over.
Mr. Henley said if this were the fact, it was be-

ed to \$441,000.

Now, I can testify that the printing is very poor

ly done, on wretched paper and old worn out type. But it has never been well done, although the style

The fact is, the present contract is attractive the low, and Congress will probably pay to those who undertook it, from twenty to fifty thousand dollars by way of remuneration for losses. This they may do without a violation of principle, because the contract system is yet, here, an experiment. But been must come a radical reform in the business of making, printing, and publishing books at the expense of Congress. The profigacy with which business is carried on here, is beyond all bounds.

FROM NEW YORK

Vors Jan. 18, 1549 sined that the Cashier of the North River Bar has been loaning money without the consent of the tors of short \$60,000. The run away is Mr. Steinberg severy branch of business, see their standing, feets. Those, therefore, whatever their standing, who would either directly or indirectly, take such a position as to injure, weaken, oxestrate the strength of these representations loans were made to the amount of \$60,000. The affair came to the interests, are a curse to bus city, and deserve the reproduction of all its friends. They are also the bitterest enemies the Workingman and the poor man bits, as they dry up the very sources of their livesliked, and all their hope of future competency.

HARLEAND ACROSS THE ISTHESIA—The Hon. T. Buttler King, from the Committee on Naval Affairs in the U.S. House of Representatives, has committeed to that body a report and bill on the subject of the proposed railroid across the Ishmus of Panama. The committee recommend a grant of Panama. The committee recommend a grant of \$300,000 a year for twenty years, to Mestra. Aspinwall, Stephens & Channesy, for the pupples of enabling them to complete the conditions stated in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial. The cost of the road and its belief in their memorial as S5000,000 which is specified and will not be a sarge location and the proposed railroid of the troops under the committee of the troops under the committee of the proposed railroid across the labour. The cost of the road and its belief didy, in the officers who have neglected the conditions stated in their memorial. The cost of the road and its belief didy, in the officers who have neglected the road an would either directly or indirectly, take such tion as to injure, weaken, or destroy these to the amount of \$69,000. The affair came to the

being and by the year younce of their lives liked, and all their hope of future competency.

PRESTLVANIA LEGISLATURE. Almost daily, individuals and small companie HARRISBURG, Jan. 17, 1849.

leave this city and vicinity for California; and the The Speaker laid before the Senate a com same movement is going on to a greater or lesse The Speaker laid before the Senate a communication from the Governor, nominating Townsend Haires, of Chester, as Secretary of the Commonwishing He also presented a copy of the Inaugural Address of the Governor—whereupon, on moulon of Mr Matthias, 1000 copies in English, and 500 in German, were ordered to be printed.

Billis in Place—By Mr Mason, a further supplement to the set to reform the Penal laws of this Commonwealth.

The bill to repeal the set to incorporate the Eric and thus Railroad Company, coming up on third reading, Mr Johnson spuke at length in opposition extent, all over the country. A company, com gued of some farty or fifty individuals—composes principally of enterphising hearty young men—an preparing to start for the El Dorado, by the over land route. They are now procuring their wagon sometime in April. They are under the command of Captain Ankrim, and will keep up their military

of Captain Ankrim, and will seep up their ministry organization, even after they arrive at the mines for mutual protection, although each man designs to work on his own account.

There supmote over forty vessels on their way to California, via the Cape and the Straits of Magellan, with nearly two thousand passengers, besides those gone by the way of Chaptes, and overlaint.

already taken from that territory, and here is a proposition to provide for the ultimate addition of a sixth Sinte, twenty two thousand miles of whose territory will be taken from the region solemnly appropriated to the formation of five States, and no more. The hill went over until to morrow, when Mr. Buller promises to oppose it further. It will probably pass, however. The rest of the day, in this branch, was given over to private bills.

There was a sort of preliminary or sham battle over internal improvements to day, on a motion to print one thousand extra copies of a report of a survey of Buffalo Harbor. The advocates of improvements prevailed by a vote of two to one, and the paper was printed at a cost of twelve or fifteen dollars.

or the returns made to his department by the several banks of the Commonwealth, showing their condition for the past year.

On motion of Mr. Makins, 1900 copies in English and 500 in German of the said returns were ordered to be printed.

Mr. Mason, from the Select Committe, to whom was referred that portion of the Governor's message which related to the late Executive, made a report, in which they respond to the sentiments expressed in the Governor's message in regard to the distinguished virtues and services of the illustrious decessed. They recommend the adoption of the following secolutions:

Resolved, That as a testimony of high regard for the memory and virtues of the decessed, the chair of the Speaker of the Senate and House of Répresentatives, be shrouded in black during the residue of the session.

Resolved, That the Governor be requested to transmit a copy of these resolutions to Mrs. Shupk, and to express the regard of the two Houses to Mrs. Shupk for her elevated character, and their profound regret at the late Providential dispensation.

Resolved, That is bill be introduced authorizing. Letters have been received bere from Charges and Pagama, as late as 1st January. The passengers by the John Benson and the Falcon, about 300, all went safely over the Isthmus. If the California was expected about the 10th Jan. There was no crowd at Panama.

A letter has been received from one of the crew of the whale ship Washington, whigh was deserted by her crew at Monterey, staing that the "ababbest sheep" of the crew had \$150,000 and many of them mure.

best sheep" of the crew had \$150,000 and many of them more.

Lieut Frisby, of the N. Y. Regiment, has written to his friends that he has collected \$200,000.

Among the Calibranian Association tow being organized here, is one under the conduct of Mr. Andubon, ir., the son of the distinguished naturalist. It is to consist of 100 subscribers at \$500, and will proceed to Californis by land via St. Louis.—

The precise routs I do not not know. Mr. A. has been over the ground before, and expects to complete the yearney from St. Louis to the visignings within four months from the time af starting.—

The company will take with them an ample supply of wagons and pank mules, and provisions for eighteen months.—They contemplate passing through Chinabana to the region of the Gila, where it is the contemplate of the contemplate of the growth of the contemplate passing through Chinabana to the region of the Gila, where it is the proven a plentiful there as at its represented to be farther west their pligmage will be shorted.

Lieut Emory reports that gold is found. Should the metal prove as plentiful there as it is represented to be farther west their playinage will be shortened some 600 or 700 miles.

Our chief of police, Justice Marsell, has caught the contagion, and is making preparations to "ramose."

The pilot boat Anonyma (says the Boston Journal of last evening) cleared this forenoon for Sas Francisco, under the command of Cuptain Treadwell—The crew consists of ten men, all told Captain Treadwell intends to make the passage through the straits of Magellan, and thinks one horded and ten days (including stoppages.) will find him at his destined port. The A. is intended for a trader on the cost of California.

The Sweden, of 650 noss, has been purchased for \$30,000 by a Boston company, and will leave for

NEW JERSET STATE PRISON.—The report of the Inspectors of this institution represent it to be in a very satisfactory condition. The number of consticts at present is 176. There had been but two deaths during the year, one of which was by suited. Seventy one have been discharged during the past year, of whom twelve were pardoned.—The manufacturing and business operations of the prison have been very successful. The institution has paid all its current expenses, and at the close of the year had on hand, in addition to the full supply of fuel and stock of furniture, clothing, &c. \$40,338 05. There has also been paid into the Treasury, from the surplus earnings of the convicts \$2,260 39.

Chaores and Panama—Ch in Chagres, should be pronounced as in champion; the ag as in region and the rea as in trees, only shorter. Attach the current fears within the chagres.
