passed the Senate. The President of the United States, says th National Intelligencer, by appointment, received the Officers and Munagers of the Washington National Monument Society, at I o'clock on Monday last. They called to pay their respects to him, not only as the Callet fragistrate of the Nation, but as the President confere of the Association. He received them with his usual affability and courtesy and expressed great interest in the patriotic object of the Society.

nal, of Saturday, says The wheat fields presen have been guanged. We have seen some where the chemion saids and Pangosian guano have been used, which look pretty fair, but the difference is quite perceptible where the Peruvian guano has

Yteaxan. Havens papers to the 15th inst., state The part of Yucatan has been opened for the admission of corn, free of duty, during six month, and sequence of their mability at this moment to raise vastations committed by the ludians.

FEON CAPE HAYTIEN. An arrival at Boston brings advices to the 24th ult. The Journal says that affers were exceedingly unsettled, and busi ness completely at a stand, on account of the mo and high. The appointment of a Haytlen colored man to the U.S. Commercial Agency at Port an chants and although they have protested agains cial Agent, in order that our commerce in the i

Lieut June Eliton Bisenan, of the U. S. Navy, fied at Buladelphia on Saturday last. "He was the commander (says the North Amerlast cruise on the coast of Africa, and rendered essential service, while on that station, in enforcing the treaty of our Government for the suppression nament to the naval service of our country—a gal,

dated Feb. 29, which announces the sudden de-cease of Captain Bolton, of the U.S. sloop of war Jamestown. It is alleged that Captain Bolton was lying dangerously ill at the Hotel Feder, in Genoa. Buffa, "they filled the interior of the place," says being followed to the grave by the officers of the Jamestown and of the English 74, Vesuvins. News, but we do not find it in any of our London

IMPORTANT FROM MARACAIRS—INSULT TO ASIRA ICC.—The burk Irma, Captain Warner, arrived at Philadelphia on, the 21th inth from Maracaito, whence she sailed on the 2d inst. From Captain W. we learn that on, the 2d of February, the analysers of Washington's birth day, all tine American vessels in port hoisted their fings. The Government authorities ordered the fings to be lower of the order were compiled with from the contract of the contract were compiled with from the contract.

portion of the population is of the most despersed interesting, to. Allishis, flowever, is that the graw this desirate. I think it doubtful if the spanish is enabled to return as the probability in that for ever will despert.

From China.—This ship Sect Which arrived at New York on Sondiely from Cabico, in the imprecedented when time of 35 days and 14 hours.—This is the shortest fru on second.

She brings Ching dates by the 4th of January.—The Hong Kong payers containedful extracts of the California gold next, received there by a mrival from San Francisce.

It is officially notified that the Cassa monopoly at Canton has been all-plained, the exclusive privalence and the second of the California gold next, received there by a mrival was depreted of the Sections right. On that too caston, as in the prejuni case, the concession was alleged by the Chinèpe Commissioner to be they sailt of complaints of the part of this own people.—There can be littlet speaking, however, that, both were greatly acclerated of the first of the California gold policy and any proper and arrived at Manilla of the Hong complaints of the part of this own people.

The Unhold Shaddag ship Hymouth, bearing the broad pount afficient moder of the commissioner, on boank arrived at Manilla of the Hong on major and the commissioner, on boank arrived at Manilla of the Hong on major and the commissioner, on boank arrived at Manilla of the Hong on major and the commissioner of being was another of the proper and gravity of the commissioner of being a major and the commissioner of the policy was anothered and on other sense of the proper and gravity of the commissioner of being the policy of the commissioner of the policy of the commissioner of the policy of the commissioner of the policy of
