I regard, the introduction of Pano-ramic exhibitions as an improvement of great in-Ing paintings: I regard the introduction of Panoramic exhibitions as an improvement of great interest and utility, and rejoice at their increasing popularity. Your own specimens are certainly of rare excellence, as to the character of the scenery, and I should think, also, in their execution. I was deeply interested in all the views, particularly those representing the scenery of the Nile, and the Mammoth Cave. The effect of the whole, is measured and execution of the control of th could wish; that as far as practicable, all would improve the opportunity of cultivating, at so cheap a rate, their acquaintance with the wonders and sublimities of nature and art.
Yours, cordially,

RESURECTIONISTS—Quite an excitement was o search for the shroud, the mutilated limbs of a smale 'stubject' were discovered concealed in a hay mow. Certain circumstances having come to light tending to implicate three young men, medical students, in Allegheny. Alderman Buckmaster, or application, issued a warrant for their master, or application, issued a warrant for their this date will be 25 per cent less than any former this date will be 25 per cent less than at my former this date will be 25 per cent less than at my former fails. master, of appheation, issued a warrant for their apprehension. Whether they were arrested or not we were unable to learn before going to press.

Morr Soldings—A detachment consisting of 115 recruits, under command of Lieut. J. M. Ward, 3rd U. S. Infantry, arrived on Monday evening, from Baltimore via Brownsville, and took passage yesterday, on board the Folion, for Jefferson Barracks. They constitute a part of the Regiment of Mounted Risemen, that is now re-organizing and will start for Celifornia early in the spring.

The Tier for Celifornia early in the spring.

The Tier for Celifornia early in the city yesterday, that Wilson had made a mistake, and had again altered his clock. This is untrue, Wilson is not only right now, but he intends to keep right. Having lost all hope of sun ahine enough in Pittsburgh to regulate his (clock, be has made in Pittsburgh to regulate his (clock, be has made and the control whether the present the city of the property of the Dismond. The Market at, weld invite the stending of deelers and close the creative state of the first part of the Carlon of the Carlo right. Having lost all hope of sun ahine enough in Pittsburgh to regulate his (clock, he has made arrangements with Mr. Riggs, who regulates the ahip chronometers and also the State House clock, at Philadelphia, to send blue the atip chronometers and also the State House clock, at Philadelphia, to send him the correct time every week.

Drs. Cutter and Cutteren's Lectures.—We cannot but admire at the taste displayed by our clitizens in patronizing these lectures so extensive ig. By special request, Dr. Cutcheon lectures tomorrow afternoon, for the benefit of ladies and gentleman, who find it inconvenient to attend in the evening.

On Sanday night the Police arrested Jim Williams, Henry Frences alias Julina and Geo. Rartlett. On Sanday night the Folice arrested Jim Williams, Henry Frances alias Julius and Geo. Bartletwho have been july committed for making depresdations in various parts of the city.
