GOLD DOLLARS. -- We learn, says the Philadelphia Ledger, from the Hon. Charles Brown, at Washington, that the subject of coining gold dollars is now before the committee of ways and means of the House, as well as one of the committees of the Sen-ate, and we have the same authority for saying it is likely to be recommended by them to the favorable consideration of Congress. No objection is orged to the measure by the politicians, that we have heart and so far as the press may be taken as an exponen of the popular wish, the country every where favor is reason to hope an act authorizing gold dollars, may become a law the present session of Con-
