COUNTY AFFAIRS. The People of Allegheny county, we think, will be surprised to learn that there is a bill a ow pends-ing before the Legislatore, which takes from the Righ Sheriff of the county the custody of the Cour ty Jail, and gives it to the County Commissioner That the growth of the county renders some chang in the management of its prisoners desirable, v have long seen and held, but it by no means h lows that the desired reforms can nnot be as we indeed better, carried out finder the supervision of the Shentf as of the Commissioners, and we by no means in favor of having the one office aborn of its importance, in order to add to the importance, and increase the patronage of the

The bill reported proposes that the Commiss ers shall have joined with them a board of inspecors, to consist of four discreet and reputable perto herve without pecuniary consideration, to be dected-by whom? By the People: No, to be noted by the joint vote of the County Counties sioners, and the President Judge of the Court of Quarter Sessions. Now, the Commissioners being three and the ludge only one, it is quite eviden that the board of inspectors are to be the creatures of the Commissioners. A pretty check upon thei proceedings truly To serve, 100, ' without compen will very selfor trouble the county dignitaries with their presence. Could any plan be hetter devised
