From the New York Commercial Advertiser FROM NEW YORK. BOMANCE OF HISTORY. The following article, which, we find in w recent number of the Model American Courser, of Philaence of the Putsburgh Gazette. Naw, Yonx, March 22, 1849. The leading speculation in financial circles in delphia is a remarkable production. The writer, J-C-, when we recognise as our friend ow, is how much coin we are to import from En J-C-, when we recognise as our friend MrJohn Carlis, connected by marriage with the tope this sension, for there are none now who doubt that another month will see coin landed here -First class sterling bills sell at 106t, and good have sold at 104t, a rate that will pay largely. The first bill drawing bottsein New York, Brown, Broders' Control of the sold state of the so edition for one entirely deprived of hearing and speech. He is a resident of this city, and a painter & Cd., have also been large purchasers of produce bills in New Orleans, at 1031, for which their plaof much monit. His wife is also a deaf mute and per has been given, and eashed at 12 per cent. a highly accomplished. They are both worthy mem-month, and brought here to be re-sold at 9 per cent. bers of an evangelical clurch, and the bappy parmonun, and brought here to be re-sold at 9 per cont, an operation which, taken into connection with the profit on the sale of bills abroad, will pay roundly. The import of spece upon money that raised, puts castial borrowers to some trouble, but a very eary imoney market will follow.

A large iron manufacturing establishment is to be established at Hudson, the river terminus of

matter what hue Locofocious likes - and it as changebla as the chanceleoni-it is all *iminou* pure "Jefferbiants Democracy." In the down by Jeffer moints Democracy in this State is glow by Jeffer moints Democracy in this State is glow by Jeffer moints Democracy in this State is glow by Jeffer moints Democracy in this State is glow by Jeffer moints programed "undemocrate and arginize". But what were Mr. Intransport ophinois in re-line and appointments. If it is works are removal as unit field by it for provision of the state and the man of the Cabonel, gere on to say in the commonies, there is an advantation in the fill of the field by the reading behad them, the is an difficulty in aboving that in the fill on control of the field by the provision of the state and and the state and the inguished of the grant in the fill on the field by the principles of party been living in open violation of the mithrough is whole career-which is and appointments, there is an difficulty in aboving that the states, as in the origing is and appointments, there is an difficulty in aboving that the is difficulty in a bobie that, has ead of the commonies of the Cabonel, scale there will all the records of the states, as in the ophings and provide the fight for the run of the states and the fight for the is an difficulty in aboving that the is administration of the states and of the provide is a state in the fight for the states and the states and the fight for the is an difficulty in aboving that the is administration of the states and the states

PENNSYLVANIA LEGISLATURE. HARRISBURGH, March. 21, 1849. SENATE.

Mr. Crabb, from the Committee on Banks, to whom was referred the bill with House amend-ments, to re-charter the Commercial Bank of Pennsylvania, reported it back with sundry amendholm, a disgraceful participation, under the sanction of his official character in the snuggling of goods into the Swedish port of Stockholm. In the Daily Journal, published at Lafayette, Indiana, (the home residence of Mr. E.,) we find the following nts. On motion of Mr. C. the amendments were ta-

On motion of Mr. C. the amenuation were the up, considered and concurred in. Mr. Forsyth, from the Committee on Banks, to the whom was referred the, billwith the House amend-ments, to extend the charter of the Farmers' and Drovers' Bank, of Waynesburgh, reported it back with amendments. Mr. Kongmachter, same committee) reported a bill to extend the charter of the Chester County Bank. [Atterwards taken up and passed—yeas 26, anys 7.]

ents of three lovely and perfect children. Mr. Carlin festided some years in France and Italy engaged in the study of his profession, and Italy engaged in the study of events which have happened in the world, though the study of events which have happened in the world, though the study of th

Mit. Joinson moved to rejet the bit to the Con-mittee on the Judicary. After considerable debite, in which Messrs-King, Stine. Joha-on and Konigmacher, participa-ted, the motion was agreed to. The bill declaratory of the fourth section of the set supplementary to the charter of the Penasyl-yana Kaihoad Company, was again taken up on second readiog. as follows: "Sir: With the assurance that your polite note

"Sir. With the sasurance that your politic note of this morning has received all the consideration it so emisently deserves, I am, &c., "H.W. ELLAWORTA." "These few words threw him into a most violent passion; and he is welcome to continue it at his pleasure. My whole action in the matter was right; and have therefore determined to let it stand, with out any attempt at reconciliation. It is, in fact, a good 'innale' to the series of disagreeable interviews I have have therefore determined to let it stand.

THE DIPLOMATIC SAUGGLING CASE .-- We have

lleging against the American Charge to Stor

explanation, tending to remove the stigma which

otherwise attaches to him. The Journal says

Otherwise attaches to him. The journal says We have been shown a private letter from Mr. Ellsworth, dated at Stockholm, October (20, 1855, from which we are permitted to make an ex-tract that would seem to exculpate him entirely, and far upon another the reproach with which he stands accorded. The extract is substantially in these received.

published the item from the New York Commer

second reading. Messrs. Stue and Johnson advocated the bill, and Mr. Darsie (Speaker) opposed it.

The bill declaratory of the Courth section of the tot supplementary to the charter of the Pennsylva-in Raitroad was taken up and passed. have had with him. "So much for petty quarrels, which, considering the person who offended me, are hardly worth al-

BOUSE OF EXPRESENTATIVES.

