MEDICAL.

COUGH, PAIN IN THE SIDE AND CHEST CURED.—Having for long time been distressed with a severe pain in the side and chest, accompanied with a dry cough, I was induced, upon the urgent solicitation of friends, to try Dr. Taylor's Balsam of Liverwort; and, I must say, this medicine has answered its purpose admirably. My distress was produced by a severe cold, settling on my lungs, and rendering it pain to swallow my food. Indeed, I am satisfied this disease must have terminated in Consumption, or some other disease, had it not been cured by this judicious medicine. To all who may be afflicted with a like disease, would advise the use of Dr. Taylor's Balsam of Liverwort.
JAMES GOWAN, 626 Brewery.

DR. MEDICINE DISPENSARY, Diseases of the Liver, recovers strength, and may be considered, as a superior preparation for the cure and prevention of all diseases of the Liver, and for purifying the blood, and should be resorted to, when after these diseases have resisted the usual remedies. In the practice of this old and very popular medicine, the proprietors of Liverwort have acquired an estimable reputation of Liverwort is superior to that of the abundant nostrums of the day, as was the character and probity of its inventor, to that of quacks and empirics.

CONSUMPTION CURED.—My son having a violent cold, used to cough violently, raising qualities of blood; we got him a bottle of Dr. Taylor's Balsam of Liverwort, which relieved him in a few days, and by using two bottles more, he was entirely cured. I have used it in my family with the best effects for colds, coughs, &c.

IMPORTANT TO THE AFFLICTED.
Dr. Rose's Celebrated Remedies,

DR. JACOB S. ROSE, the discoverer and sole proprietor of those most popular and beneficial medicines, and also the inventor of the celebrated Iceberg Refrigerator, which is now in such general use in Chrobic diseases, was a student of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, that he has commenced again in the practice of medicine, and is now permanently engaged in the investigation of diseases, and the application of remedies thereto.

The great Vegetable Inhaling tube, in connection with his Prophylactic Syrup and sheet of the remedies he has gained an unparalelled eminence in curing those dreadful and fatal maladies, Tubercular Consumption, Bronchitis, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Chronic Erysipelas, and all those obstinate diseases peculiar to females, which have been treated under the usual practice of his remedies, to which humanity is heir—not by the use of one compound only, for that is incompatible with the nature of the case, but by the use of his remedies, adapted to and prescribed for each peculiar form of disease.

Dr. Rose's Tonic Alterative Pills, when used are invariably found to be superior to all others, as a purgative of liver pill, inasmuch as they leave the bowels perfectly free from costiveness, as also his tonic, diuretic, and Anti-Bilious Syrup possesses peculiar properties adapted to female diseases, but not to be satisfied that a bare trial is sufficient to establish what he claims for them, he would most respectfully

The afflicted are invited to call upon the agents, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy and its application. Dr. Rose's remedies are for sale, as well as by most Druggists throughout the country:

Joynes' Expectorant.

THE subscribers are Co., Apr. 26, 1841.
DR. D. JAYNES, Sir:—I have used your Expectorant in my own family and among the poor and the afflicted public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your medicine. I have been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a miserable existence, until the fall of 1838, when, being more severely afflicted, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in this neighborhood, I was driven to the last resort for the consolation of surviving but a few days or weeks at farthest—when the last gleam of hope was about to forsake me, I received your Expectorant, commenced using it, and blessed by that Being who does all things in the use of its means—and contrary to the expectations of my self and friends, I soon found myself relieved from my bed, and was enabled by the use of a little, to attend to my business; enjoying since better health than I had for ten years previous.
Yours, respectfully,
JAS. W. ERWIN.
