The Corn Trade of Europe.

A margial change has taken place in the tone of the grain frade within the last fornight. The values of wheat has risen from 2s to 4s per quarter in the principal markets, and the advance in proces of other articles has been proportionably great. This improvement has not been caused by any decrease the the supplies, or apprehension relative to the future wholly cut the crops in the ground, but must be wholly attributed to political events on the continent.

The arrivals of whest, of home growth, into the port of London, have been small, and the quantity brought forward at Mark Lase, by land extrage samples from the home counties, has been quite moderate. This is the first opportunity of testing his powers that this gentleman has had since his appointment, and he made an eloquent and effective speech—
He was followed by Measra. Magehan and Aiden, on the part of the defence. Mr. Austin made the closing speech.

We have always admired the oratory of this gentleman. His voice is extremely clear and musical, his language chaste, and his manner impassioned.

The Manyer's Ofera Troup reached our city yesterday, and will give their first entertainment in the Apollo Hall, on Tuesday evening. Circus.—The Circus of the mirth provoking Daniel Ries, Eeq., will be here on Monday next.

Kerl. Boat Sunk.—A keel boat, loaded with fire bricks, struck one of the piers of the Hand Street Bridge, and sunk immediately. Some of the hands escaped by climbing up the pier, and others were rescued from a watery grave, by a boat which put off to their assistance.

The steamer Hindoo arrived yeaterday from St Louis. The clerk informed us that at one time every person on board the boat, passengers and crew, except the mate, were attacked by a violent diarrhen. By the application of timely remeries it was checked in every instance. Great praise is due to the steward of the Hindoo, who although very ills the time, attended to the wants of the sck, and by administering the proper remedies, probably saved many valuable lives. Two menium had not wholly recovered, were taken to the Rev. Mr. Passavani's Hospital. In place of deaths, there was a birth on the upward trip of this bont and in one of ber kerths, a little "Hindoo" was usbered in this eventful world.

A Werton.—John Jones was brought to the

TEN SHARES Exchange Hank Stock for saie by my4 SLOADON SCHOUYER, and will the "Hindoo" was usberted into this eventful world,

A Werten.—John Jones was brought to the Mayor's Office yealerday, very much intoxicated. He, in his drunken frenzy, stabbed a little boy in the neck, with a pair of seissors, luckily without injuring him very severely. He then autempted to cut the throat of his mother with a razor. Jones is the person who was stabbed a short time ago, by Joseph Sewell, and has been drunk almost ever since.

BENEUT OF THE ALLEGHENT FIRE CONTANT.—To night has been set spart for the benefit of the Allelegheny Fire Company, when "Town, and Country," and "State Secrets" will be produced.

MAYOR'S OFFICE, PITTEREDERE.—There was nothing of interest before the Mayor vesterday morning the state Secrets" will be produced.
