FROM WASHINGTON. rrespondence of the Pittsburgh Gazette. WASHINGTON, Feb. 24, 1849. **FROM WASHINGTON.** Correspondence of the Pinkargh Gazette. WASHINGTON, Feb. 24, 1649. From what I hear this evening, is am induced to think that of this day, after conference between Gen. Taylor and Mr. Clayton, a tender of the office of Secretary of the Treasury was made to Hon. Horace Binney, of Philadelphia, and that of the

EUROPEAN AFFAIRS.

Horace Binney, of Philadelphia, and that of the head of the Navy Department to the Hon. About Lawrence, of Boston. It is the general impression that Mr. Binney will decline the offer of any seat in the cabinet, and that, upon his declaration be-coming known, the offer now said to be made to him, will be laid before Mr. Lawrence. I say this appears to be the general expectation, but 1 do not concurr in it. Under no creaments in statu quo, and may nearly certain that and it is therefore will take out nothing in the mind for useful action, is alone of any real advautage to mankind—there is

thing will be laid before Mr. Lawrence. I say the appears to be the general expectation, but 1 do not concur in it. Under no circumstances likely to occur during this administration, in my opinion, will Mr. Lawrence be placed at the head of the Treasur Department. Cen. Taylor has reaked town in a rather debth tated state of beath. He wis capped on Thursday at Uniontown, and probably will-continue more or iess indisposed null he shall gain a day or two of rest. Most of the Senators whose terms commence with the special executive session on the still inter. Arr. Soule, of La., Mr. Cooper, of Pa., Givernor issue, however, Mr. Clay and Mr. Cass, are issue cannot be expected at the Executive ses-ission. Some of the ensens of the larger issue, however, Mr. Clay and Mr. Cass, are issue accessions to the superior branch of the Lerger issue, however, Mr. Clay and Mr. Cass, are issue accessions to the superior branch of the Lerger issue, however, Mr. Clay and Mr. Cass, are issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue tranch of the cass are used the there was and the superior branch of the Lerger issue tranch of the cass are used the there accession and the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accessions to the superior branch of the Lerger issue accession to the su

ness to take part in any legislative proceedings while that troubelsome proviso is pending, has as er which he is said to be suffering. Gen. Shields

V volted subjects in Lombardy and Sicily. He showed that in both cares the mediation was unside draken solely at the earnest entreaty of the respective monarchs, before the reactionary noncesses es had set in, and when they were in a fright as to their own position. He likewise showed that no terize were even attempted to be dictated and that nothing was done except in eatire accordance with the solicitations in question. The interference of the British in conjunction with the French fleet, to establish contract entred on by the Nearcol. iom is looking out for business and ready, it it kingdom is looking out for luasness and really, if it can be abown to be safe. to embark in all to the ex-tent of his means. There is also a confused sort of impression-and I limit a very warrantable one-that the Californian matter is the commencement of a tide in the affairs of England and America which, taken at the flood, will open, in one way or another, opportunities for all who are possessed of enter-prize or industry. In the muchs of those who look beyond the moment, it is no of commer the mere. taken at the flood, will open, in one way or another, opportunities for all who are possessed of enter-prize or industry. In the much of those who look beyond that is taken into consideration, but its att gold that is taken into consideration, but its at-tractive effect in causing a rush to some of the fairest and most productive regions of the earth bringing us almost into the neighborhood with China and her reputed 200 millices of the hearth and not productive regions of the earth bringing us almost into the neighborhood with conservative opponents be stitled a reported that and netted 200 millices of inhabit.
