred in our county are indications that the public is ripe for it, and that it but wants it ng. We alinde to the ploughing match go op by the exertions and public spirit of ore of ou most skilful and successful agriculturists, Mr. Wil-liam Martin, and to the meeting in Pine Township an account of which may be found in our par to day...
It is impossible to estimate too highly the enlarge

ed production, and the consequent increase in the one of the results of a well directed and spirited tion. Mr. Skinner, in his excellent periodical. The Plough, the Loom, and the Anvil, states that fifty years since the average yield of wheat in New York was twenty bushels to the acre; and that twenty years since the averin both States the present average yield is only inds the land sensibly worse. The process of deterioration is painfully evident. Now, under a system of good husbandry, it is in all cases practiadent the modes of cultivation to the the farm shall possess the means of maintaining its own fertility by the production of manures.
We know of nothing more likely to stimulate goo diffuses. The art of dividing and ec changed. In the control of the contr art could scarcely fail to be more generally diffus-ed, if an agricultural society should labor to that end. Suppose the agricultural products of the perceive that none of them were under the necessity doubled, as we doubt not in a few years coessity of making their marks. Why, said one of they might be, without additional outlay, but mere the party, Did you think we were from Virginia? the prosperity of the county as well as to its

uselves to every one. One occ us, which we will venture to mention. Our farmers do not keep so well up to the improvement veries of the age as do our men of sci ence and mechanics. They are less stimulated. The bountiful earth, however rudely cultivated, still yields a living, but the mechanic who is not up t our farmers can, and they, consequently, them. The rail road will bring produce to the plainly told the compilee that he would not an implet from the fresher lands of the west, it must swee any forther questions. He was notified that he met by increased skill, and more intelligent farm.

We trust our farming friends will not let the matter drop. They have our best wishes for suqcess, and our paper is at their service.

Washingrox, Jan. 11, 1849.

Weller, late candidate of the democrat

of Ohio, for Covernor, has arrived here. It is mbers of the He ue, yesterday, prese lves at the White House and obtained an interiew with the President, in regard to a person to ere urged on the ground of his service in Mexico, and of his recent defeat as the devoted candidate of his party in Ohio, the leader of a for-

candually of its believed that the piace has been larged younditionally promised to some one else; and it is probable the nomination has been made to be the could not help noticing that they never could not not provided Alex. S. Brewster, J. C. Malory and Franch and the memoracy here, if Mr Weller-yelp prove the successful candidate. Notwithstanding the temperatures of conduct of his friends in the Ohio Legitalures, no one dreams that his services will be required it is so believed that with the said of the free soilers the Whigs will be enabled to elect their candidate for J.S. Senator, who will probably be Hon. Thos. Ewing.

The subject of the abolition of the Slave trade in this district, has been disposed of in a most unexpected manust. After the re-bonsideration of Mr. Gott's resolution upon the subject, came up the various amendments prophes d to it, among which, the one most generally approved of, seemed to be that of Mr. Smith, of Indiana; simply directing to be that of Mr. Smith, of Indiana; simply directing to be the form of Mr. Evans, of Chester, the use of the committee, on the district is inquire what legislation, if any, is necessary to prevent the introduction of alaves for rale in this district. Pendon and the committee on the sould be the committee, on the fast of the free committee on the sould be the committee on the fast of the free committee on the propher of the committee of the fast questions of the question of popular opinion is of no par and asked if the first question in order was not good favor of the annexation of Caba. Mr. Foote's upon Mr Smith's amendment. The Speaker then said, no. As Mr Gott's resolution bad been reconsidered, the subject had lost the character of the subject had lost the subject had los to not the control of it will never be reached there. The Speaker said that would depend upon whether the House took up and disposed of business in its order.

Of course this particular resolution will never members will vigilantly watch every opportuni to introduce some other proposition, directed to the same end. These opportunities occur on every solution day, which is the first business day o

he House, had moved to amend the first clause of the general appropriation bill, by inserting a proviso, that the mileage of members of Congress should be calculated by the shortest mail route, and not as now, by the most circuitous route th the whole this morning, upon the abuses to which showed that by their modes of calculating mileage, showed that by their modes of calculating mileage, some members received during the time of their as simple as silling a basket with coal from Coa

book account alone, and the public are indebted to Ms Greely, for exposing the manner in which \$62,000 more are stolen.

