It is but few years since the protection of Amer can industry was a leading doctrine of the Dem of this State. It was supported an ratic party and by Democratic Governors, Legula ires, Presses, and Conventions All the leading fithe party in this city were open chamions in its favor. But now the Part, the organ of he party in this city, lays down as an axiom, in the the doctrine of Protection is un e, injust to the whole people, and there we place this on record for fulgre comment,

we have no doubt, from the attention now turned the introduction of manufacturing establishments nto the Southern States, there will be one unlited celing on the subject before many years,

The Post denies that there is any dist facturing; districts, and among manufacturers. derived from the All we know on the subject is derived from the testimony of the press, located in with districts. We know, also, that most extraordinary quantities of foreign goods are imported, dominising all the staple manufactures of this country, which would not be the case, were the insuffacturing fatters easts of this country in a healthy condition. We were shown, on Saturday, at the carpet store of Mr. M'Chatock, the commencer ifyles of ingrand. which he sta-

ed from England, which he stated to us were the first he had seen for some years. These goods are such as come into dispetition with home tabrics, and with A-

products. It is also we during the existence of the Tarif of '42 the maring interests of the country received an extraordinary, as the previous and at depression was marked.

SAMPE AND BEAVER CANAL We learn that this nalishow in good order as far as New Lisbor say that such a decision upon such grounds, is an Obio, and will in a few weeks be entirely finished to the Western Terminus, on the Ohio Chaal instance of partizan hitterness and bigotry hardly paralleled in our history, and it is to be taken as Several boats have already arrived, freighted with an example of the policy which the democratic majority of the Senate intend to pursue on the the products of the counties on this life, and be of goods are being shipped to New subject of appointments. The cap of retribution will sconer or later be held remoralessly to their Lisbon, to go from thence to Stark, Wayne, Carrol and other counties of Ohio. As soon as this Casal lips. PENNSYLVANIA LEGISLATURE. HARDSTRAM, March 20. STAT. Petitions and remonstrances were presented. Mr. ives moved that the vote taken yester-day negating the bill to allow bills of exception and writs of error in ariminal cases, be re-consider-ed. The motion disc vor. The further supplement to the act to incorporate the Phindelphia and Reading R. Co., was taken up on third reading and passed. On motion of Mr. Brooke the bill regulating the carrying of passengers on the Phindelphia and Co-lumbin Railroad, was taken up for consideration in committee of the whole. Mr. Brooke then moved a substitute for the bill, "authorizing the Casal Commissioners to enter into contract for carrying passengers over the Phindel-phia and Columbia Railroad for the termind J years," which was agreed to.

contract for carrying passengers over the Philadei-pha and Columbia Rainford for the term of 3 years, which was agreed to. Several amendments were offered to the substi-tute, some of which were agreed to. The to committee then ross and reported progress, when the bill, together with the amendments, were ordered to be printed. The bill relating to private acts of Assembly way taken up. [It requires the tax imposed by law on private acts of Assembly to be paid within aix months after the passage of the act, or the bill be-comes not and void. After some discussion, in which Messra McCas-in, Small, King, Brawkey, Overfield and Forsyth, the bill passed second reading. The further supplement to the sat relative to the Pennsylvania Lonutic Asylom, was passed Committee on Finance. The bill in reference to Chancery justadiction in the several courts of this Commenwealth was pass-ed.
