Yesterday was a delightfal day, coil and braaing. "The showers the night before, had laid the dust, and rendered the press very pleasant. Our of Cholera hav city romains very besithy, no case ng occurred, and no other epidemic prevailing. Our telegraphic despatches, yesterday morning anounced the appointment of Wa. J. Howard

Esq., as Pension Agent, in place of JOHN B. GUTH-Ant, E.c. intment will give very general, if not This app universal fatisfaction, as no person alands better with his fellow clitzens, and with the Whig party,

than Mr. Howard. Stronger Score -This description of ourse

y has lately been much cried down, and has late v been passed at any price with much difficulty We are glad to hear that the Councils of that city have taken measures which will soon put their crip at its par value. At the meeting on Tuesday Councils resolved only three in the negative, and the Common with only one, as we have been informed-to proceed to advertise immediately, and soll, at public shie, the Diamond Lots. These lots are worth about \$150,000, being the most valuable unimproved property about the two cities. If they fatch any ing near their value, they will, together with the taxes of this year, absorb all the Scrip outstanding. With all deference to the opinions of the gentle-men who opposed this resolution of the Councils, we think it a most wise and safe measure, and rece that it has, at last, been firmly resolved on -

So far from injuring any property about the Dis-mond, we consider that it will enhance its value, ad improve the business features of the whole o We hope the Committee having this matter in ceed without delay, and thus rais