After several half witted speakers, who feeling sore, made the greater asses of themselves by at-tacking Mr Greeley, had appropriated the charge of defrauding the treasury, Mr G. himself obtain

the floor. He was not allowed to speak continuate to complete the floor. He was not allowed to speak continuate to consider the floor. He was not allowed to speak continuate to convice all parties interested in knowing it, that their ribaldry and insolence were quite thrown away apon him. He proved to all the discontent of they had taken the sums 'set opposite their respective names.' Like moths that flit round the flame which scorphes them, the chief sinners crowded around Mr Greefey's seat, making the House much more like an irregular mass meeting than the dignified body which it ought to be.

Mr Hampton's bill for the cession of one million of acres of jublic lands to Pennsylvania, to be applied to the completion of three of her principal Railroads, is exciting great attention. It seems to be everywhere considered a most important move ment. If any thing is to be done to prevent the general and uncompensated cession of these lands, the common property of all the States, to the States in which they are, now is the time to act. Pennsylvania has asgood a right to aid from the Federal lovernimetri, by grants of lands for the construction of her great works of internal improvement. Government, by grants of lands for the construc-tion of her great works of internal improvement as Illinois, Indiana, Michigan, or Missouri, who

Washington, Jan. 12, 1819. There has been a painful rumor in town for the last twenty four hours, that the misunderstand makes the New England part of the population think of the land of their birth. No one keeps ing which is known to have existed for severa onths, between ex-Governor's Brown and Jones, of Tennessee, had resulted in a duel, in which the former was killed on the field. It is not mention in the newspapers of this morning, and may per-haps be set down as untrue.

Great preparations are making, in all parts of the

have all received such immense tracts for like

country, to go to California. I have been to day conversing with Mr. Freaner, the well known 'Mustang, the correspondent of the Delta, from the army Mexico. He expects to get off, about the first next month, and will form one, of a considerable party, which will go through Mexico, either by the way of Monterey, or the city of Mexico, Among others who are going, is Lieut. May of the Nav a brother of Col. Charles May. He has proc a furlough of twelve months. In regard to this, i seems only fair, to people who are earning the own living, and paying taxes for the support of Navy should be held to the duty and service fo which they are paid; or if they must go on explo-rations of this sort, let them divest themselves of their priviliges, and their huttons. Free compet tion in gold digging should be observed as we

sa in other pursuits. There are now here a finely equipped party young men from Boston, some of whom, we leaserved in Mexico as officers of the Massachuse regiment, who set out to night for New Orleans who intend taking the same route for the mining t exceeding it are of that class who, when they reach the new Do and of applying the resources of the farm to the rado, be fully as any to betake themselves to dis-purpose to be accomplished with the least waste, is what may be termed good husbandry; and this as to seek for the yellow dress. When they received hear could scarcely fail to be more generally diffustheir passports from the Secretary of State, that iral products of the perceive that none of them were under the ne

a thousand reasons might be given why an ag-significant society, similar to those which grace so many other places; should be formed. Plenty will dreased to the House a care will be thousand to the House a care will be thoused to the House a care will be the thouse a care will be dressed to the House a very indignant and vindic-tive letter, charging Mr. C. with gross involence, ma malignity, falschood, and demanded, since the chges had been preferred by him, a full investigat by the House. Accordingly a committee of fou were appointed, consisting of Mr. Duer of N. Y Dr. Frieze, of Ohio, Mr. Brady, and other gentle men. This committee having proceeded to business, had occasion to examine one Mr. Danie Taylor.. Ho was called by the opponents of Me-dill, and gave his answers to the examination in chief, with great readiness, but when they cam rai right to leave their lands worse than they found to the cross examination, he refused to testify and him to change his determination. The matter was him to change an electromand. The induct was brought before the House by Dr. Frieze in a resolution that the committee be invested with authority to commit Taylor to custedy for a contempt, and detain him, until he should consent to answer. A deal of debate ensued upon the motion and ort. many legal objections were raised to the course proposed. It was at length agreed to postpone and the major with Monday.

