neary by decade wil Dr. W. P. Inland's Fremium Plaster.

Dr. W. P. Inland's Fremium Plaster, the qualities of which, after the cong and titled experience, has been satisfactorily crabilished. To all women who may be afficited with Prolapsus Illeria or Fallen Womb, he recommends his Prolapsus Illeria or Fallen Womb, he recommends his laster, rusanteeing a sure and speedy cure in the haster, rusanteeing as user and speedy cure in the hort space of from two to thee weeks, if applied with heart and rest—discarding all the countees instruments and expensive bandages to long in use. This he feels conscientious in stating, insammeh has he has not foiled in one case out of three bundred and fifty-three patients.

MEDICAL. THE RESERVE III JANUAR IN THE STREET HINDING THE REPUTER OF THE PROPERTY OF

DR. TOWNSEND'S SARSAPARILLA.

The great beaty and supported the Saranaparilla over all other medicines at, while it eradicates the disast, it invigorates the both. It is one of the very bort SPRING AND SUMPLE MEDICINES.

Ever known; it set only pure at the whole system, and strengthend the person, but it is rates seen, pure and picklicod; a power possessed by so other medicine. And it tuns like the grand secret of its wonderful success. It has

than 10000 children during the two past seasons.

10,000 cases of General Bebility and wast of Netvens Energy.

Dr. Townsend's Sarrayardis lavigorates the whole system persensestly. To those who have best their messuar energy by the effects of successive indispenses that the pastions, and the pastions, and the pastions of the pastions and the pastions and committed by the section of the pastions, and system, lastitude, want of ambition, fainting sensations, premisers decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarasparille is far superior to any

Lavigorating Cordinal,

As it renews and invigorates the system, gives activity to the limbs, and strength to the nucestar system, is must extraordinally degree.

Consumption Curred.

RFITTING BLOOD.

Res Fork, April 2526.

Da. Tewnentip—I welly believe the year Serills has been the means, through Providence, of city life. I have for several years had a bad Cou became were the ways. At har I raised large than of the ways. At way are ally we then the series of th

femmle weakness and disease. If some two contents medicine, many severe and peniful surject operations may be gravented.

Great Elemaing to Mothers and Children.

It is the safest and root effectual registers for purifying the safest and root effectual registers for purifying the property of the safest and content of the safest and child prevents pair and disease, increases and surjeches the food, those who have used it think it is fulfiplemable. It is highly useful both before and after confinement, as it prevents diseases attredient upon childrith—in Continents, Piles Cramps, Swelling of the Feet, Despondency, Heartburn, Vomition, Palo in the Earth and Loine, False Faina, Hemorrhage, and in regulating the secretions and equaliting the conclusions it has no equal. The great beautiful the continent of the secretion and the property of the residence of the secretion and the property of the residence of the secretion and the property of the residence of the secretion and the secretion and the secretion are the secretion and the secretion and
