PUBLISHED BY WHITE & CO PITTSBURGH MONDAY MORNING, APRIL 23, 1849.

IL. Advertises are earnestly requested to hand in heir favors before 5 r. m., and as early in the day on practicable. Advertisements not inserted for a speci-fied time will invariably be charged until ordered on PHILADELPHIA NORTH AMERICAN.

Advertisements and subscriptions to the North Atlean and United States Gazette, Philadelphia, received forwarded from this office.

## See next page for Telegraphic News

LETTER BOX.—The "Gazette Letter Box," has ved from its old situation, a window nearer the Post Office.

The new rooms of the Board of Trade, in Third tel, are to be opened this evening for a public meeting, on the subject of the Ohio and Pennsylvania Railroad, to connect Pittsburgh with the great West. Large subscriptions to the stock have been made in Ohio, and a number of gentlemen from that State are now here, for the purpose of giving to the citizens of Piusburgh an account of what has been done in Ohio to promote this highly imgeneral, and it is hoped that every Pittaburghe

to-day. It secures, in our opinion, the speedy re-

We see the Chairman of the Committee on city perty has offered the Old Basin property, in cer, and J. Prescott Half as U.S. District Attorthis city, for sale. It is divided into twenty-four ney, gives as near universal satisfaction as two lots, and will no doubt bring a large fund into the such important acts could hope to give. Both are Treasury, all of which, will go to redeem scrip. old and tried Whigs, of the Clay School, and able recastry, an or which, will go to reneem script, one and tried upon that the Treasurer has ceased to per men. Mr. Hône is a thorough merchant, and Mr. out the city issues, so that the taxes will rapidly Hall a lawyer, in whose charge the public business

MARYLAND UNITED STATES SENATOR - Among Mr. Greeley is a Whig, whose courage never i the names mentioned as Senator from Maryland in place of Hon. REVERDY JOHNSON, is that of Hon. in the darkest days. He is a merchant in the true JOHN WETHKEED, formerly member of the House sense of the word, and an eminently practic of interference in a matter which concerns the ed satisfaction to the people of Pennsylvania, as his able advocacy of the Tariff-in 1814, has won f or him the confidence and respect of the friends yet his great personal popularity carried him tri-umphantly through a warm contest, and while in Congress he distinguished hisself by his attachment to Whig principles and measures, and by his of Whig principles and of a protective tariff.

v obtained our telegraphic despatch of the Foreign News by the Europa, nor does it make the least apology for so dishonorable a transaction. It sold stately, was held on country owners' merely tries to extenuate its own sin, by some and they have paid dearly for their opin

a succession of bridges, the names passing of one bridge, and under the next, and as no to the end of the boiler; and the gentleman who showed us the model, assured us, that no smoke ever reached the end of the boiler opposite the fire-than ber, and that the flame was maintained from one end of the boiler to the other.

As a good smoke consumer is a matter of the last importance to Pittsburgh, we hope some ofour officers will try it, as we understand Mr. Carpenter is willing to come here, and fit up one consumer, for the purpose of testing it, without charging may thing for the patient or his own expenses. Who speaks first. His address is 14½ Nassau street, New York.

Free Puttburgh from its snoke and it will become, for many reasons, ope of the most pleasant indiand towns in the United States, and its growth and prosperity, and especially the increase of fine private residences would be proportionably rapid. If any smoke consumer can be found which will answer the purpose, without fail, at all times answer the purpose, and our manufactoring establishments, which now belch forth such toring establishments, which now belch forth such the gold regions of California. The question of the Protocol was broached in The question of the Protocol was broached in The question of the Protocol was broached in the found of the public and the many three purposes. toring establishments, which now beich forth such compelled to consume it, thus benefitting themselves without annoying the public. The saving of fuel alone would amply repay the expense, but on compared to the comfor or the people of a great city.