PERSYLVANIA LEGISLATURE.

art is warsswere read in piace a his applement art to the act to encourage the developement of the mineral resources of the Commonwealth; also abili to incorporate the Chester Coal Go.

Mr. Cornin a bill supplementary to the act incorporating the Pennsylvania Railroad Co.

Adjourned for want of something to do.

HARRISBURG, Jan. 11.

HARRESURO, Jan. 11.

Mr. Crabb, on leave, introduced a hill to repeat the act to incorporate the Eric and Ohio Railroad Company. Having been read a first time, and being upon the second reading, Mr. Johnson moved its reference to the Judiciary Committee.

Mr. Crabb streamously opposed the motion, and the disconsion was kept up at great length by Mesara Matthias, Smyser, Johnson, Brooke, Small and Mason. The motion to refer was finally rejected, 14 to 17, and the bill was then read a second time, and ordered to be engrossed for a third reading.

Mr. Johnson, from the joint select committee, reported that Friday at 12 o'clock, in the Hall of the House of Representatives, had been fixed upon as the time and place to count the votes given for Go-

relative to the estate of James Coleman, deceased the bill authorizing the Humane Engine Company to sell real estate, and the bill supplementary to the act to confirm the title of the Gen. Green Beneficial Society to certain ground rents.

ROUNG OF REPRENKYTATIVES.

Petitions were presented in favor of re-chartering the Farmers and Mechanics Bank. Philadelphia for the re-charter of the Bank of Montgomery Co., for the repeal of the act incorporation of the Society to develope the mineral resources of the United States, to make the county of Allegbeary or aponable for property destroyed by mobs, for the reation of a new county from parts of Beaver and Mercer, to behalled Lawrence; also remonstrances against the same; from Berks for the abolition of the death penalty, for a change in the license law. Mr. Meck submitted a point instructing resolution against flogging in the Navy.

Mr. Williams offered a resolution to instruct the Committee on the Militia System to bring in a bill to abolish millita trainings and to encourage volunteer compenses. After some opposition, the resolution was agreed to—yeas 55, nays 36.

Mr. Estelman, from the jeint committee on the subject, made a report providing for the election of State Tyrasurer on Friday next, at 12 o'cbeck, Mr. agreed to, and Mr. Stockwell was appointed teller on the part of the House.

deducting therefrom the estimated expenditures for the same period amounting to \$3,528,500, we have a balance in the treasury on the 30th Novem-ber, 1849, of \$901,099 39, or an increase over the present balance of \$322,500. "From this exhibit." present balance of \$325,500. "From this exhibit," the Treasurer remarks, "it will be seen that the revenue to be derived under existing laws, if properly applied, will enable the State to meet all its liabilities, and promptly pay the interest upon the public debt as it falls due."

The total amount of the abstement of five ner cent, allowed under the act of April, 1844, to such counties as should pay into the treasury within a certain period, their quota of tax, is \$11,522.11. In preference to this avaient the Treasure, while a

ing a balance of \$542,125,26 derived from the imperior provements.

The report recommends the passage of the revenue bills submitted to the last Legislature, by the late Secretary of the Commonwealth, the Auditor General, and the late State Treasurer, and also a slight sileration in the present revenue laws, so that the tax imposed upon debts due from solvent debtors, may be levied for State purposes only.

The Treasurer concludes by expressing his confident opinion that the State debt can be pidd within twenty-five or thirty years, if the proper Legishtion is had upon the subject, and that without increasing the burthens of taxation now resting upon the poorly.

AGRICULTURAL SOCIETY.

Mr. White—I had the pleasure of being at an
Agricultural Meeting, held by the citizens of Pine Creek, on last Wednesday night. It is, I believe the first attempt of the kind in our county. The meeting was spirited. At a previous meeting they appointed a committee to draft a constitution.

