MEDICAL.

IMPORTANT TO THE AFFLICTED.
Dr. Rose's Celebrated Remedies.
DR. JACOB S. ROSE, the discoverer and sole proprietor of these most popular and beneficial medicines, and also the inventor of the celebrated instrument for inflating the Lungs, in effecting a cure of Chronic diseases, was a student of that eminent physician, Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years since has been engaged in the investigation of disease and the application of remedies thereto.
Through the use of his inflating tube, in connection with his Prophylactic Syrup and other of his remedies, he has gained an unparalleled eminence in curing those dreadful and fatal maladies, Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Chronic Erysipelas, and all those obstinate diseases peculiar to females. Indeed every form of disease vanishes under the use of his remedies, to which humanity is heir—not by the use of one compound only, for that is incompatible with Physiological Law, but by the use of his remedies, adapted to and prescribed for each peculiar form of disease.
Dr. Rose's Tonic Alterative Pills, when used are invariably acknowledged to be superior to all other, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from costiveness, as also his Golden Pills is admitted by the faculty to possess peculiar properties adapted to female diseases, but being satisfied that a bare trial is sufficient to establish what has been said in the minds of the most skeptical.
The afflicted are invited to call upon the Agent, and procure (gratis) one of the Doctor's pamphlets, giving a detailed account of each remedy and its application.

COUGH, PAIN IN THE SIDE AND CHEST CURED—Having a for long time been distressed with a severe pain in the side and chest, accompanied with a dry cough, I was induced, upon the urgent solicitation of a friend, to Dr Taylor's Balsam of Liverwort, and I must say this medicine has answered its purpose admirably. My distress was produced by a severe hurt, and was so great that it was with difficulty I could swallow my food. Indeed, I am satisfied this disease must have terminated in Consumption or some fatal disease, had it not been cured by this judicious medicine. To all who seek to prolong their lives, I would advise the use of Dr Taylor's Balsam of Liverwort.
JAMES GOWAN, 420 Bowery
This medicine facilitates expectoration, reduces fever, restores strength, and may be considered as a superior preparation for the cure and prevention of all diseases in the Chest and Lungs, and should be resorted to, even after these diseases have resisted the usual remedies. In the practice of this old and very respectable physician, this Balsam of Liverwort has acquired an enviable reputation for its virtues, as superior to that of the abundant nostrums of the day as was the character and probity of its inventor to that of quacks and empirics.
CONSUMPTION CURED.—My son had a violent cold, used to cough violently, raising quantities of thick putrid matter, and finally he could not turn over in bed, from weakness. He manifested every symptom of confirmed consumption. For six years he had been subject to the asthma. His physicians, Messrs Vermoule & Anderson, said he was incurable, and must soon die. Yet I was determined to try Dr. Taylor's Balsam of Liverwort, and strange as it may appear, this medicine has fully restored his health.

Jaynes' Expectorant.
SALEM, Columbiana co., O., Apr. 24, 1841.
DR. D. JAYNES: DEAR SIR:—I feel bound to you and the afflicted public, to avail myself of this opportunity of giving publicity to the extraordinary effects of your Expectorant on myself. Having been afflicted for several years with a severe cough, hectic fever and its concomitant diseases, and seemed only doomed to linger out a short but miserable existence, until the fall of 1839, when, being more severely attacked, and having resorted to all my former remedies, and the prescriptions of two of the most respectable physicians in the neighborhood without deriving any benefit, or the consolation of surviving but a few days or weeks at farthest—when the last gleam of hope was about to vanish, I had recommended to me your Expectorant—and blessed by that Being who does all things in the use of the means—and contrary to the expectations of my physicians and friends, I was in a few days raised from my bed, and was enabled by the use of a bottle, to attend to my business, enjoying since better health than I had for ten years previous.
Respectfully yours, &c., JAS W. ESTILL.