ART UNION AT PHILADELPHIA.—This is BE sciation for the encouragement of the Fine Arts, and the promotion of a correct taste, similar the association in New York. Each subscriber of Five Dollars bec

ber of the Art Union for one year.

The money thus obtained is applied, first, to the be not the Art Union for our year.

The money thus obtained is applied, first, to the procuring of a large and costly engraving, from an original American pictured, of which every memore receives a copy; and next, to the purchase of Pictures, Drawings, or other works of Art, with the funds distributed by lot among the members; for that purpose.

Thus, for the sum of Five Dollars, every member is sure of receiving a fine engraving (worth alone the amount of his subscription) and the chance of obtaining a fine original Painting, to be

chance of obtaining a fine original Painting, to be
SELECTED BY HIMSELF from any public ex-

hibition in the United States.

FROM NEW YORK. ?

New York, April 17, 1849. iculturists of this section are in much ouble, in consequence of the loss of years to their mild season of sufficient length to develope vegtation finely, and to excite the warmest hopes a frost ensued Asavy enough to make thick ice, and nip all the fields: The greater part of the ex-otics are gong, and with them much fruit of the more delicate, kinds.

A new speculation is now rife here, in what one would suppose would be the last thing.—The fi-nal resting place of man, Cemeteries with names. lugubrious and joyful, together with names of al people, and their good qualities enumerated with the nost elaborate detail. The beauties of air, the andscape, the water and all that pleases the gencrai taste, are fully laid down, and as a fina have succeeded in taking a company of one hundred persons, by railroad, to their grounds, for inneen dollars, in the short time of two hours. The

nge," will in a few days yield to its fate, and be known no more. The City Hotel, long known as the fashionable house, and enjoying a world wide reputation, has failed, and is now to be converted nto an immense dry goods warehouse. Fashionable society forty years ago, made this house their rendezvous for balls and parties, and the most de lightful associations of our old citizens areconnected its scrip, was received at so late an hour that with the now antiquated house. The rush of population o distantly was received at the table to the state of the wards a mass of warehouses.

will not suffer. In the appointment of Collector as Boston, General Taylor has been equally happy—

sense of the word, and an eminently practical man.

Another swarm of California diggers left our city man and the Crescent City, (148 in all.) for Charles and Sense of the stip took out \$175,000 in coin, on the monster is going on; and much the commercial public repoice. Moneygoutnuce very dear, and people anxiously look shead. The very late opening of the canal has kept back New York merbants, and complaint is made that the few buyers level pay moderately, and buy sparingly.

The "barnburners," with a dogged perseverance that makes them have called a State Convention to meet at Uca, and pledge themselves never to relax an effort until New York merselves never to relax an effort until New York merselves never to relax an effort until New York andly perplexed, and declare their determination to mental and the serve inviolate the "sacred fire of democrave" and to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the "spoils" now so far from their grasped to the spoils and of the flour and meal that has been confidence of predastuffs are willing to meet the market at pageent rates, or come a shade under.—A good deal of the flour and meal that has been could sitely, was held on country owners' account, and they have paid dearly for their opinion that prices would rise.

hibition in the United States.

The first Monday in May annually, being the time fixed by the by-laws for the distribution of prizes, it is desirable that all subscriptions should be received before the last Monday in April.

Our readers will perceive that if they wish to work the state of the state of

Our readers will perceive that if they wish to avail themselves of an opportunity of obtaining a fine original painting, they must subscribe this week. Mr. Trevor McClurg, will receive subscriptions until the 26th inst.