The committee presented a constitution which
was accepted and adopted after some amendments. It was then signed and officers elected. The neessity of forming a County Society is evident to cessity of forming a County Society is ordicat to overy thinking mind. And I would centrally re-quest that you would endeavor to jurn the strention of the inhabitants of this county—and especially men of influence, who seel an interest in serious-ture—to the formation of a County Society. Now is hat june. The few individuals who have com-menced, look forward with hope, expecting to be encodraged by med of ability and influence.

Miscellaneous Items. Barons — Instead of receiving fees for the County Court Judges of England as to receive fixed salaries of £1000 est erwices, the County Course alaries of Etwo ereside to receive fixed salaries of Etwo fixed The London Law Magazine hints that this we considerably diminish the County Court business.

PRIER C. BROCKS, THE BOSTON MILLSONAIRE rill not exceed one million eight hundred nd dollars, and that he has made no beque OFF TO CALIFORNIA.—Two sons of Robert Emmett Esq., of New York, were among the California emigrants in the ship Christoval Colon, on Samurday.

PREPARMO - FOR BUSINESS.—The Governor of liginia has appointed Richard A. Maupin, of San rancisco, to be a Commissioner for Upper Chile brain, to take acknowledgments of deeds, &c. MASSACHUSETIS—In the Legislature on Wed-nesday, Hon. W. B. Calhoun was re-elected Sec-retary of the Commonwealth, and Hon. Ebenezes etary of the Common Bradbury, Treasurer. THE HON. ANDREW STEWART, we are glad learn, having tecome convalescent, has reach Washington again.

BENTON AND FREE SOIL—Vague hints are aftor that Senator Benton has determined to take a bol and decided stand in favor of Free Soil. Ошо.—They-disorganizers in the Ohio Legisla

ture are atill engaged in their unboly work of pre-venting all Legislation, and of diagracing their hitherto respectable state. Ever since the Spenke elected Governor, there has been the most determined efforts on the part of the Locofocos to prevent the wheels of Government from moving other sten, although making every allower THE MARKETS. and taking the Locofoco count, Mr. Ford is clearly elected Governor. What will be the end of it is

> REPORTED FOR THE PITTEBURGH DAILY GAZETTI A great crowd was collected on the Allegheny tiver, on Saturday, to see the trial of Raiston and Philips's new life preserver. The exhibition ap-peared to be highly antafactory. We noticed a long paragraph in the New York Courier and Enquire of the 11th inst. spenking in terms of the highes praise of this invention. It had been most successfully tried off Sandy Hook. BURGLARY IN ALLEGHENT .- On Friday night the

house of Mr. Juo Irwin was entered by a thief and \$180 in money stolen from under Mr. Irwin's pil low which he was asleep. Anornes.-On the same evening the house

JAYNE'S EXPERTORANT.—We would call attention to this excellent remedy for Coughs, Colds, Censumption, Ashman, and all affections of the Throst and Longs. Having several times within a few years past had occasion to use a medicine of this kind, we have, by experience tested its excellent qualities, and are-prepared to recommend it to others. Ministers or other pathic speakers afflicted with bronchial affections will find great benefit from lit use. It is prepared by a sciential physician, and all classes will find it a safe and efficiency medicine in the diseases for which it is resummented.—(Combine (Ohio) Cross and for the commended.—(Combine (Ohio) Cross and Combine (Ohio) Cr

DE F. Millowin.

District Cocky
In Chancery R. E. M'Gowin. THE Bill in this er son; care and sam in the many years of his practice as a Surreyor, and that the respondent refused to restore them to the plaintif (an his return, after an absence in Beaver county, when he wished to resume his occupation as a survey or in Plitsbargh. The Billi prayed an injunction against defendant, to preven this using or copying the papers, and that they should be delivered up to the plaintiff. The naswer of the defendant pretended to claim the papers, plans, surreys, &c., as his own. The cause was argued week before last by McLandless and Craff for the defendant, and by Dunlog for the plaintiff.

The Court, by Judge Lowing, delivered their opinion on Naturday last derevening against MCOwin, and ordering him to deliver up the papers, plans, &c. to Remurgton.