ROUSSEL'S AROMATICK VINEGAR.—The highly sanatory, balsamic and tonic properties of this Vinegar render it far superior to Cologne water for the ordinary purposes of the toilet, surpassing the latter in its perfume. It prevents and removes pimples, tetter and asperity of the skin, it refreshes and whitens the skin, rendering it soft and smooth. It corrects the clammy and bitter taste of the mouth, imparting a fresh and pleasant breath. It cleanses and whitens the teeth, and hardens the gums. For all the above purposes, it is used with water in such proportion as may be found most agreeable. By inhaling it and rubbing it on the temples, it will remove headache. If applied instantly to a burn or bruise, it will eventually prevent mortification. It corrects vitiated air, and guaranties from contagion; it is therefore very useful for purifying and perfuming apartments. For sale by

THIS is to certify that I purchased one vial of Dr. McLane's Worm Specific, some two months ago and gave to a son of mine, some seven years old, two teaspoons full, and although the amount may appear large, yet I have no doubt but there was upwards of TWO THOUSAND WORMS passed from him, measuring from one quarter of an inch to two inches long.

MR. ELIJAH EATON'S CERTIFICATE TO DR JAYNE.—This certifies, that immediately after having attended my brother, who died of consumption in March, 1842, I was taken sick with the Consumption or Liver Complaint, and was reduced so low with the disease, that for four years I was unable to attend to my business, either at home or abroad, being for the most time confined to my bed. During the above period of time, I had expended for medical attendance of regular Physicians and medicines, to the amount of $300, without receiving any benefit therefrom. In July, 1845, I commenced taking Dr. Jayne's Medicines, and have taken them more or less ever since, and believe that it was by persevering in their use, that I can now truly say that I have completely recovered my health. I believe that Jayne's Sanative Pills and Expectorant are the best family medicines now in use.
I reside in Springfield, Otsego county, N. Y., and carry on a furnace and machine shop in that place, and am not interested in any manner in the sale of the above medicines, and make this certificate for the benefit of those afflicted. ELIJAH EATON.

COAD'S
Patent Graduated Galvanic Battery and Patent Insulated Poles for Medical and other purposes.
THIS is the only instrument of the kind that has ever been presented in this country or Europe for medical purposes, and is the only one ever known to man, by which the galvanic fluid can be conveyed to the human eye, the ear, the brain, or to any part of the body, either externally or internally, in a definite gentle stream, without shocks or pain—with perfect safety—and often with the happiest effects.
This important apparatus is now highly approved of by many of the most eminent physicians of this country and Europe, to whom the afflicted and others whom it may concern can be referred. Reference will also be given to many highly respectable citizens, who have been cured by means of this most valuable apparatus of some of the most inveterate nervous disorders which could not be removed by any other known means.
Among various others, it has been proved to be admirably adapted for the cure of the following diseases, viz: nervous headache and other diseases of the brain. It is with this apparatus alone that the operator can convey the magnetic fluid with ease and safety to the eye, to restore sight, or cure amaurosis; to the ear to restore hearing; to the tongue and other organs, to restore speech; and to the various parts of the body, for the cure of chronic rheumatism, asthma, neuralgia, or tic doloureux, paralysis, or palsy, gout, chorea or St. Vitus's dance, epilepsy, weakness from sprains, some diseases peculiar to females, contraction of the limbs, lockjaw, etc. etc.
Rights for surrounding counties of Western Pa., and privileges, with the instrument, may be purchased, and also tested for the cure of diseases.
Full instructions will be given for the various chemicals to be used for various diseases, and the best manner for operating for the cure of those diseases will also be fully explained to the purchaser, and a pamphlet put into his hands expressly for these purposes, carefully prepared by the patentee. Reversible Filtering Cock,
FOR PURIFYING WATER,
Which renders turbid water pure by removing all substances not soluble in water. The croton water in N. York, although clear and pure to the eye, yet when it passes an hour through this filtering cock, shows a large deposit impure substances, worms, &c. This is the case more or less with all hydrant water.
The Reversible Filterer is neat and durable, and is not attended with the inconvenience incident to other Filterers, as it is cleansed without being detached from the water pipe, by merely turning the key or handle from one side to the other. By this easy process, the course of water is changed, and all accumulations fo impure substances are driven off almost instantly, without unscrewing the Filter. It also possesses the advantage of being a stop cock, and as such in many cases will be very convenient and economical.
It can be attached where there is any pressure high or low to a cask, tank, tub, &c. with ease. To be had of the sole Agent, W. W. WILSON,
oct17 corner of Fourth and Market sts