"The Omo Reformer."—This paper, which is published in Canton, Ohio, has completed its 34th year, and is still owned and conducted by its year, and is still owned and conducted by its original proprietor, John Saxton, Eaq. It is seldom we see one person, in this country, retaining so long the proprietorship of a newspaper. From early manhood to green old age has Mr. Saxton quietly pursued the even tenor of his way—diffusing abroad the asyor of good principles, respected by his neighbors, an honor to the profession, and to the community in which he lives. He publishes

by his neighbors, an honor to the profession, and to the community in which he lives. He publishes the amount of the community in which he lives. He publishes brought back a number of persons who had started

THE WEATHER ARROAD.—At Albany, on Mon-day, the weather was cold and disagreeable, with flurries of anow during the morning. At Ultea-very cold, and snow two inches deep; at Syracase cold, and snow two inches deep; at Auburn Institution.

Relative to Charlotte street in the Kensington district of the Northern Liberties; and vacating part of Beach street, in the city of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the widening of Noble street, in the county of Philadelphia; and for the Northern American Market and the Northern American Mark

sta Bosion, the ice in ponds was thick enough to bear children. A letter from Chaton, N. J. April 16. savy:

"We are almost frozen up here in Jersey—ice 8 inches thick last night, and flowers all dead—"In the immediate vicinity of New York city, it is thought the embryo-blossom were not sufficiently developed to suffer materially.

Mr. CLAY—In noticing the return of the Hon. Henry Clay to his home, from his visit to New Orleans, the Lexington Observer of Saturday says—

"After spending Saturday and Sunday at Ashland with his family, he was summoned to Winchester early on Monday morning, to fulfil a professional engagement in a great will came up for trial on that day in the Clarke Circuit Court. This case, Joel Quisenherry's will, in which a large amount of property is avolved, we learn by a letter from a friend in Winchester, was most ably and elaborately argued on Wednesda, and Thursday, by Hon. Clutten Allan and Hon. Carrett Davis, in favor of the will, and by Samuel Hanson, Esq. and Mr. Clay in opposition. The appeaches of all the gentlemen fully sustained their well-earned reputations as forense debaters."

The Second Assistant Postmaster General. Col.

The Second Assistant Postmaster General, Col-FITZRENRY WARREN, who has been appointed to the above named office, has, says the Cincinnati Gazette, been the target at which the vindicitive shafts of Locofocoism have been tevelled for some weeks. This bureau has the appointment of thousands of Postmastosa throughout the country, and sands of Postmastosa throughout he country, and the shove named office, has, says the Cincinnati hence the "barking" at him.

Colonel Warren is from lowa, where he per

formed good service. The Galena Gazette thus speaks of him.

Fitzhenry Warren, of lowa, has been appointed assortment of Pianos, from the manufactory of Jones Chickering, Boston.—among Ports, 7 octaves, carried known as an arcent Whig for several years, and from the amount of Locottoro abuse which he has received, we miter that he is man and to be traffed with. As a candidate for Whig Elector he ran the highest of any man on the tucket. He is not destricted for any man on the tucket. He is not destricted for any man on the tucket. He will be found to be a most shrewd, industrious, active minded man, who will discharge his duty will great discrimination and learlessness, and with it finiching determination at subserve the public good.

STRANBOAT ACCIDENT - LOSS OF LIFE - WO STRANBOAT ACCIDENT - Loss as LIFE - We learn from the Vazoo Civy Lemorati that on the night of the 2d max, a collision occured on the Vazoo river, between the steamboats Patrick Henry and Fawn-the former descending, the lister ascending—which resulted in the serious injury of the Fawn, and the loss of life of the third engineer. The guards of the Fawn were torn off and the gentleman's cabin considerably crushed. The Patrick Henry numediately went to the assistance of the injured boat, and secured the frequency of the Partick Henry numediately went to the assistance of the injured boat, and secured the frequency of the Partick Henry numediately went to the assistance of the injured boat, and secured the frequency of the Partick Henry numediately went to the assistance of the injured boat, and secured the frequency of the Partick Henry and secured the frequency of the Partick Henry and secured the frequency of the Partick Henry and for sale by applications of the Partick Henry and secured the frequency of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and for sale by applications of the Partick Henry and provided the Henry Henry and the Order and the Order and the Order and Partick Henry and Partic
