for the army and navy, the free states for-nished for the army and navy, the slave states for-nished, COMPLICAT DECLINED. declined the proffer of a silver tea service on bahal of his lady, designed as a test alance in favor of the free state nonial of his poli tical services, and suggested the appropriatio the fund to charitable purposes. The sugges After allowing the south the b

has been adopted. In his letter of declination, G

remarks nonial of friendship and exteen is ten-"This tes

No.

This testimation is intensing and each is ten dered in so delicate a manner, that my feelings dis-possibility of accept the futuring donation; yet a consciousness that I did nothing more than my du-ty as a member of the Whig Party, and that my exertions received the approbation of a majority of the virtums. honeast, and intelligent portion of plications for the reception of regiments and com-panies from the south, will satisfy such candid minds as that of Yulee, but it will nevertheless to him for Secretary of the not wonder if Butler King w tary of the Navy; but of th You have heard much of invitations passing be-tween General Taylor and Mr. Cay. Thorruth is, Mr. Clay was not invited here by the General; but he wrote to the latter about ten days since, that he was coming to speed the winter in New Orleans, and that on his way, if possible, he would stop to pay his respects. I am inclined to think that the General is not very anzious for the visit. I am con-fident Clay wants to sound him, to see how far he can influence him for the purpose of putishing his enemies, as the old Kentuckian's resentments never dicout. of the virtuous, honcest, and intelligent portion of my fellow citizens, has more than compensated ins for any labor or service performed. To have been humbly instrumental in producing results frought with innumerable blessings to the people and the country; such as the re-establishment of a sound republican policy, the increased happiness, comfort and welfare of our population, and the re-instructions, shall ever be extended a privilege instead of a laborious duty. This indicing counts of our worthe forearm There has been quite an active business mount to thirty thousand bales, at an average of vance of 2 cent per fit since the receipt of th FROM NEW YORK. Correspondence of the Finsburgh Carette. NEW YORK, Jan. 25, 1849. The internalitent California fover has returned riously within the past forty eight hours, and at The weather merous valuable citizens have been carried off, and some thousands taken with the disease. The sonable. Many of our citizens are going to California, while hundreds are canvassing the subject with an This judicious course, of our worthy Gover isst news from the placers, via Mazallan, has finie out. I think neither New York nor Louisiana will be shed the business for a numerous class, bef eye to emigrating. will endear him still more to the hearts of 'think netter new for nor housing win to represented in the chinet. 'The General will visit Cincinnati, Louisville, Nashville, Pittsburg, and soveral other: towas on the route. At some of them ho will not stay longer than a fow hours. At Louisville he will say some days, as he says ho has business to transact. He has so many places to go to that he thinks now he will not get to Washington before the 25th Febru-ary. thought to be acclimated to the emigrating man people. People offer cent per cent. for advan "Doctors Durygang -The New York Sun. o REPORTED FOR THE PITTEDUEGH DAILY GAILTIE paid on their return-life insurance policies are "Dorross Dirframe, -- The New York Sun, of the 25th inst, says: "Six hundred thousand dollars was the full val-ne of all the California gold received at the U. S. mint up to Tuerday, 23d inst. So we learn from parties who ought to know." The Herald, of the same date says: sold out, or mortgaged; and no expedient that will At local constrained and no expedient that will into a fore borns. At Localization of the set of At a meeting of the Wm. Penn Engine and Hose furnish money, left untried. Young men iu India rubber boots that reach as high as the thigh, and Company of Allegheny city, held on the 23d instant the following persons were elected officers for the "Now the fact is, that all the gold dust that has reached the United States from California, up to this date, does not amount in value to more than fify Thousand dollars". The last statement is probably nearer the truth The mint has coined \$48,000 worth of Californ gold, is we see by its report. The discrepancy between the two reports above quoted show how. wide from the truth many of the statements in the new process are newspapers are. The Editor of the "Protestant Churcher in Europe, in writing to his paper from London. in Europe, in writing to his paper from London, in December, has the following item : ..."Condon is brillinatly illuminated by the newlys-invented charcoal light, kindled on the top of a pillar in one of the parks at West End. The ap-plication of this to light houses promises to be of the greatest benefit. Thus far the success of the experiment here has been complete, and varrants the highest anticipations of its patiended useful-The New York Evening Post says, Mr. Tax (of by Yankees alone, will soon be on the way to His perintendent of the Line, M. Eldd, presented to the state of the s Ever, late Commissioner at the Sandwich Islands shoes place Mr. Eames, of the Union, has recen y been appointed to supply, writes home that he 000 were taken in a few days out of a pl hundred yards square. -The Rockville (Md.) Journal says that gold has been discovered on Mr. Elicout's farm, in Moni-genery county. A specimen has been sent to the Philadelphia mint, and primonos description of the The Rockville (Md.) Journal says that goth as splint a generation discovered on MA. Elicovit advances will manage and insure its in growny county. A specimen has been sent to the Philadelphis mint, and prenounced goundal. It is the the sent advances of the metal on the final split is intraced and prenounced goundal. It is the the sent advances of the metal on the final split is intraced and prenounced goundal. It is the the sent advances of the metal on the final split is the sent advances of the metal on the final split is the sent advances of the metal on the final split is the sent advances of the metal on the final split is the sent advances of the metal on the final split is the sent advances of the metal on the sent advances of the metal on the sent advances of the metal on the sent advances of the sen Philadephia mint, and pronounced genuine. It is depends there is an abundance of the metal on the family Training England is not and cannot be in a position to needs with a subject that is not and cannot be in a position to need the same of the indistructive sectors of the version of the vers national. Generat. Cass and the Without Photomore. A friend at Washington, whose usual Sources of In-formation we know to be reliable, assures us that General Cass has written a letter to the President, Mar. Polk, containing substantifully endedsration to the effect that he, the General, proposes to return or the Scause of the United States, and that should the Legislature of Michigah Instruct him to voice for the Wilnot, Provide, he will, explicitly and boldy maintain the doctrines of the Nicholson let-ter, and then resign his seat. In our judgment if this is the doctrination of Gen. Case it would have been far more maily in him to have simour-bed in to the members of the Michigan Legislature before he allowed them to proceed in the idention.
