AMERICA. The Steamer America, which left Liverpool the 24th of Feb, arrived at Halifax at a quarter to three o'clock, this morning. Our express started immediately, and arrived at Digby at clayen o'clock and forty minutes, A.M. eight hours and fifty om Halifax. They arrived across the hours, being detained nearly 2 hours in the Bay by mmence fields of ice. LIVERPOOL MARKET.

FEBRUARY 24 The early part of the past fortnight, the demand for Cotton was most active and animated; and on With such an extensive inquiry, prices advanced in American descriptions was one farthing per Egyptian were held at 18-higher than on the American, and 16,200 bales Brazil. During the

receding. Butter has fallen from 1s to 2s per cwi. The foreign demand continues large, and the Since the 17th, the market has relapsed into an inactive state. Prices have also again given way, and the sales are only to a limited extent—not more than 33,000 bules having changed hands.—The leading from masters of Staffordshire out circulars to the effect that they were a week large, and supplies are accumulating. Owners had unproved from what they were a week large, and supplies are accumulating. Owners had unproved from what they were a week large, and supplies are accumulating. Owners had unproved from what they were a week large, and supplies are accumulating. Owners had unproved from what they were a week large, and supplies are accumulating. Owners had unproved from what they were a week large, and supplies are accumulating. On the present paid of the pa

advance at quarter day may probably take place to equalize prices with the same rate in 1868. With 7s 2d to 7s 4d; red, do., 6s 6d to 6s 8d. Flour-Western Canal and Richmond, 26s @ 26s 6d; Philadelphia and Baltimore, 26@29s; New Shop £9 per ton. The state of trade in the manufacturing district

on the whole, is satisfactory. Employment is plentiful, and activity prevails throughout. There continues a good demand for American

the Pennsylvania interest, in one half relief notes was received with considerable disfavor. U.S. nent, and orders for the stock have been executed have receded. Conzols at London, on the 23rd were 92; 693).

The India mail has arrived with dates from

Sombay to the 19th, Calcutta to the 9th of January and Hong Kong to the 30th of December. ENGLAND.

In England, Mr. Labouchere has again brought forward the Government proposition for the mod ification of the navigation laws; and Mr. Bancrot our Minister, states that "to whatever extent in liberality, the British Parliament may be dispose rention to-morrow, based upon cemplete recipro sels of both by the proposed law; it will be com-petent for an American vessel to come to Liver pool from the United States, laden with cotton an tobacco; she will be permitted to discharge al handize, coal, or passengers, and carry them to Glasgow or London in transit, and clear out wit perhaps a fresh cargo, from her final port on he

PITTSBURGH BOARD OF TRADE COMMITTEE FOR MARCH P. LORENZ. BCBT. BELL. C. TUG.

OFFICE PITTABURGH GAZE,TTE.

Saturday Morning, March 10, 1849

with a tendency to replace prices in the position they occupied at the close of last week. At this moment's writing, therefore, it is necessary to regard the depression of to, which existed up to yesterday, as having passed away and our

quotations can give so that the Broker's Committee place their Upland, at 43; Mobile, \$4; Or-leans, 5d. 5,500 American, 200 Surat, and 400 Egyptian, have been taken for speculation. 15,000 ern markets. Ergehe lapse of another week, then we may auticipally some activity in the market. grain trade has been very dull and inadive throughout the United Kingdom. The supplies at almost all our leading markets have been large, We may outote \$3,50 from first hands, and \$3,626 3,70 from store as about the ruling figures, with

RYE FLOUR -Receipts have been light, a there is very lutie on sale in the market. We no market is very inferior, and the demand limited, holders would willingly accept lower rates. In tice limited sales from store at \$3,15 p bil CORN MEAL Supplies are very limited. Pork and Bacon there is a fair business. Lard is

small sales only mat 50000 p bu.

SUGAR AND MOLASSES—Receipts contin quite liberal, and supplies are accumulating. Owing to the present/finited demand, sales of Sugar have been confined to small lots at, for common NO, 41, fair 42, and prime at 626). Molasses, has vancing prices 20s per ton, but as most of them we discover no change here, sales are regularly as my entry, was brought to the watch house yesterda. fected at 25c & gall, which may be given as the to increase the wages of the workmen, this proposed rise will not only be distained, but a still further

BACON.—The market is steady, but not active

Large quantities have arrived by river, mostly designed for eastern shipment. Sales of hog-round prospects of trade this seems reasonable. We quote present prices in Liverphol, for merchant bar £0 per ton. Best bar £3; hoop, £8 10s.— Sales of Cincinnali sugar cured canvassed hams at \$1; \$\pi\$ b.

> article in bbls, and 6@6; for good keg. Lower rates have been submitted to for

nothing could be done; except by barter. (The large export of bullion which has been going on for some time past, was beginning to tell seriously upon commerce, and a high rate of interest was FERIGHTS.—Shipping opportunities from this point west are note ample, and from the fact that the river is at Ligh tide, and must remain in ane navigable ofder during the coming spring season, eastern shippers may rely on quick transit and low freights, after the opening of the Canal.— As this is emphatically the "head of Navigation." contrary notwithelinding, there is always a large number of steam@ats of the first class here, and, tously awaiting freights for all points below, and as lously awaiting freights for all points below, and as house at this time, was attracted to the spot by the contrary notwithedning, there is always a large the multiplicity of hipping factlities must always lend to lessen the rates of freight. Pittaburgh has murderer until the bloody knife was taken from stances from the fact that, of late, strenuous efforts have been making by the citizens of Wheeling to induce shippers at Baltimore, and those in the west in the habit of shipping to that market via Pittsburgh, to make Wheeling a point of tranship ment of goods, to be carried from that point east by wagon, via Brownsville. Now, this is all preby wagon, via Briwnavdic Now, this is all preporterous and solloop as we enjoy the cheap facilities of transportation offered by the Monongabela Slackwater Navigation, shippers east and west, to have a substitution of the subs

ing from that point to Wheeling. And indeed, the same advantages will exist even in times of low water, for as much as our. Wheeling friends cry deed of damage. We could not learn how the fire out against the difficulty of assecteding the river at a low stage, when there are always light draught boats in waiting there are always light draught boats in waiting there to assigned the difficult pass.
