HOW DOFS IT LOOK -Sands, Branot and Bull, formerly put their Sarasparila no sanati boules hoiding a few conces, bat since Dr. Townsend's has become known, and almost or quie driven their little beties out of the market, they are now putting theirs put larger bottles cortaining foor tumes as much as before of of their small bottles. Was it hourset to pretend that they are a good as they were! Dr. Town-send commenced housely and fairly-gave as much medicine as he could afford, has indue several im-provements, and is determined to keep up the strength and quality and will warrant that cash bottle of his Naraparilla contains more than four tumes the quanti-y of Naraparilla and were a qualities, than any oth er preparation of Narasparills in the market.
