Dr. Swayno—Dear Sir. I verily believe your Compound Syrop of Wild Cherry has been the means of saving my life. I cangelt a server cold, which grade ally grew worse, attended with had records to, and increasing anylifes which had records to, and increasing anylifes a shift of all the sympolic schildred all the sympolic and the state of the beauty. They close the porce of the skin, and increasing anylifery schildred all the sympolic schildred all the sympolic schildred all the sympolic schildred and the sympolic schildred to try or invalinable medicine—id do so with the most hap your invalinable medicine—id so with the

sanates and unaste british beauty in the offspring of secure—ent of peach. This beauty in the offspring of secure—ent of peach, there is no beauty. If the lady is meably defined name, there is no beauty. If the lady is fined name, the lady is and the bleod is thick, cald and thippire, she is not beautiful. If she be brown are yellow, and there is pure and active blood, it gives a rich bloom to the checks, and a shrilliancy to their syes that is faceliantly. The she is britished to the shrilliancy to their syes that it faceliantly. The shrilliancy can be southern, and especially the Spanish liding are so such admired. Ladies in the north who take has little arrayins, or are confined in order from the hard the second of deterrious mixtures, spiritt, applitting eyes and beautiful calls from they should use Dr. Townsend's Strasparilla, and more than artified, are delighted. Ladies of every station, crowd our office daily.

Those that imitate Dr. Townsend's Sarraparilla, have invariably called their sum of a great Renealy for Fe males, see, &c., and have copied our bills and circular which relates to the camplaints of wome, well for word—other mes who put up medicine, have, times the great Strasparilla in complaint incident to fermiles, recommended their, athough put viously they did not. A sumber of specygravate disease, and the strong of the unmerous famale complaints—it ravely, if yeer falls of effecting a permanent, with the first parties advantage, as it prepares the system and prevents pains or danger, and strengthess both mother and child. Be careful to get the grains.

Scrofula Oured.
This certificate conclusively proves that this Sazza-parille has perfect control over the most obstituate dis-sazes of the Blood. Three persons cured in one house is apprecidented. Three Children.

Da. Townersen—Dear Sir: I have the pleasure triaform you that three of my children have been cured the Serotian by the are of your excellent medicine. They were affilted very severely with bad Sore; have taken only-four bottles; it took them away, for which it feel myself under great obligation.

Towner respectful.

THE rapid stides which Hydropathy has made
innegats introduction into this country—the britisant and astonishing curative effects or cold water in
thronic and actual direases, when employed after the
method of the celebrated Prisonitz, have removed from
the mid-of of an intelligent and discerning public every
particle of doubt as to its efficacy, and gained it unversal favor. Considering the unsativatory results
of remedies heretofore used in the treatment of chronic
compliants, (complaints, too, which are increasing every year,) it must be a natural wish to see the success
of a method by which so many unfortunate sufficers
will be freed from their pains and infirmities.
The subsender having practiced successfully this
method for eight years at his Hydropathic establishment, which has been considerably enlarged and in
proved in all its parts, and in every respect, is now
those or every and accommodate pationts who may
caperiouse.