The Washington letter of "Independent," in the William McSherry, member elect from Adams county, in the place of Hon. James Coopertap-peared and took his seat. Mr. Pearce offered a resclution requesting the Committee on Banks to ensuire into the condition Philadelphia North American says:

The President has directed the recal of Mr. H. W. Ellsworth, as Charge d'Affairs at Stockholm, upon the evidence of his participation in the affair which has recently been the subject of so much Mr. Pearce othered a resculution requesting the Committee on Banks to enquire into the condition of the Grand Bank, now applying for a reduction of its capital stock. Considerable debate occurred on this resolution, in which Messrs. R. Smith and Roberts stated its object to be to affect stocks in Philadelphia. The resolution was thereupon *indefinitely* postponed— yeas 50, nays 30. FROM YUCATAN. - Return of the American Vol-

<sup>1</sup> FROM YUCATAM.—Return of the American Valuate of the second state of the second eas 55, nays 30. On motion of Mr. George T. Thorne, the State Librarian was requested to furnish the titles of books loaned to members and others during the last three years, will the names of the borrowers. An meffectual aftempt was made by Mr. Lattle

The bill was inther progressed in before 10 clock. AFTERNON SENSON. The House resumed the coulderation of the North Branch bill, when Mr. Schoonver proposed an amendment providing that if the Governor can borrow the sum necessary to complete the work, that no small notes tabill to issued. This was negatived and the bill was ordered to be transfer-bed for a third reading, by a vite of 43 to 42. The roles were then dispensed with by a vole of 35 to 28, and the bill came up for final passage.-Upon the voic being taken at stock, yeas 39, nays 46, so the bill was finally negatived to. gracious rope and als infinites, was sciences, "Bor's dome of St. Peter's, which I can suspend in the sir," a sawwerd the architect, standing creat in all his professional prode. "Magnificon" exclaimed Pops Julius II., raising his bands in admiration at the exquisite symmetry "Magnifico". r-echoed his mistress. "Conte massicoo" breathed the Ponuff. "Si, monsignore," answered the servile cards

The longer they examined the plans, the more they adjurted the beauty and boldness of the con-ception majes, y of size, and grandeur of height of the dome far surprasung those of the Cathedral of Forence; and they lavished praises on the gra-hifed architect—painter—sculptor. of Florence; and they invinced prainers on use gra-lifed archited—painter-sculptor. "Yes, thy name, my dear Buonarroti," and the Pohliff Clooking smillingly on him, "thy name will iterer die. It will for ever ahlde in thy wondrous idome, which slone will remind the unborn gene-rations of the sublimity of thy genius." For this dattering compliment Michael Angelo matic alow obeisance to his soble patroa, and ex-invession than the would be allowed to arcs-

For bits itstering compliment Michael Angelo made alow obcinance to his noble patron, and ex-presend: a hope, that he would be allowed to exe-ends without delay this design, which found (avor in bis Excellency's eyes. "Pope Julius, now turning to his cardinals, and— "Our Cathedrai, old and dilapidated as it appears, midth to the scandul of bur holy religion, needs renovailon, enlarging, ard beautiving, with such a donie et allown in these designs, eminently calcu-lated to awe and lift the scules of the faithful up to our blassed Master, to whom it pleaded Him to elect mb View. You, belowed cardinals will have the goodness to attend to it at once, sparing noth-ing to bring into effect every thing relative to this grand plan.—Stop--I would however prefer Signer Bramatike executing of the main body and transput of our blarent, according to his superior judgment and take. See to that." Welleward of the Pontiff's energy and determi-nation of purpose at any cost whatever, and ex-transpirit hereing there in the mode of the superior judgment and the the pontiff's energy and determi-nation of purpose at any cost whatever, and ex-

and the second second

Acting in a unmoral work was ablieved. Ho ow stepped a few feet lock, stood with his arms ided on his breast, gazing on his production—he niled a smile of triumph, and then such into a nait, exhausted in mind and body. Beaming pointing J. Irish, of Schuy Susquehanna, and John R. Broadhead ers to settle the question. f the setting sun, as if in an endeavor mittee are Messrs. Sutzman, Roberts and Luchen-boch. The committee of Ways and Means reported adappropriation and admiration, restor-suggered on the rugged bott majestic brow of Microsant Assisto. That production of his sublime genius was a design of a dome for St. Peter's, at Rome, which he, safet a long and assiduous application to the rules of geometry and sciography, brought to ab-

The committee of ways and details reported any versely to raising the salarne of Associate Judges in Allegheny county; to changing the mode of col-lecting taxes in East Hamphill, Lancaster county; to authorize dislursing officers on the public works to pay interest on (unpaid) check-rolls; to the -bill supplementary to the revenue act. The committee on Banks reported a subgisolute perfection. After some years of voluntary exite, Michae After some years of voluntary exite, Michael Angelo Buonarroti returned to Rome, in compli-ance with the most affectionate entreaties of the renging Ponlifi, to complete the great picture in the Sistine Chaptel, which he left unfinished in his precipitate flight from the eternal city and the thundlers of the Vatican; he unfolded his superb designs before the wondering eyes of the now gracious Pope and his munisters, who demanded what designs they were

Bank. Mr. Eshleman's resolution in favor of biennial

b) T. Enternan a resolution in avor of userning ressions awas called up on second reading, and up definitely postponed. The (reneral School Bill was called up on second reading, discussed at great length, the principal point being upon several different propositions to relatin a portion of the State taxes in non-accepting acheol districts, for the benefit of the same, to build school bouses, &c., which was finally compromis-ed. he understands of what he writes.

ed Afternoon Session — A motion to reconsider the bill for the completion of the North Branch Cansi, prevailed, but further action on the subject was post-poned for the present. The School Bill was considered and passage

inally. The bill to establish meridian lines was
