Mr. R. E. Sellers: Dear Sir—I thank it a duty I owe to you and of the public generally, to state that I have been afflicted with the Liver Complaint for a long time, and so badly that an abcess formed and broke, when left me in a very low state. Having heard of your celebrated Liver Pills being for sale by A. B. Sharp, in West Liberty, and recommended to me by my physicals, Dr E. Smith, I concluded to give them a fair trial. I purchased one box, and found them to be just what they are recommended, THE BEST LIVER PILL EVER USED, and after taking four boxes I find the disease has entirely left me, and I am now perfectly well. Respectfully yours,

D B COLEMAN.

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

Ever known: it not only pur-es the whole system, and strengthens the person, but it *e-rates new, pure and rich blood:* a power possessed by no other medicine. And in fact has the grand secret of its wonderful success. It has performed within the last two years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 10,000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy.

Dr Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the sickly effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fanning sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be surely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system in a most extraordinary degree.

SPITTING BLOOD.

DR. TOWNSEND—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. Spitting of blood, and last winter I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has been a considerable change in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Nothing can be more surprising than its invigorating effects on the human frame. A few days use will convince the most incredulous that a cure becomes robust and full of energy under its influence. It immediately counteracts the nervousness of the female constitution, which is the cause of half the ills to which they are exposed to, and consequently without endangering their health. H. PARRY, for Parry, Scott & Co's.
No 103 Wood st, Pittsburgh.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is the most certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. It purifies the blood, and *spreads a healthy glow upon the cheek.* Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by purifying the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

It braces the whole system, renews permanently the nervous energy, and in removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines now in use. Females who have been long afflicted with any of the various forms of female weakness and disease, by using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the little sufferers under it upon childbirth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, gives the mother rest, and I think it indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in Costiveness, Piles, Dysentery, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhages, and in regulating the secretions and equalizing the circulation of the blood. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases requiring more than one bottle. Taken in connection with Dr Townsend's Saleratus or Magnesia, it is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which is essential to health, and instead of *gender or soap.* If there is not a free and healthy circulation, there is no beauty. The genuine Dr Townsend's Sarsaparilla is the offspring of nature, and produces the healthy circulation of the fluids, or the blood is thick, cold and impure, the is not beautiful. If she be brown or yellow, and wishes to have a brilliant complexion, let her take it to the cheeks, and a warm blood, and health will be seen in the eye.

DALLEY'S MAGICAL PAIN EXTRACTOR.

THE following from George E. Pomeroy, Esq., the well known proprietor of the Express, speaks for itself of the importance of the Pain Extractor to every parent.

EXPRESS OFFICE, Albany, Sept. 1.

MR. DALLEY: My Dear Sir—With feelings of no ordinary pleasure I address you in relation to the benefit I have received from your invaluable Pain Extractor. Lately, my little daughter, 6 years old, had a pitcher of boiling water turned into her bosom; her screams were dreadful, so that a crowd instantly gathered before the house to learn the cause of the terrible screams. I tore her clothes asunder, and soon spread on your salve, and she was carried and laid upon a bed. She was soon relieved from her pains, and says "Ma, I feel as if I could laugh," and was soon in sweet sleep. She was scalded to a blister from the top of her shoulder over more than half her chest, and round under the arms. On the shoulder and breast it was very deep, yet from the first hour, she complained only when it was dressed. The sore healed rapidly, and there is no contraction of the muscles.

With many wishes, my dear sir, for your success in the sale of this mighty article,

I am yours, with respect,
GEO. E POMEROY

TO THE PUBLIC

I, Edward P. Holmes, of Chatham, Melvin Bridge, Columbia county, N. Y., have been afflicted with rheumatism in my breast, arm, and all over my body, for 14 years—so that I could not stand, and was cured by application of Dalley's Magical Pain Extractor

EDWARD P. HOLMES.

Dalley Sir—I cut my finger with a copper nail, poisonous nature of which caused my arm to swell considerably, with constant shooting pains up to the shoulder. A large swelling taking place at the armpit, with increasing pain, I became fearful of the Lockjaw. In the extremity your Pain Extractor was recommended to me, and which I was prevailed upon to try. The consequence was that it afforded me almost instant relief, and in three days I was completely cured. JOSEPH HARRISON, New York.

Corner Broome and Sullivan sts, Sept 5, 1848.

NOTICE—H Dalley is the inventor of this invaluable remedy, and never has and never will communicate to any thing in the secret of its combination!

All Extractors, therefore, not made and put up by him, are base counterfeits.

WATER CURE ESTABLISHMENT,
PHILIPSBURG, PA.

THE rapid strides which Hydropathy has made since its introduction into this country—the brilliant and astonishing curative effects of cold water in chronic and acute diseases, and the unexampled success of the Water Cure Establishment, at his old location, at Philipsburgh, Pa., on the Ohio river, opposite the steamboat landing at Beaver, where he is ready to receive patients as boarders, and treat them on Hydropathic principles. In addition to his long experience, and the great success which has heretofore attended the application of this treatment to patients committed to his care, he has now the additional facilities afforded by an extensive building erected expressly for the purpose, containing commodious and airy rooms, and fitted up with every necessary apparatus for bathing, and administering the treatment to the utmost benefit and comfort of the patient. Philipsburgh is a most delightful and healthy village, easy of access by steamboats, and affords fine and wholesome water. Dr. Acker assures those afflicted persons who may place themselves under his care, that every attention shall be paid to their comfort; and as an assurance of the substantial benefits to be derived, he points with confidence to the hundreds who have been permanently cured at his establishment. The Water Cure leaves no injurious effects behind, as is too often the case with those who have been treated on the old system. It removes the disease temporaries the system, protects from the dangers incident to changes of the weather, creates a natural and active appetite, strengthens, and imparts vigor to the digestive powers. Terms of treatment and boarding reasonable. For further particulars inquire at the establishment, or address the proprietor at Philipsburgh.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with ROSENESS OR WHITE SWELLING, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both ear canals, from both hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most e
