MEDICAL.

VALUABLE DISCOVERY!
CONSUMPTIVES, BE ON YOUR GUARD!
DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY.

THE GREAT REMEDY for Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croups, Broken Constitution, Sore Throat, Nervous Debility, and all Diseases of the Throat, Breast and Lungs; the most certain, speedy and effectual cure ever known for any of the above diseases, is

DR. SWAYNE'S
Compound Syrup of Wild Cherry!

This medicine is no longer among those of doubtful quality. It has passed away from the thousands daily vaunted upon the tide of experiment, and now stands higher in reputation, and is becoming more extensively used than any other preparation of medicine ever presented for the relief of suffering man.

It has been introduced very generally, through the United States and Europe, and there are few towns of importance but what contain some remarkable evidence of its good effects. For proof of the foregoing statements, and of the value and efficacy of this medicine, the proprietor will insert a few of the many letters and testimonials which have been presented to him by men of the first respectability—men who have higher views of moral responsibility and justice, than to recommend, for mere notoriety, a worthless article, or for any mercenaries consideration whatever. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

Reasons why men, acting from conscientious impulses, voluntarily bear testimony to the truth of a thing, or voluntarily bear testimony, being contrary to their particular fact, such testimony, being contrary to their worldly interests and purposes, coerces conviction of its truth, and commends itself in a special manner to its truth, and commends itself in a special manner to universal credence.—Dewees's Moral Maxims.

SORE THROAT, CURE OF PULMONARY CONSUMPTION.

DR. SWAYNE—Dear Sir: I would say that I have been as successful in my practice with your Compound Syrup of Wild Cherry, as I could desire. I have never seen a case of Consumption, as Dr. Swayne's in desperate cases of Coughs, Colds, Asthma, and Consumption, every one of which I have cured. It stops the ulcers on the lungs, nausea, and appears to heal them. I speak from experience, as I have suffered for years with bronchial sore throat, and have never found any thing to give me relief like your Compound Syrup of Wild Cherry, which I have used in my family, and also in my practice, and can recommend it to the afflicted, as the best medicine I ever saw. Yours, &c.

SPIT. ARONIA CURE OF PULMONARY CONSUMPTION.

Sirs: Having used your Compound Syrup of Wild Cherry, and found it to be a most valuable medicine, I feel it my duty to inform you of the wonderful cure it has effected in my family. My daughter was attacked with a severe cough, that finally grew worse, attended with a distressing Lungs, which was accompanied with a severe cough, pain in the breast, and inflammation of the head; a very considerable degree of offensive mucus from the lungs, especially in the afternoon and evening. After using a few bottles of your Compound Syrup of Wild Cherry, she was entirely relieved from all the above symptoms, and is now in the enjoyment of good health. I have also used your Compound Syrup of Wild Cherry, in my family, and found it to be a safe and valuable remedy for Influenza, Coughs, Colds, and all complaints of an Inflammatory character. The complete and universal satisfaction which has been given by those pills to all who have used them, renders the publishing of the numerous certificates in their favor unnecessary. I will prevent counterfeiting they are now put up in a red xylographic wrapper.

Price 25 cents per box containing 30 pills.

DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.
Wonder and Blessing of the Age.

The most extraordinary Medicine in the World! *This Extract is put up to Quart Bottles: it is in these cheaper, pleasanter, and concentrated manner to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.*

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the very best views of moral responsibility and justice, that to recommend, for mere notoriety, a worthless article, or for any mercenaries consideration whatever. Such testimony proves conclusively, that its surprising excellence is established by its intrinsic merits, and the unquestionable authority of public opinion. The instantaneous relief it affords, and the soothing influence diffused through the whole frame by its use, renders it a most agreeable remedy for the afflicted.

SPITTING BLOOD.

New York, April 26, 1843.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. Spitting of blood, and night Sweats. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a wonderful change been wrought in me. I can now walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 65 Catharine-st.

Female Medicine.

DR. TOWNSEND'S Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Dyspepsia, Pulmonary Affections, Falling of the Womb, Gravel, Pain in the Side, or Whites, Shattered or difficult Menstruation, Incontinence of Urine, or Involuntary discharge thereof, and for the general prostration of the system in a manner peculiar to the result of the above cause or causes, produced by irregularity, illness or accident. Neither is it in the more surprising than its invigorating effects upon the female frame. Even all weakness and languidness, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the general cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures that satisfied, are delighted. Ladies of every station, crowd our office daily.

Notice to the Ladies.

These last have only called their staff a *great, Remedy for Female Ills, &c.*, and have copied our bills and circulars which relates to the peculiar affections of women, we (or some other men who put up medicine, have since the great success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended it theirs, although they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate disease, and undermine the constitution. Dr. Townsend is the only, and the first remedy for the numerous female complaints—it rarely, if ever fails of affecting a permanent cure. It can be taken by the most delicate female, in any case, or by those expecting to become mothers, with the greatest advantage, as it prepares the system and prevents pain or danger, and strengthens both mother and child. Be careful to get the genuine.

Scrofula Cured.

This certificate conclusively proves that this Sarsaparilla has a perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your Sarsaparilla. They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.

Yours, respectfully,
ISAAC W. CRAIN, 106 Wooster-st.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

CAUTION.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla, and have given names and certificates of Yellow Dock, Vila Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements—they are only worthless imitations, and should be avoided.

N. B.—Persons inquiring for this medicine, should not be induced to take any other. Druggists put up Sarsaparillas, and of course prefer selling their own. Do not be deceived by any—inquire for Dr. Townsend's, and take no other. ☞ Remember the genuine "Townsend's Sarsaparilla," sold by the sole agents.
